3) FIP Updates – Justin Collell

- a) Tansy ragwort Signs – Good coverage in county although some signs were moved; others not located
- b) Variable-leaf Milfoil – Finishing up paperwork, performing follow-up visits, County treated 7 sites and contractor treated 5, Warren Seely not treated, and Justin will follow up with landowners.
- c) Knotweed – Using the drone to survey was very productive, unfortunately not much time allowed due to Variable-leaf milfoil – should be able to do more next year

4) Civil Infraction Update – Justin Collell

- a) Ruhland – Sold the properties so unable to lien, will likely go to collections, starting over with new landowners as they were most likely not notified of the noxious weeds on the properties,
- b) Pahlisch Homes – Signed Land Management Plan
- c) US West/Centurylink – No response to Intent to Lien – Will lien property

5) Confirm Schedule for 2025 meetings

- a) Feb 3rd, May 5th, Aug 4th, Nov 3rd

6) Public Comment – Don Kerkow asked about knapweed – Has pictures to share with Justin
