Points of view in this document are those of the author and do not necessarily represent the official position or policies of HHS. Grant funds are administered by the Community Services Block Grant Office, Washington State Department of Commerce.”

2. GRANT MANAGEMENT

The Representative for the Grantee and their contact information are identified on the Face Sheet of this Grant.

3. COMPENSATION

COMMERCE shall pay an amount not to exceed (\$342,020)for the performance of all things necessary for or incidental to the performance of work as set forth in Attachment A, Scope of Work. Grantee’s compensation for services rendered shall be based on the following rates or in accordance with the following terms:

Grantee’s compensation for services rendered shall be based on the schedule set forth as incorporated by reference as the FFY17 Community Services Block Grant (CSBG) Community Action Plan, and the Grantee’s FFY17 CSBG Community Action Plan Budget.

COMMERCE Federal CSBG Grants are issued in 24 month cycles. They begin in October and end in September of the following year. Therefore the time periods for the grants overlap. Commerce will not reimburse for expenditures from the most recent grant cycle until the prior grant has been closed out. All funds from the prior grant must be expended before COMMERCE will reimburse from the more recent grant.

In order to receive payment under the grant, the GRANTEE must comply with HHS requirements and must submit timely outcome reports as listed in Attachment B, Required Reports and Schedules. The Grantee may transfer funds among the authorized budget categories in the CSBG budget and between administrative and direct cost categories ONLY with prior approval of COMMERCE. Rationale for changes to the budget must describe planned changes in service delivery. 5. ELIGIBLE USE OF FUNDS

Allowable use of CSBG funds shall include:

**SPECIAL TERMS AND CONDITIONS
FEDERAL FUNDS**

Administration Costs: In the context of CSBG statutory reporting requirements, administrative costs are equivalent to typical indirect costs or overhead. As distinguished from program administration or management expenditures that qualify as direct costs, administrative costs refer to central executive functions that do not directly support a specific project or service. Incurred for common objectives that benefit multiple programs administered by the grantee organization, or the organization as a whole, administrative costs are not readily assignable to a particular program funding stream. Rather, administrative costs relate to the general management of the grantee organization, such as strategic direction, Board development, Executive Director functions, accounting, budgeting, personnel, procurement, and legal services.

Direct Services Costs: Direct program costs can be identified with delivery of a particular project, service, or activity intended to achieve an objective of the grant award. For the CSBG award, those purposes and eligible activities are specified in the reauthorizing statute and reflected in the national ROMA performance measures. Direct program costs are incurred for the service delivery and management components within a particular program or project. Therefore, direct costs include expenditures on some activities with administrative qualities, including salaries and benefits of program staff and managers, equipment, training, conferences, travel, and contracts, as long as those expenses relate specifically to a particular program or activity, not to the general administration of the organization.

6. PROHIBITIONS

Unless the Grantee has received a written waiver from COMMERCE, no funds shall be issued for the purchase of or improvement of land or real property other than low-cost residential weatherization or other energy-related home repair. The Grantee shall not use program funds or identify program funds in a manner supporting any partisan or nonpartisan political activity; or for any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or any voter registration activity.

7. BILLING PROCEDURES AND PAYMENT

COMMERCE will pay Grantee upon acceptance of services provided and receipt of properly completed invoices, which shall be submitted to the Representative for COMMERCE.

Invoices shall be submitted no less than quarterly and no more than monthly by the 15th of each month, even if zero expenditures are requested. Invoices shall describe and document, to COMMERCE's satisfaction a description of the work performed/the CSBG Budget Service category, and reimbursements requested. The invoice shall include the Grant Number F17-32101-006.

Payment shall be considered timely if made by COMMERCE within thirty (30) calendar days after receipt of properly completed invoices. Payment shall be sent to the address designated by the Grantee.

Payment shall be made by reimbursement only. No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by COMMERCE.

COMMERCE may, in its sole discretion, terminate the Grant or withhold payments claimed by the Grantee for services rendered if the Grantee fails to satisfactorily comply with any term or condition of this Grant.

