	QUESTION	ANSWER
1.	Please clarify if you require the costs for the pilot project area to be broken down by the three neighborhoods listed? If so, we'll need the road centrelines for each of the neighborhoods.	<p>You may break down the projected costs for the pilot project area shown in the <a href="#">RFP 855 Attachment D: Exhibit 3</a>. If the projected cost exceeds \$50,000, then it is required to break down the cost for the 3 neighborhoods (47, 50, 32) as shown in the exhibit.</p> <p>The centerline (road miles) for the neighborhoods are provided within the RFP Attachment D: Exhibit 3.</p>
2.	What is the parcel count for the full cycle 5 area or by neighborhood as shown in Exhibit 3	<p>The entire area of Cycle 5 includes 29,269 parcels. This is broken down by area as follows:</p> <p>NH 47 City of Vancouver – 10,415 NH 50 City of Camas – 11,166 NH 32 City of Washougal – 7,005 Parcels overlapping in unincorporated Clark County – 683</p> <p>Less approximately 466 parcels which are listed in Condo neighborhoods within this data.</p>
