Health Promotion: Tobacco Prev./Control

Program Summary

Supported through dedicated funds for tobacco prevention and control, and under the guidance of the Washington State Tobacco Prevention Program, health promotion staff work with community partners to prevent initiation and support cessation of use of tobacco products. Emphasis is placed on populations of greatest or most urgent impact: children and young people, pregnant women, and minority persons.

Women, Infants and Children (WIC)

Program Summary

The Women, Infants and Children (WIC) Program supports good nutrition for pregnant and breastfeeding women, their infants and young children through nutrition education and provision of food vouchers for purchase of healthy foods. Participation in the WIC program increases positive health outcomes of pregnancy and child growth and development.

Liquid Waste

Program Summary

The Liquid Waste Program focuses on protecting groundwater and preventing illness, via proper treatment of domestic sewage. The staff evaluates soils and plan designs, and approves installations of septic systems. The staff also reviews proposals for new development before land development is approved. Proper maintenance and operation of septic systems is rapidly becoming a central theme for the program.

Region VI AIDSNET

Department Summary

The Region VI AIDSNET work unit houses the HIV Coordination program, which provides technical assistance to the eleven Counties within Region VI. The services provided by this program have been diminished through policy changes at the State level to increase centralization, and is funded through State HIV grants.
