

Shoreline Master Program Community Feedback

Open Houses, November 14 and 18, 2019

Ridgefield Administrative & Civic Center and Frontier Middle School

Welcome

Thank you for providing feedback on the first draft of proposed changes to the Clark County Shoreline Master Program (SMP).

We are looking for input from individuals and organizations that have an interest in what happens on the shorelines of Clark County.

Your input will help us understand what you think of the draft proposal and what further revisions might be needed.

1. How familiar are you with the existing Clark County Shoreline Master Program? (Please check one.)

3. Please share any concerns you have with the proposed changes to the Shoreline Master Program.

The Mitigation process has become way too easy.

It should only be allowed in the same reach or watershed only.

4. Are there changes to the Shoreline Master Program you would like to see that are not included in the proposed changes? If so, please describe.

Yes more scrutiny on mitigation.

Thank you for sharing your thoughts and feedback!
