Use a black or dark blue ink pen to completely fill in the box to the left of your choice. Vote for one choice for each office or ballot measure. If you vote for more than one choice, no votes will be counted for that office or ballot measure. Leaving an office or ballot measure blank will not invalidate your ballot.

### To correct a mistake

Draw a line through the entire candidate's name or measure response. You then have the option of marking another choice.

### To vote for a Write-in candidate

Completely fill in the box next to the dotted line and write the candidate's name on the dotted line.
