Did you know? Sunnyside Neighborhood Association is NOT an HOA!

Neighborhood residents have formed our neighborhood association and Clark County's Neighborhood Relations Coordinator works with us as a liaison for information to be shared with citizens. HOA's are established by a developer and pertain to a specific subdivision or project. Everyone in Clark County is in a neighborhood association, though many are inactive because no volunteers have stepped forward to operate them. Volunteers regularly receive information from Clark County so their members can be better informed on issues such as annexation plans, new housing or business development, etc.

MEETING AGENDA

**Special Guest: Marie LaManna, Chair
Clark County Clean Water Commission**

*Did you know that storm water is the number one threat to water quality in urban areas?
*Did you know that the water that goes into the storm drains is not treated before being released into our waterways? Clean water for fishing, swimming, and wildlife habitat protection depends on residents understanding our role. Our speaker will give us the information we need so we can help keep our water clean!

You may even come away wanting a rain garden in your yard.

When we cancelled our February meeting due to snow, we lost Julie Olson as our guest speaker. We are fortunate to welcome her to join us at our May 9 meeting to speak and answer questions about our area's rapid development.

Whether you own or rent your home, all are welcome!

Our neighborhood boundaries are:

West: NE 50th Ave. to I-205 to Andresen Rd.

East: SR-503 (117th Ave.)

North: 119th St.

South: NE 78th St. from Andresen Rd. to I-205,
