

CLARK COUNTY

RFP #887

DISTRICT COURT ELECTRONIC MONITORING and ALCOHOL MONITORING PROGRAM

QUESTIONS and ANSWERS

UPDATED: MARCH 26, 2024

	QUESTION	ANSWER
1.	<p>Based on the importance of the County's responses to questions, the County's scheduled to release the final amendment Thursday, April 4, and vendors printing/shipping on Monday, April 8, two (2) business days in advance of the RFP response due date of April 10, 2024, would the County consider a two (2) week extension to the proposal due date?</p>	<p>Clark County maintains the current timeframe for receiving proposals.</p> <p>The Q&A will be kept updated through April 4.</p> <p>An addendum release would only occur <i>if</i> a substantial change to the work requirements listed in RFP 887 was identified.</p> <p><i>If</i> an addendum was released, we would review extending the deadline to accommodate the change at that time.</p>
2.	<p>Current Program Information?</p> <p>A. Who is the current service provider for the program?</p> <p>B. Does the County provide office space for the current vendor to conduct daily program duties, or must the vendor provide its own location?</p> <p>C. If no direct/private vendor office is required, please confirm what County facilities the vendor may use to handle all equipment duties.</p> <p>D. How many local staff does the vendor provide to handle the daily duties of this program?</p> <p>i. Are male and female vendor staff required?</p> <p>ii. Are bilingual vendor staff required?</p>	<p>A. Our current service provider is 2 Watch Monitoring.</p> <p>B. The county does not provide office space for vendors. Vendors must provide their own facilities.</p> <p>C. No county space is available for the vendor to use. The County Jail will allow access to install victim notification equipment after approval based on an application and background check of the individual(s) entering the jail.</p> <p>D. The current vendor provides six local staff.</p> <p>i. Male and female staff are required.</p> <p>ii. Bilingual staff would be preferred but not required.</p> <p>E. Local staff should be available after hours and on weekends to respond to any possible victim notification alerts and be willing to communicate with 911 dispatch and law enforcement. No other after-hours services will be required at this time.</p> <p>F. Nothing at this time.</p> <p>G. Equipment Installation:</p> <p>i. Monday through Friday from 8 am to 5 pm.</p> <p>ii. within 24 hours of receiving a referral for victim notification and five business days for installation of any other type of equipment.</p>
