

CLARK COUNTY

RFP #828

DESIGN and ENVIRONMENTAL SUPPORT SERVICES for the HIGHWAY 99 SIDEWALK PROJECT BETWEEN NE 102nd STREET to NE 104th STREET

QUESTIONS and ANSWERS

UPDATED: MAY 18, 2022

	QUESTION	ANSWER
1.	On page 11 of the RFP, Section 9. Insurance Bond, the link provided does not work. Is there another link to access this information?	Please try the following link: https://www.wsdot.wa.gov/publications/manuals/fulltext/M36-63/word/A&ENegotiatedHourlyRate.pdf
2.	On page 13, third paragraph from the top, the language reads "Additional support documents, such as sales brochures, should be included with each copy unless otherwise specified." Are you wanting additional sales material in an Appendix, and will this be counted against the 15-page maximum?	Additional sales brochures should not be considered mandatory. Additional sales material may be included in the Appendix and will not be counted against the 15-page maximum.
3.	On page 15, Section 2. Contract Development, the link provided does not work. Is there another link to access this information?	Please try the following link: https://www.wsdot.wa.gov/publications/manuals/fulltext/M36-63/word/A&ENegotiatedHourlyRate.pdf
4.	Page 13 Section IIC, item 4 , says to provide three(3) reference projects that demonstrate experience and competence. Is the County looking for three projects max or three per discipline with the disciplines being 1) Initiation, Coordination, and Meetings, 2) Public Outreach and Access Hearings, 3) Engineering Services, and 4) Environmental Services?	The intent is to see if we can get 3 examples of previous projects where your team has had experience with the disciplines listed (or at least a portion) . We are not looking for three per discipline.
