Welcome to the newly reorganized North Fork Neighborhood Association (NFNA)! If you are receiving this mailing, you are located within our North Fork Neighborhood. We are a non-political neighborhood group, with no fees or dues. We are NOT an HOA.

This group was originally formed in 1997. We hope you will join us for our first meeting of 2023. NFNA's mission is to provide our neighborhood with current information pertaining to our area and to help promote and maintain the quality of life in our corner of northwest Clark County. Our volunteers will regularly receive information from Clark County so that our members can be better informed on issues such as road construction, planning and zoning changes, and new housing or business developments in our area.
