Clark County Public Health

We collaborate with partners to protect and improve the health of and the environment for all people in Clark County.

Together we:

- Prevent disease and injury
- Promote healthier choices
- Protect food, water, soil, and air
- Prepare for and respond to emergencies

Nutrition/Food Access in Clark County

- 21% of adults age 65+ eat 5 or more servings of fruits and vegetables per day
- 9,000 adults age 64+ have low access to a grocery store
- Adults age 55+ visited food pantries 81,272 times last year

Recent Strategies

- Healthy Neighborhood Restaurants
- Healthy Neighborhood Stores
- Sodium Reduction in the Community
- Nutrition Standards/Policies in Community Settings and Worksites
- Complete Streets/Active Community Environments
- Coalitions and Collaborations

New and Future Opportunities

- Local Strategies for Physical Activity and Nutrition (LSPAN Grant)
- Other?

Thank you!
