

1 and intersection improvements to maintain concurrency in the NE 179th St. area of the Vancouver
2 UGA; and
3

4 WHEREAS, the Clark County Council adopted Resolution 2019-08-05 selecting a financing
5 plan for public infrastructure in the vicinity of NE 179th St. and authorizing entry into development
6 agreements at a duly noticed public hearing on August 20, 2019; and
7

8 WHEREAS, Resolution 2019-08-05 Exhibit B adopted financing plan number eight (8) and
9 outlined future council action to implement the public financing plan. The financing plan included the
10 following: (a) an increase in Real Estate Excise Tax (REET) 2 and traffic impact fees; (b) traffic
11 surcharges set forth in the development agreements approved August 20; (c) prepayment of traffic
12 impact fees and surcharges pursuant to the development agreements; (c) an increase of 1% in the
13 road fund levy; (d) a one-time \$2 million deferral of preservation funds; and (e) receipt of grants
14 totaling \$66.5 million; and
15

16 WHEREAS, on November 5, 2019 at a duly noticed public hearing, council considered,
17 received testimony, and adopted Resolution 2019-11-01 on the 6-year Transportation Improvement
18 Plan 2020-2025; and
19

20 WHEREAS, RCW 36.70A.120 requires that the county "...shall perform its activities and
21 make capital budget decisions in conformity with its comprehensive plan"; and
22

23 WHEREAS, GMA Goal 12, RCW 36.70A.020 (12), regarding public facilities and services,
24 addresses the need to ensure the adequacy of public facilities and services to serve the
25 development at the time of the development is available for occupancy and without decreasing the
26 current levels of service below locally established minimum standards; and
27

28 WHEREAS, the school districts' and the county's Capital Facilities Plan 2015-2035 (2020
29 CFP) establishes minimum level of service standards for those capital facilities necessary to support
30 development, provides an inventory of capital facilities, and forecasts future facility needs; and
31

32 WHEREAS, the 2020 CFP identifies the localized critical transportation links and
33 intersection improvements necessary to maintain concurrency in the NE 179th St. area of the
34 Vancouver UGA necessary to support development; and
35

36 WHEREAS, on November 12, 2019 council considered and received testimony at a duly
37 noticed public hearing on the proposed 2020 CFP and associated Traffic Impact Fees; and
38

39 WHEREAS, on November 26, 2019 council adopted the 2020 Annual Budget that includes
40 a dedication to the NE 179th St. area transportation projects of \$12 million from the REET 2 fund;
41 and
42

43 WHEREAS, council determined that the actions provided for in Resolution 2019-08-05
44 Exhibit B meet the criteria for reasonably funding the localized critical links and intersection
45 improvements necessary to maintain concurrency in the NE 179th St. area and fulfills the
46 requirements to remove the urban holding overlay; and
47

48 WHEREAS, the county must address certain requests for comprehensive plan and zoning
49 changes to meet the goals and requirements of Chapter 36.70A RCW; and
50

1 WHEREAS, certain property owners of, and parties with interests in, one or more below-
2 described real properties have each requested a 20-Year Comprehensive Growth Management
3 Plan Amendment and Zone Change; and
4

5 WHEREAS, consistent with the State Environmental Policy Act (SEPA) requirements of
6 Chapter 43.21C RCW, notices with determinations of non-significance were issued on March 19,
7 2018, April 9, April 28, May 15, June 4, July 17, and August 1, 2019, and no party has appealed
8 those determinations; and
9

10 WHEREAS, comments were received regarding the SEPA reviews for CPZ 2019-00002,
11 CPZ 2019-00003, CPZ 2019-00006, CPZ 2019-00007, and CPZ2019-00010, and were included in
12 the public record for each case and were considered by the Planning Commission and the County
13 Council; and
14

15 WHEREAS, the Planning Commission reviewed the amendments at duly noticed public
16 hearings on June 20, July 18, August 15, September 19, October 3, October 8, October 17, and
17 November 21, 2019 and has forwarded its recommendations to the County Council; and
18

19 WHEREAS, the council considered amendment cases:
20

- 21 • CPZ 2019-00002 NE 152nd Ave, and reconsideration of proposed amendment;
- 22 • CPZ 2019-00003 Riverview Asset;
- 23 • CPZ 2019-00004 Groth;
- 24 • CPZ 2019-00006 25th Ave Subdivision;
- 25 • CPZ 2019-00007 Neighborhood Pet Clinic;

