#### **PVJR Activities – Eric Temple:**

No update – Eric Temple Absent

### BYCX Activities – Randy Williams/Doug Auburg:

- Canceled 5 of 6 trains on last weekend of year due to issue with locomotive working on issue
- Boiler tubes for steam engine:
  - Ordered coming from east coast
  - Historic preservation grant received from the county to cover the cost and freight
  - 15-year calendar/inspection starts when the tubes are put in the machines
- Lots of track work
- Had Christmas trains but not Christmas trees in 2021 Will stop having trees due to uncertainty of supplies and high pricing due to heat wave - no complaints about not having trees which is the only real change going forward
- WCC coming on Jan 17<sup>th</sup>, Martin Luther King Day, to clean up landscaping/overgrown shrubbery at the depot
- February issue for Trains Magazine has two-page spread on branch line about PVJR story is about potential for rail fanning this branch –John Hansen suggested letting The Columbian know about the article as they may want to run a piece in their paper Doug will call a reporter and mention it

## **County Activities – Kevin Tyler:**

- RRB 1230 1.5 million grant for track/roadbed rehab work on lower section up to Battle Ground
  - Amendment with DOT was revised and goes to council on January 18 and then to WADOT for approval
    - Extend time through June 2023
    - Change funding allocation need more flexibility for preliminary engineering
  - o HDR working on initial scoping for track rehab meet with them soon to talk about next steps
- 2.7 million grant status (Bridge repair mostly in northern sections)
  - Working on agreement language
  - Kevin preparing staff report for council approval target date is mid to late February
  - Forward to WADOT after council approval
  - Whatever is left over from bridge repair can be used on track rehab for north county
  - o Bridge 20 will be restored (Kevin will have meeting with Randy Williams)
- 72<sup>nd</sup> & St. John's crossing repairs
  - Two separate accidents involving vehicles (not train related)
  - Working with consultant to determine repairs
  - Then work on hiring contractor
  - Both crossings are out of service
  - PVJR using flares and other methods for crossing safely looking at message boards to inform public about crossings
  - Working on emergency resolution to speed up repairs
- Swift private crossing (northern section)
  - Landowner making repairs and county will reimburse
  - Deed dates back to when railroad was constructed and bisected the property
- Kevin has a meeting with FRA signal inspector in early February to look at signals/paperwork to ensure we are doing things correctly

#### New Business – Dan Weaver:

- Update bylaws
  - o Subcommittee (Kent, Dan, and John) working on fundamental changes and conforming to charter
  - Hope to be finished in approximately one month
  - Will go over with Kevin, present to RRAB for final approval and forward to Kathleen for her review/approval

- Article 7 of bylaws say chair has authority to form subcommittees
- Kevin will check with county attorney and upper leadership on process
- Expired Board Member Terms
  - o Reappointments of John, Neil and Lloyd sent to Kathleen for approval
  - o Appointment of Mark Daniels as a replacement for Ken sent to Kathleen for approval
  - One position needs to be advertised
  - One position being held for CREDC (they have been short-staffed)
  - o Jim Malinowski expressed interest in becoming a board member
- Meeting schedule and time
  - o Meeting date and time will stay the same Second Monday of each month from 4pm to 5:30pm
  - Meetings will be virtual until notified otherwise

#### Good of the Order - Dan Weaver:

- Development of property off 78<sup>th</sup> Street
  - o John Shaffer-noticed they are cutting down trees, leveling the land and bringing in rock
  - Kevin said there may be future plans for a rail yard but had no details
- Railroad Coordinator Position
  - Kathleen said it would be a good idea for members of RRAB to participate in interview process
  - Kevin will reach out to Dan and John
- Lawsuit between Eric and Clark County any progress
  - o Kevin said that this topic of discussion is not appropriate for RRAB meetings
  - o Dan doesn't know of any recent developments but doesn't think it has been totally resolved
