Process Overview and Timeline

Clark County is a grantee and participating jurisdiction of U.S. Department of Housing and Urban Development Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) funding. This means that annually, Clark County receives an allocation of CDBG and HOME funds to develop community improvements and housing for areas and households that are low-income. This funding is contracted through the county to nonprofit agencies, housing developers and local municipalities to carry out proposed improvements that meet the federal regulations and identified needs in Clark County’s Five-Year Consolidated Plan.

Stakeholders for CDBG and HOME applications are notified by email each year when funding becomes available. To be added to the stakeholders list, contact Janet Snook: Janet.Snook@clark.wa.gov or 564-397-2130.

Process Overview and Timeline

Description

The purpose of this RFA is to solicit applications that address the identified needs and objectives of the 2020–2024 Clark County Consolidated Housing and Community Development Plan. The Consolidated Plan is available for review at <https://clark.wa.gov/community-services/cdbg-and-home-documents>.

The Clark County CDBG program provides funds for eligible community development activities that benefit persons earning low to moderate income. Funds are allocated annually through a competitive process.

Questions regarding this Request for Application must be directed in writing, via email, to the contact person. The deadline for submitting such questions is November 29, 2023. Answers will be issued to all applicants no later than November 30, 2023.

Requirements

See <https://www.clark.wa.gov/community-services/cdbg-and-home-applications> for the Clark County Community Development Needs and Strategic Plan Goals to determine if your project is eligible. If you have any questions about your application or eligibility, contact county staff.

Contract performance will take place in Clark County or within the city limits of Woodland. A contract awarded as a result of this RFA is intended to be for 12 months beginning in Fall/Winter 2024 if all other funding is secured. Business technical assistance programs are intended to run from January 2025 to December 2025.

Fair Housing/Non-discrimination

Fair Housing is the right of all people to be free from discrimination in the rental, sale or financing of housing. Equal access to rental housing and homeownership opportunities, regardless of race, color, religion, national origin, sex, familial status (the presence of children under 18) or disability, is the cornerstone of federal Fair Housing Policy. Local cities and counties that receive certain federal housing or community development funds have a role in affirmatively affirming Fair Housing.

Projects awarded federal funds are required to ensure that all persons are served equitably and that a person is not denied services because of their race, creed, color, religion, national origin, sex, familial status, or mental or physical ability. The State of Washington carries additional protections for persons experiencing discrimination based on a person's marital status, age, sexual orientation, gender identity, disability and the use of a trained dog guide or service animal, and honorably discharged veteran or military status. Applicants must be prepared to establish, amend, or maintain program admissions, occupancy, and operating policies and procedures (including policies and procedures to protect individuals' privacy and security), so that equal access is provided to individuals based on any of the above listed protected classes.

Restrictions

Applicants must be a municipality, housing authority, or qualifying nonprofit organization under IRS Section 501(c)(3).

- Environmental reviews are undertaken by Clark County staff after funding recommendations are made and can take 30 – 90 days to complete.

Staff will contact you if there are any follow-up questions regarding your application.
