AirBNB - there has been some concerns about properties being used for AirBNB in our area. We are currently researching the legality of this and some connected issues of crime and parking. We will continue to follow up and share information as appropriate.

Plans for fall 2018 - we would like to coordinate a Make a Difference Day trash clean up. We are also planning to do a follow up planting project at the 78th Street exit where we planted trees and daffodils 5 years ago. We will keep you posted on this as we get closer to autumn.
