Roads End Neighborhood Association

We're looking for a few great volunteers to re-activate our neighborhood association.

Our goals for the next year:

- Organizing the association and creating a board/council.
- Creating a current events newsletter.
- Holding neighborhood meetings at least 3 times a year.
- Getting together to share information from the county and other organizations that keeps us up-to-date and helps keep our neighborhood safe.
- Working to build community & get to know our neighbors

We will need at least 3 volunteers to serve on a Board and help us organize neighborhood activities. This will require about two hours a month of your time. If this sounds like something you would like to be a part of, we would like to hear from you!

Check out our page on the county's web site!

At our first meeting, we will meet the county's Neighborhood Program Coordinator & Sheriff Liaison and will talk about ideas and needs for future meetings.

Did you know? Neighborhood Associations are NOT an HOA!

Residents form and run the county's neighborhood associations. Neighborhood associations DO NOT charge dues or fees. Volunteers regularly receive information from Clark County so their members can be better informed on issues such as road construction, annexation plans, new housing or business development, etc. **Whether you own or rent your home, all are welcome!**

Neighborhood association newsletters are copied free of charge by the Clark County Neighborhood Outreach Office and Clark County's Print Shop. The information and views expressed are solely those of the neighborhood association and not of Clark County Government.
