

Heritage Farm Sustainability Plan Update

- **Website:**

- The plan development website is now live:
 - <https://clark.wa.gov/public-works/heritage-farm-sustainability-plan>

- **Consultant:**

- The public engagement consultant's contract is with the County Manager for signature. The consultant is Barney & Worth. The project manager will be Clark Worth.
- The consultant will be facilitating steering committee and public meetings with other plan development tasks.

- **Steering Committee:**

- Having difficulties scheduling everyone for the same meeting time, planning the first meeting within the first few weeks of October. Once a date is set, we will inform the Farm Advisory Team.

- **Contact**

- Lynde Wallick (lynde.wallick@clark.wa.gov) with any plan development questions.
