  - State order to close restaurants, bars & recreational facilities
  - Public Health Emergency Declarations from Cities and County
- March 17 – State Ordered closure of all schools
- March 19 – CREOC and CCPH Began Unified Command
- March 26 – Implemented CREOC Supply Warehouse

# CREOC Highlights

- CREOC (PPE) Warehouse
- Worked with City of Vancouver in establishing Safe Park Location
- Coordinated with Clark County in establishing County Wide COVID Web Page
- Worked with Clark County Community Services in establishing 116 bed Isolation and Quarantine Shelter
- Began Assisting Clark County Food Bank
- Helped Coordinate Surge Capacity for Clark County Medical Examiners Office
- Helped Coordinate with Clark County bulk PPE order from a private vendor
- Helped in providing Point of Care Testing for Clark County Jail
- Began working in coordinating Recovery Activities

# PPE Warehouse

- Supporting Medical and First Responders providers
  - PPE supplies for **428** agencies and facilities
    - Hospitals
    - Fire/EMS
    - Police
    - Long Term Care
    - Dental, etc.
  - To date we have filled **530** requests for supplies amounting in over 600,000 items

# What We Continue To Do

- Continue to Coordinate & Support Clark Public Health
- Operate the Medical Supply Warehouse
  - Clark County has established a reserve of Testing and PPE Supplies
  - Shortages in some areas (gloves, gowns, testing reagent)
- Coordinate efforts with State EMD
- Coordinate with the Cities and County
- Coordinate Public Information

# CRESA 911 Operations

- 911 operations continue as normal
- Modifications to the workspace to provide physical distancing
- July 4<sup>th</sup> “Busiest day of the year”
  - 3166 calls for the day
  - 1200 calls in 90-minutes
- While call volume have been steady, we have seen a shift in acuity of calls
  - Increases in Domestic Violence
  - Increases in mental health and self harm
  - Increases in patients refusing to go the hospital
