Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes Clark County a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.

Objectives of the Clark County Community Action Program:

- To promote institutional and community changes which address the causes of poverty and to remove barriers to self-sufficiency faced by low-income communities, families, and individuals;
- To reduce the impact of poverty on communities, families, and individuals by providing resources for services which are responsive to their needs;
- To promote innovative approaches to addressing the causes and impacts of poverty in the community;
- To serve as a catalyst for community efforts to leverage additional resources which address the causes and impacts of poverty; and
- To make recommendations or take other action on any other subject as referred by the Commissioners or jointly by the Commissioners and one or more city governments.