Duplication of Billed Costs

The Grantee shall not bill COMMERCE for services performed under this Agreement, and COMMERCE shall not pay the Grantee, if the Grantee is entitled to payment or has been or will be paid by any other source, including grants, for that service.

Disallowed Costs

The Grantee is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subgrants/subcontracts.

8. INSURANCE

The Grantee shall provide insurance coverage as set out in this section. The intent of the required insurance is to protect the state should there be any claims, suits, actions, costs, damages or expenses arising from any loss, or negligent or intentional act or omission of the Grantee or Subgrantee/subcontractor, or agents of either, while performing under the terms of this Grant.

The insurance required shall be issued by an insurance company authorized to do business within the state of Washington. Except for Professional Liability or Errors and Omissions Insurance, the insurance shall

During the term of the Grant, the Grantee shall submit renewal certificates not less than thirty (30) calendar days prior to expiration of each policy required under this section.

The Grantee shall provide insurance coverage that shall be maintained in full force and effect during the term of this Grant, as follows:

- A. **Commercial General Liability Insurance Policy.** Provide a Commercial General Liability Insurance Policy, including contractual liability, written on an occurrence basis, in adequate quantity to protect against legal liability arising out of Grant activity but no less than \$1,000,000 per occurrence.  2. Subgrantees/subcontractors that receive \$10,000 or more per year in funding through this Grant shall secure fidelity insurance as noted above. Fidelity insurance secured by Subgrantee/subcontractors pursuant to this paragraph shall name the Grantee as beneficiary.
 3. The Grantee shall provide, at COMMERCE's request, copies of insurance instruments or certifications from the insurance issuing agency. The copies or certifications shall show the insurance coverage, the designated beneficiary, who is covered, the amounts, the period of coverage, and that COMMERCE will be provided thirty (30) days advance written notice of cancellation.

- C. The Grantee shall comply with all state and federal laws related to the use, sharing, transfer, sale, or disclosure of Confidential Information. The Grantee shall use Confidential Information solely for the purposes of this Grant and shall not use, share, transfer, sell or disclose any Confidential Information to any third party except with the prior written consent of COMMERCE or as may be required by law. The Grantee shall take all necessary steps to assure that Confidential Information is safeguarded to prevent unauthorized use, sharing, transfer, sale or disclosure of Confidential Information or violation of any state or federal laws related thereto. Upon request, the Grantee shall provide COMMERCE with its policies and procedures on confidentiality. COMMERCE may require changes to such policies and procedures as they apply to this Grant whenever COMMERCE reasonably determines that changes are necessary to prevent unauthorized disclosures. The Grantee shall make the changes within the time period specified by COMMERCE. Upon request, the Grantee shall immediately return to COMMERCE any Confidential Information that COMMERCE reasonably determines has not been adequately protected by the Grantee against unauthorized disclosure.
- D. Unauthorized Use or Disclosure. The Grantee shall notify COMMERCE within five (5) working days of any unauthorized use or disclosure of any confidential information, and shall take necessary steps to mitigate the harmful effects of such use or disclosure.

12. CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, the COMMERCE may, in its sole discretion, by written notice to the Grantee terminate this Grant if it is found after due notice and examination by COMMERCE that there is a violation of the Ethics in Public Service Act, Chapters 42.52 RCW and 42.23 RCW; or any similar statute involving the Grantee in the procurement of, or performance under this Grant.

Specific restrictions apply to contracting with current or former state employees pursuant to chapter 42.52 of the Revised Code of Washington. The Grantee and their subcontractor(s) must identify any person employed in any capacity by the state of Washington that worked on any activities funded by this grant; including but not limited to formulating or drafting the legislation, participating in grant procurement planning and execution, awarding grants, and monitoring grants, during the 24 month period preceding the start date of this Grant. Identify the individual by name, the agency previously or currently employed by, job title or position held, and separation date. If it is determined by COMMERCE that a conflict of interest exists, the Grantee may be disqualified from further consideration for the award of a Grant.

