Amy Arnold	Welcome to the Parks Advisory Board meeting. When you join the meeting, please mute yourself.
Amy Arnold	John and Don – can you hear folks in the meeting?
John Rafanelli	Yes Amy.
Amy Arnold	Will one of you speak so we can test the sound in the room?
John Rafanelli	I have no ability in April I am tapped on my bandwidth and commitments
John Rafanelli	I can always sign up as a third alternative – I am skeptical to join too much as I want to learn the flow of the meetings given it is my first one If I can't do 2 is there time/place I can meet after 330
John Rafanelli	Hey so is this based on current projections or do we have contingencies if Vancouver is expanding?
John Rafanelli	Are any of these areas in the process of having master plans developed?
Amy Arnold	Thank you!
