

BPAC 2022 WORK PROGRAM

Master Plan Goal #1 Developing a Bicycle and Pedestrian Network

Action 1.2.5. Complete the recommended bikeway and pedestrian networks by closing existing gaps and by integrating innovative design solutions for constrained locations to provide accessible bicycling corridors – when appropriate- throughout Clark County.

Benchmarks:

- Review recommended bikeway and pedestrian networks in Master Plan. Identify status of projects (complete, in design, no action).
- If ‘no action’ has occurred, identify strategies and action plan.
- Review design standards and make recommend changes as needed.
- Review electronic bike map to ensure bike lane consistency with destinations.

Master Plan Goal #2 Education, Encouragement and Safety Programs

Action 4.1.1. Collaborate with schools to utilize federal and state transportation funds to provide walking facilities.

- Work with schools to promote a ‘Bike to School Day’ on May 10th and a ‘Walk to School Day’ on October 4th.

- Coordinate with other Cycling groups to create an educational ‘adult/policy makers’ ride.
- Bike Rodeo.
- Ride around Clark County.
- Outreach to surrounding communities.
- Bicycle Safety Quiz.
- Target Zero

Master Plan Goal #3 Active Transportation Planning and Bicycle and Pedestrian Supportive Land-Uses

Action 6.1.3 Prioritize projects and adopt policies that increase measures of walkability

Benchmark:

- Implementation of the Bike and Ped Master Plan-recommended sidewalks and bikeways

Master Plan Goal #4 Clark County Bike and Pedestrian Advisory Committee Website

- Curate resources and information that would be displayed on the CCBPAC website
- Review the information by all members of BPAC
