CLERK'S ALERT

ODYSSEY IMPLEMENTATION CHANGES

The Clark County Clerk's Office will transition to the new statewide case management system "Odyssey" on Monday November 5th, 2018.

Some of our processes will be changing to accommodate the new system and ask for your cooperation with these changes.

- Satisfaction of Judgments – you will need to state the date of the original judgment as well as the amount being satisfied
- Odyssey case cover sheets replace SCOMIS case cover sheets beginning November 1st. (courts.wa.gov/forms)
- The Juvenile clerk's office will no longer be able to inform attorneys of conflicts they may have on cases

On Wednesday October 31, 2018 at 5pm, our access to complete entry into SCOMIS ends.

All NEW cases coming into our office beginning November 1st, 2018 will be given the new Odyssey case number, all cases will end in 06 (our county code). These cases WILL NOT be scanned into Liberty or entered in Odyssey until Sunday November 4th, 2018.

Any existing case coming into the office WILL be scanned into Liberty but WILL NOT be entered in Odyssey until Sunday November 4, 2018.

No NEW E-Filed cases will be accepted after end of day on October 26th to November 13th.

The Clerk will no longer pre-sell case numbers and any case numbers purchased have to be used by end of day on October 12th, 2018.

Your patience and understanding is very much appreciated as we are learning a completely new computer system and this may increase wait times and document process.