- 41 • CPZ 2019-00029 Development Agreement Procedures; and
42

43 WHEREAS, the council held work sessions on May 13, May 29, June 12, July 10,
44 August 20, August 28, September 17, October 9, October 23; and council times on March 6, March
45 20, April 3, April 10, May 1, May 22, and December 18, 2019; and public hearings on May 7, July
46 16, August 20, September 3, September 17, October 1, November 5, November 12, 2019, and
47 January 21, 2020;
48

49 WHEREAS, at public hearings the council took public testimony from interested parties and
50 considered all comments presented; and
51

1 WHEREAS, the council also considered the recommendations of the Clark County Planning
2 Commission; and

3
4 WHEREAS, the council in reviewing all the proposed comprehensive plan changes
5 considered the cumulative impacts of those changes, consistent with Clark County Code
6 40.560.010(P), Cumulative Impact; and

7
8 WHEREAS, the council finds that adoption of the amendments are in the best public interest
9 and will further the public health, safety and welfare; now therefore,

10
11 **BE IT HEREBY ORDERED, RESOLVED AND DECREED BY THE CLARK COUNTY**
12 **COUNCIL, CLARK COUNTY, STATE OF WASHINGTON, as follows:**

13
14 **Section 1. Findings.**

15
16 The Recitals above are hereby adopted as Findings in support of this Ordinance. The findings and
17 analysis contained in the Clark County Planning Commission's Recommendations to council dated
18 August 20, September 3, September 17, October 1, November 5, and November 12, 2019, relating
19 to the 2019 Comprehensive Plan and Dockets Amendments, are hereby adopted and incorporated
20 herein by reference except where inconsistent with the following:

21
22 **Section 2. Comprehensive Land Use Plan and Zoning Map Modifications.**

- 23
24 1. In the matter of **Annual Review item number CPZ2019-00002 NE 152nd Ave**, the council
25 **approved** a request to amend the comprehensive plan and zoning designation on a portion
26 of parcel 154246000 from Commercial (CC) to Urban Low (R1-6) on approximately 6
27 acres and retain the remainder approximately 1.5 acres in Commercial (CC) designation.
28 Tax serial number 154246000, located in the Northeast ¼ of Section 2, Township 2
29 North, Range 2 East of the Willamette Meridian (Exhibit 1 and 1a).
- 30
31 2. In the matter of **Annual Review item number CPZ2019-00003 Riverview Asset**, the
32 council **denied** a request to amend the comprehensive plan and zoning designation from
33 Industrial (BP) to Urban Low Density Residential (R1-10) on approximately 50 acres, and
34 Commercial (CC) on approximately 10 acres. Tax serial numbers 200326000 and
35 200355000, located in the SE ¼ of Sec. 35, Township 3N, Range 2E of the Willamette
36 Meridian.
- 37
38 3. In the matter of **Annual Review item number CPZ2019-00004 Groth**, the council
39 **approved** a request to amend the comprehensive plan and zoning designation from Rural
40 10 (R-10) to Rural 5 (R-5) on one parcel that is 26.29 acres. Tax serial number
41 210776000 located in the Northwest ¼ of Section 7, Township 4 North, Range 1 East of
42 the Willamette Meridian (Exhibits 2 and 2a).
- 43
44 4. In the matter of **Annual Review item number CPZ2019-00006 25th Ave Subdivision**, the
45 council **approved** a request to amend the comprehensive plan and zoning designation
46 from Urban Low Density Residential (R1-6) and Highway 99 Single Family Residential
47 Overlay to Urban Medium Density Residential (R-18) and Highway 99 Mixed Residential
48 Overlay on one parcel that is 1.99 acres (Exhibits 3 and 3a). Tax serial number 145032000,
49 located in the Southeast ¼ of Section 1, Township 2 North, Range 1 East of the
50 Willamette Meridian.
- 51

- 1 5. In the matter of **Annual Review item number CPZ2019-00007 Neighborhood Pet Clinic**,
2 the council **approved** a request to amend the comprehensive plan and zoning designation
3 from Urban Low Density Residential (R 1-10) to Commercial (CC) on one parcel that is
4 0.29 acres in size. (Exhibits 4 and 4a). Tax serial number 118138224 located in the
5 Southeast ¼ of Section 29, Township 3 North, Range 1 East of the Willamette Meridian.
6