In the event this Grant is terminated as provided above, COMMERCE shall be entitled to pursue the same remedies against the Grantee as it could pursue in the event of a breach of the Grant by the Grantee. The rights and remedies of COMMERCE provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law. The existence of facts upon which COMMERCE makes any determination under this clause shall be an issue and may be reviewed as provided in the "Disputes" clause of this Grant.

13. COPYRIGHT PROVISIONS

Unless otherwise provided, all Materials produced under this Grant shall be considered "works for hire" as defined by the U.S. Copyright Act and shall be owned by COMMERCE. COMMERCE shall be considered the author of such Materials. In the event the Materials are not considered "works for hire" under the U.S. Copyright laws, the Grantee hereby irrevocably assigns all right, title, and interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

"Materials" means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or

For Materials that are delivered under the Grant, but that incorporate pre-existing materials not produced under the Grant, the Grantee hereby grants to COMMERCE a nonexclusive, royalty-free, irrevocable license (with rights to sublicense to others) in such Materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Grantee warrants and represents that the Grantee has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

The Grantee shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Grant, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Grant. The Grantee shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Grantee with respect to any Materials delivered under this Grant. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Grantee.

14. DISPUTES

Except as otherwise provided in this Grant, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the Grantee's name, address, and Grant number; and
- be mailed to the Director and the other party's (respondent's) Grant Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The respondent shall send a written answer to the requestor's statement to both the Director or the Director's designee and the requestor within five (5) working days.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Grant shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method in addition to the dispute hearing procedure outlined above.

15. DUPLICATE PAYMENT

COMMERCE shall not pay the Grantee, if the Grantee has charged or will charge the state of Washington or any other party under any other Grant, subgrant/subcontract, or agreement, for the same services or expenses.

16. GOVERNING LAW AND VENUE

This Grant shall be construed and interpreted in accordance with the laws of the state of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

Subgrants shall include a comprehensive indemnification clause holding harmless the Grantee, the Department, the state of Washington, its officers, employees and authorized agents.

18. INDEPENDENT CAPACITY OF THE GRANTEE

The parties intend that an independent Grantee relationship will be created by this Grant. The Grantee and its employees or agents performing under this Grant are not employees or agents of the state of Washington or COMMERCE. The Grantee will not hold itself out as or claim to be an officer or employee of COMMERCE or of the state of Washington by reason hereof, nor will the Grantee make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the Grantee.

19. INDIRECT COSTS

The Grantee shall provide their indirect cost rate that has been negotiated between their entity and the Federal Government. If no such rate exists a de minimis indirect cost rate of 10% of modified total direct costs (MTDC) will be used.

If the Grantee fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, COMMERCE may collect from the Grantee the full amount payable to the Industrial Insurance Accident Fund. COMMERCE may deduct the amount owed by the Grantee to the accident fund from the amount payable to the Grantee by COMMERCE under this Grant, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Grantee.

State Authority and Responsibility to Establish Organizational Standards

Under the block grant framework established in the CSBG Act, States have both the authority and the responsibility for effective oversight of eligible entities that receive CSBG funds. Section 678B of the CSBG Act (42 U.S.C. § 9914) requires State CSBG Lead Agencies to establish “performance goals, administrative standards, financial management requirements, and other requirements” that ensure an appropriate level of accountability and quality among the State’s eligible entities. In order for States to meet these responsibilities under the CSBG Act, States must establish and communicate clear and comprehensive standards and hold eligible entities accountable according to the standards as part of their oversight duties.

Each Grantee must annually complete an Agency Organizational Standard Self Assessment via the Commerce CSBG E-Gov system at <https://wa-commerce.octopi.org/eGov/login/login1.aspx?ST=WA>.

1. CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Non-procurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of sub-recipients or subcontractors in covered workplaces).

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

- (b) Establishing an ongoing drug-free awareness program to inform employees about --
 - (1) The dangers of drug abuse in the workplace;
 - (2) The grantee's policy of maintaining a drug-free workplace;
 - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
 - (1) Abide by the terms of the statement; and
 - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted --
 - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
