25. WAIVER OF DEFAULT

The County shall have the right, in the event of breach of this clause by the Contractor, to annul any contract without liability or in its discretion, to deduct from the contract price or consideration or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee, or seek such other remedies as are legally available.

V. FEDERAL FUNDING REQUIREMENTS

Any federal funds received under this agreement will have a Catalog of Federal Domestic Assistance (CFDA) Number identified in the contract. Contractors that receive federal funds shall comply with all grantor requirements including but not limited to those detailed or incorporated into the contract and detailed in the Catalog of Federal Domestic Assistance. VII. GRIEVANCE AND COMPLAINT PROCEDURES

The Contractor shall have a grievance procedure and a complaint procedure. Both procedures shall be in writing and include time lines for filing a grievance or a complaint. A complaint procedure shall be developed in compliance with federal law regarding discrimination. In making such assurances, the Contractor specifically agrees to indemnify and hold harmless the County from any and all bodily injury claims brought by employees of the Contractor and expressly waives its immunity under the Industrial Insurance Act as to those claims that are brought against the County. Provided, however, this paragraph does not purport to indemnify the County against the liability for damages arising out of bodily injuries to person or damages caused by or resulting from the sole negligence of the County, its elected officials, officers, employees and agents.

XI. LICENSING AND PROGRAM STANDARDS

The loss of any required accreditation license or other certificate shall be promptly reported to the Department of Community Services. 3. Americans with Disabilities Act of 1990 (ADA) and all requirements imposed by or pursuant to this law, including CFR 29 part 1630.

XVIII. REDUCTION IN FUNDING

In the event that funding to the County from State, Federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of a contract and prior to its normal completion, the County or Contractor may summarily terminate the contract in whole or in part notwithstanding any other termination provisions of this agreement or that contract. Termination under this section shall be effective upon receipt of written notice by the non-terminating party. The terminating party agrees to notify the other party within fourteen days of written notification from the funding source of any proposed reduction in funding by State, Federal or other sources. The Contractor agrees that upon receipt of such notice it shall immediately develop a plan to take appropriate and reasonable action to reduce its spending of the affected funds so that expenditures do not exceed the funding level resulting from the proposed reduction.

XIX. RELATIONSHIP OF THE PARTIES

The Contractor, its agents, employees, officers or representatives are not employees, agents or representatives of the County for any purpose, and the employees of the Contractor are not entitled to any of the benefits the County provides for County employees. The Contractor will be solely and entirely responsible for its acts and for the acts of its agents, employees, subcontractors or otherwise during the performance of any contract. The County shall not be responsible for the payment of federal taxes, Social Security taxes or Labor and Industries contributions for the Contractor. This agreement is executed for the benefit of the parties and the public generally. It is not intended nor may it be construed to create any third party beneficiaries.

XX. SEVERABILITY

It is understood and agreed by the parties hereto that if any part, term, or provision of an agreement is held by the courts to be illegal, the validity of the remaining provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the agreement did not contain the particular provision held to be invalid. Provided, that if deletion of the invalid provision substantially alters the intent, purpose or effect of the agreement or constitutes a failure of consideration, a contract may be rescinded or terminated by either party. Provided, that nothing herein contained shall be construed as giving precedence to provisions of this agreement, any Statement of Work or any subcontract over any provision of the law.

XXI. STANDARDS FOR FISCAL ACCOUNTABILITY

Agencies providing services in the State of Washington agree to maintain books, records, documents and accounting procedures and practices that accurately reflect all direct and indirect costs and income related to the performance of each contract. Such fiscal books, records, documents, reports and other data shall be retained in a manner consistent with the "Budgeting, Accounting, Reporting System for Counties and Cities, and Other Local Governments," hereinafter referred to as "BARS," or equivalent accounting method to allow costs to be tracked to specific revenue sources. The Contractor further agrees that the County shall have the right to monitor and audit the fiscal components of the organization to ensure that actual expenditures remain consistent with the terms of each contract.

XXII. WAIVER OF DEFAULT

If the County waives any breach of this Agreement by the Contractor on any occasion, such waiver shall not be deemed to be a waiver of any subsequent breach of this Agreement by the Contractor.