7 **Section 3. Docket Items/Clark County Initiated.**
8

- 9 1. In the matter of **Docket item number CPZ2019-00008 Whipple Creek**, the applicant
10 **withdrew** their application from the 2019 cycle on October 17, 2019.
11
12 2. In the matter of **Docket item number CPZ2019-00010 School Public Facility Zoning**,
13 the council **approved** the repeal of the Public Facility (PF) designation on the
14 comprehensive plan and zoning maps for public school-owned properties, re-established
15 the previous zoning designations, update comprehensive plan designations, and
16 amended the development code for consistency with map changes as recommended by
17 the Planning Commission and indicated on the attached table (Exhibit 5).
18
19 3. In the matter of **Docket item number CPZ2019-00011 La Center School District Capital**
20 **Facilities Plan**, the council **approved** the La Center School District Capital Facilities Plan
21 2019-2025 and associated School Impact Fees (Exhibit 6).
22
23 4. In the matter of **Docket item number CPZ2019-00020 Evergreen School District**
24 **Capital Facilities Plan**, the council **approved** the Evergreen School District Capital
25 Facilities Plan 2019-2025 and associated School Impact Fees (Exhibit 6).
26
27 5. In the matter of **Docket item number CPZ2019-00021 Hockinson School District**
28 **Capital Facilities Plan**, the council **approved** the Hockinson School District Capital
29 Facilities Plan 2019-2025 and associated School Impact Fees (Exhibit 6).
30
31 6. In the matter of **Docket item number CPZ2019-00022 Woodland School District**
32 **Capital Facilities Plan**, the council **approved** the Woodland District Capital Facilities Plan
33 2019-2025 and associated School Impact Fees (Exhibit 6).
34
35 7. In the matter of **Docket item number CPZ2019-00027 Ridgefield School District**
36 **Impact Fees**, the council **approved** the re-adoption of the current Ridgefield Capital
37 Facilities Plan 2015-2021 and approved new School Impact Fees to become effective in
38 2020 (Exhibit 6).
39
40 8. In the matter of **Docket item number CPZ2019-00031 I-5/NE 179th St Area Urban**
41 **Holding Overlay Removal**: consistent with actions taken to reasonably fund critical links
42 and intersection improvements, the council **approved** the amendment of the
43 Comprehensive Growth Management Plan 2015-2035 and zoning map to remove the
44 Urban Holding Overlay from the remaining urban holding area near the I-5/NE 179th St.
45 interchange as indicated on the attached map (Exhibit 7).
46
47 9. In the matter of **Docket item number CPZ2018-00021 Urban Holding Removal (Holt**
48 **Homes)**: pursuant to the Amended and Restated Development Agreement, and
49 consistent with actions taken to reasonably fund critical links and intersection
50 improvements, the council **approved** Resolution 2020-01-07 pertaining to the removal of
51 the Urban Holding overlay as a comprehensive plan and zoning map designation on

1 approximately 143 acres as indicated on the attached map (Exhibit 8). Tax serial numbers
2 181466000, 181548000, 181580000, 181581000, 181701000, 181702000, 986050146,
3 and 98605147, located in the Southeast ¼ of Section 12, Township 3 North, Range 1
4 East of the Willamette Meridian, and Tax serial numbers 181701000 and 181702000,
5 located in the Northeast ¼ of Section 13, Township 3 North, Range 1 East of the
6 Willamette Meridian.

7
8 10. In the matter of **Docket item number CPZ2019-00023 Hinton Development Agreement:**
9 pursuant to approving the Amended and Restated Development Agreement, and
10 consistent with actions taken to reasonably fund critical links and intersection
11 improvements, the council **approved** Resolution 2019-10-01 pertaining to the removal of
12 the Urban Holding overlay as a comprehensive plan and zoning map on approximately
13 32.5 acres as indicated on the attached map (Exhibit 9). Tax serial number 181675000,
14 located in the Southwest ¼ of Section 13, Township 3 North, Range 1 East of the
15 Willamette Meridian.

