Vision

- Connected transportation system where:
 - People can bicycle or walk safely and conveniently to all destinations within reasonable walking or bicycling distance;
 - Schoolchildren will have safe routes to walk and cycle to school;
 - People can walk or ride to and from their transit stops and have a comfortable and convenient place to wait or transfer;

Vision

- Bicyclists and pedestrians can enjoy Clark County's natural beauty;
- Transportation choices are available to all; and
- Transportation facilities designed to encourage active transportation;
- Clark County will promote the economic development opportunities related to bicycling

Challenges

- I-5 and I-205 major barriers for walking and biking
- Existing network discontinuous in places
- Funding
- Most roads have been built

Implementation Strategies

- Continue funding bicycle and pedestrian projects with the Capital Budget
- Leverage local funds to pursue grant opportunities
- Establish public/private funding opportunities and other partnership opportunities
- Work with the bicycle and pedestrian committee to pursue funding opportunities
- Integrate bicycle and pedestrian planning into Clark County's planning process
- Benchmark bicycle and pedestrian growth

Project scoring criteria

Criteria Measurement

Each evaluation criterion was assigned a range of points, with the number of potential points reflecting the criterion's relative importance (based on input from County staff and the public). Objective measurements of each criterion were developed as shown in

Table 51.

Report Road Concerns

- Report a Road Concern

- For issues that don't require immediate attention, such as a pothole or vegetation issue, filling out an online maintenance request is an excellent way to report a road or park concern (link below).

<https://clark.wa.gov/public-works/report-park-road>

- Speeding

- Public Works also does not enforce speed laws or issue traffic and parking citations. Residents who want information about enforcement should contact the [Clark County Sheriff's Office](#) or call the sheriff's speeding hotline: 360.397.2211 ext. 5482.
