

Sponsor: Clark County
Acres: 700
Waterfront: Lacamas Creek
Estimated Cost: \$15,798,104

CF Request: \$250,000
Partner Share: \$15,548,104
Grant Potential: \$15,548,104

Key Features:

- Conserves habitat for one federally endangered plant species, seven state sensitive species and one rare animal species.
- Conserves a key part of a watershed that feeds a protected, rare remnant of Willamette Valley wet prairie, which is the only example of its size and quality in Washington.
- DNR will restore the oak and stream bank forest and wet prairie and will enlarge the protected habitat.
- Provides the opportunity to fully align the Lake to Lake Trail between Camas and Vancouver
- Supports a variety of county and regional plans, including County's *Conservation Areas Acquisition Plan*, *County Comprehensive Parks and Recreation Plans*, *Regional Trails and Bikeway Systems Plan*, and *Lacamas Prairie Natural Resources Management Plan*.
