Moulton Falls and Lucia Falls Parks together encompass 325 acres of older-growth forest, three separate waterfalls and miles of shared use and primitive trail. Other points of interest include volcanic rock formations from early lava flows, a beautiful arch bridge over three stories high. Swimming is not allowed at Lucia Falls, in order to protect sensitive fish habitat. A 2.5-mile, barrier-free trail runs from the Hantwick Road trailhead to Moulton Falls Park. The primitive, 9-mile Bells Mountain Trail also begins here, and will eventually link southward to the Rock Creek Campground and the Tarbell and Larch Mountain Trails.
