Clark County Toolkit

[Download the first 22 pages of this construction salvage and recycling toolkit.](#) (PDF). Information includes:

- Using the toolkit
- Guidelines for construction waste in unincorporated Clark County and the city of Vancouver
- Saving money by recycling
- Salvage or deconstruct, you have options
- Green building opportunities; programs, commercial and residential

Asbestos

Note: Asbestos is a naturally occurring group of minerals that are flexible, fire resistant and virtually indestructible. Asbestos was used in over 3,000 products for strength, thermal insulation, acoustical insulation and fire protection. It can be found in some types of ceiling or floor tiles, siding, shingles or insulation. The inhalation of asbestos fibers can cause serious disease to the lungs and other organs that may not appear until years after the exposure has occurred.

Asbestos removal is highly regulated. Call the Southwest Clean Air Agency at (360) 574-3058 for information on asbestos removal. All asbestos must be disposed of at a landfill with approval to accept asbestos material. For disposal at any Columbia Resource Company's transfer station in Clark County you must first contact the Columbia Resource Company's Environmental Manager at (360) 695-4858 to obtain disposal forms and packing instructions.

For more information visit www.swcleanair.org/asbestos.html.

Building relocation

Emmert International **(503) 655-7191**

Clackamas Office

- Moves all types of buildings; sheds, garages, outbuildings and houses
- Saves cost of demolition and disposal
- Retail outlet for used homes and buildings

Fee: Call for information

Northwest Structural Moving **(503) 279-6683**

Scappoose, OR 97056

- Save customers from paying demolition and disposal fees by relocating buildings that would otherwise be demolished
- Residential and commercial structures
- Offer prompt service to ensure your project is not held up in any way

Fee: Call for information

Steve Hoskins General Contracting **(503) 559-3552**

Salem, OR 97301

- Relocates residential and commercial buildings throughout the Willamette Valley

Fee: Call for information

Carpet and carpet pad

Clark County Habitat ReStore

(360) 213-1313

5000 East Fourth Plain Blvd., Vancouver, WA 98661

- Carpet – new only, no used.

- Source-separated carpet pad and polyurethane foam
- Loads must be free from any tack-strip, carpet or other garbage

Fee: Call for information

The ReBuilding Center

(503) 517-2510

3625 N Mississippi Ave., Portland, OR 97227

- Carpet 1-year-old or newer, in new condition.

Please call for more information.

Ceiling panels

➤ *Note: Mineral fiber and fiberglass ceiling panels*

Armstrong World Industries Building Products Division

(877) 276-7876 ext. 8343

Beaverton, OR 97006

www.armstrong.com

- Used mineral fiber ceiling panels and some fiberglass panels
- Armstrong and competitor's panels accepted
- Unable to accept foil-backed, fabric or vinyl-laminate panels
- Panels recycled locally in St. Helens, OR
- Ceiling panel recycling eliminates landfill and drop-box fees and contributes toward the points needed for LEED project certification
- Call Tony Sipe to confirm whether your renovation project qualifies for Armstrong's ceiling panel recycling program

Fee: Armstrong pays freight on truckload quantities more than 30,000 square feet; quantities of less than 30,000 square feet can be handled through local Armstrong distributors with minimal fees; call for more information.

Download a document on the Armstrong ceiling tile recycling program: www.armstrong.com/common/c2002/content/tiles15976.pdf.

Corrugated cardboard

Note: Cardboard with a wavy layer in the middle with no wax or plastic coating. Includes kraft paper such as brown paper sacks. Small amounts of glue, tape and staples are acceptable.

Central Transfer and Recycling **(360) 256-8482**

- Clean window glass
- No wire-reinforced or laminated glass
- Large quantities only (1 ton or more)
- Call before delivery

Free drop off

Hazardous waste, paint, pesticides and solvents

- Note: Clean, usable paints in non-rusted cans, as well as stains and adhesives can be donated to the Clark County Habitat Restore and a receipt will be given for tax purposes. See below.*

Hazardous waste products such as paints, solvents, adhesives, herbicides, pesticides and dry-cell batteries should never be disposed of in drop boxes or dumped onto the ground, down street drains or into the sewer system. When they cannot be reused on another project, they should be set aside for proper disposal at a hazardous waste disposal facility. Please make an inventory list of the materials before calling one of the environmental vendors listed below to schedule an appointment.

Clark County Habitat ReStore

(360) 213-1313

5000 NE Fourth Plain Blvd., Vancouver, WA 98661

www.clarkcountyrestore.org

- Clean, usable paint in non-rusted cans, stains and adhesives accepted for resale

Mixed construction debris recycling

***Note:** The following businesses offer varying programs for construction and demolition recycling. Please call for programs and pricing information to find the one best suited to your needs. If you are working on a project that involves certification in any “green building” program, be certain that the firm recycles the materials your project will generate and that they will provide the necessary documentation for your certification. This would include any LEED, Earth Advantage, Energy Star, Green Globe, Evergreen or NAHB program.*
