

CLARK COUNTY

RFP #925

SECURITY SERVICES for the CLARK COUNTY EVENT CENTER and the CLARK COUNTY FAIR

QUESTIONS and ANSWERS

UPDATED: MAY 29, 2025

	QUESTION	ANSWER
1.	Will Clark County Event Center facilitate a walk through of the premises prior to the RFP closing date?	Proposers who would like to visit the facility may do so by contacting the Administrative Office during normal business hours, Monday – Friday, 8 am – 5 pm. However, there will not be a facilitated walk-through of the premises.
2.	Does the current security company utilize a motor vehicle, golf cart, bicycles, or other means of transportation designed to facilitate security?	No, the current security company walks throughout the grounds. The ability to use a vehicle to facilitate security would depend upon the logistics of each event and the event location(s).
3.	Does CCEC require security for the premises when there are no events scheduled (Minimum staffing hours).	No, we do not require security services outside of the events.
4.	How many of these event days required security?	39 event days
5.	How many security hours were required for the 372 event days? Officer and supervisor.	Approximately 466 security officer hours and 174 supervisor hours.
6.	Is this typical (average)? Low, high or average when compared to years past?	The amount of security throughout the past 15 months is typical.
7.	Is there any anticipation for these hours to increase or decrease for the remaining of 2025?	We anticipate for these hours to remain approximately the same throughout the remainder of 2025.
8.	What does the Clark County Event Center event calendar look like for 2026, 2027, and what are the estimated projected security hours?	We host many events that are held annually and will be held again in 2026 and 2027. Although we have not yet booked events into 2026 or 2027, we anticipate that the volume and types of events will remain approximately the same.
9.	How often does Clark County Event Center request security professionals to back fill CCEC vacancies for non-security positions during events?	We do not request security professionals to fill non-security positions.

	professionals ONLY utilized for Alcohol Monitoring positions?	
11.	"A member of senior management will be required to be on site during all hours of service and to attend a daily safety meeting at 9am each morning of the fair." Define "senior management"?	A member of senior management can be defined as an individual who is able to make strategic decisions on behalf of the organization and to oversee the operations of the organization.
12.	Due to having overnight roving security, a senior manager must also be on site during this time?	A member of senior management should be available by phone in case of an emergency during overnight hours.
13.	Are facility radios provided by CCEC?	Facility radios are provided by Clark County Event Center during the Clark County Fair and may be provided during other events.
14.	"The Event Manager will create a staffing order and send it to the security service provider at least 2 weeks prior to the event" Is the billable rate the same if the request is made less than 2 weeks in advance?	The service provider will determine the billable rate and the terms for those rates. Any details that may affect the billable rate should be included as a part of the proposal.
15.	Can you provide an average of how many hours per event? How many events were overlapping?	Hours vary from 4 hours per event (weddings, quinceaneras, private parties) to 30+ hours (overnight security, multi-day events). See 2024 schedule for information on overlapping events.
16.	Will FSMG provide a list of all scheduled events in 2024.	See attached documents.
17.	Is FSMG stating a budget limit of \$2M for a 7-year period?	No, the budget is flexible depending upon the requirements of the events held during each budget year.
18.	FSMG has required a "list of all security services accounts currently owned or under contract." Our company has nearly 500 active accounts. Will FSMG clarify the minimum requirements for this item?	At a minimum, provide a list of all contracts owned or under contract related to event security. For example, rodeos, fairs, sporting events, weddings, corporate parties, service of alcohol, and live concerts.
19.	Are the required Financial Statements for 2 years included in the page count?	Yes, the Financial Statements are included in the page count.
