NEIGHBORS! Please join us for our first meeting in a while as we start up the Curtin Creek Neighborhood Association (CCNA)!

If you are receiving this mailing, you are located within the Curtin Creek Neighborhood. We are a non-political neighborhood group, with no fees or dues. We are NOT an HOA.

We want to work together to provide our neighborhood with current information and to help promote and maintain the quality of life in our corner of Clark County. We are looking for volunteers to help us distribute information from Clark County Public Works and Community Development so that our members can be better informed on issues such as road construction, planning and zoning changes, and new housing or business developments in our area.

Our first meeting will include a report from the **Sheriff** as well as information from the county's **Parks** department on the history of Curtin Creek Park and any other plans for parks in our area.

Check out our page on the county's web site!