16
17 11. In the matter of **Docket item number CPZ2019-00024 Wollam Development**
18 **Agreement:** pursuant to the Development Agreement, and consistent with actions taken
19 to reasonably fund critical links and intersection improvements, the council **approved**
20 Resolution 2019-08-05 pertaining to the removal of the Urban Holding overlay as a
21 comprehensive plan and zoning map designation on approximately 38 acres indicated on
22 the attached map (Exhibit 10). Tax serial numbers 182168000, 182170000, and
23 182164000, located in the Northwest ¼ of Section 15, Township 3 North, Range 1 East of
24 the Willamette Meridian.

25
26 12. In the matter of **Docket item number CPZ2019-00017 20-Year Capital Facilities Plan**
27 **and Transportation Impact Fee Update,** the council **approved** the proposed update to
28 the 20 Year Capital Facilities Plan and associated transportation impact fees (Exhibit 11).
29

30 **Section 4. Arterial Atlas Amendments**

31
32 1. In the matter of **Docket item number CPZ2019-00016 Arterial Atlas and Title 40**
33 **Appendix F:** the council **approved** the amendment of the arterial atlas and Title 40
34 Appendix F to delete the planned NE 16th Ave. from NE 106th St. to NE 110th St. as
35 indicated on the attached map, and add the Arterial Atlas Map as Figure 35 to the
36 Comprehensive Growth Management Plan 2015-2035 (Exhibit 12).
37

38 **Section 5. Amendatory.** Sec. 1 (Exhibit A) of Ord. 2003-11-01 and codified as CCC 40.210.010,
39 and most recently amended by Sec. 4 of Ord 2019-07-01, are each hereby amended as follows:
40

41 **40.210.010 Forest, Agriculture and Agricultural-Wildlife Districts (FR-80, FR-40, AG-20,** 42 **AG-WL)**

44 A. Purpose.

45 1. Forest 80 District. The purpose of the Forest 80 district is to maintain and enhance
46 resource-based industries, encourage the conservation of productive forest lands and
47 discourage incompatible uses consistent with the Forest I policies of the comprehensive
48 plan. The Forest 80 district applies to lands which have been designated as Forest Tier 1 on
49 the comprehensive plan. Nothing in this chapter shall be construed in a manner inconsistent
50 with the Washington Forest Practices Act.

2. Forest 40 District. The purpose of the Forest 40 district is to encourage the conservation of lands which have the physical characteristics that are capable of management for the long-term production of commercially significant forest products and other natural resources, such as minerals.

3. Agriculture 20 District. The purpose of the Agriculture 20 district is to encourage the conservation of lands which have the growing capacity, productivity, soil composition, and surrounding land use to have long-term commercial significance for agriculture and associated resource production.

4. Agricultural-Wildlife. The purpose of the AG-WL district is to encourage the preservation of agricultural and wildlife use on land which is suited for agricultural production, and to protect agricultural areas that are highly valuable seasonal wildlife habitat from incompatible uses. The district provides for activities which can be considered accessory only to agricultural, game, or wildlife habitat management, or recreational uses. Nothing in this chapter shall be construed to restrict normal agricultural practices.

(Amended: Ord. 2018-01-09; Ord. 2018-10-02)

B. Uses.

The uses set out in Table 40.210.010-1 are examples of uses allowable in the various resource zone districts. The appropriate review authority is mandatory.

- “P” – Uses allowed subject to approval of applicable permits.
- “R/A” – Uses permitted upon review and approval as set forth in Section 40.520.020.
- “C” – Conditional uses which may be permitted subject to the approval of a conditional use permit as set forth in Section 40.520.030.
- “X” – Uses specifically prohibited.

Where there are special use standards or restrictions for a listed use, the applicable code section(s) in Chapter 40.260, Special Uses and Standards, or other applicable chapter is noted in the “Special Standards” column.

¹ One (1) single-family dwelling on legal lot or legal nonconforming lot of record.

² One (1) guesthouse in conjunction with a single-family dwelling or home.

³ Public, where no public master planning process has been completed, or private outdoor recreational facilities requiring limited physical improvements which are oriented to the appreciation, protection, study or enjoyment of the fragile resources of this area. In addition to those findings as specified by Section 40.520.030 (Conditional Use Permits), such uses shall be approved only upon the applicant establishing both of the following:

- o There will be no significant environmental impact, especially as it relates to wildlife, resulting from the proposed use; and

- o The subject site cannot be put to any reasonable economic use which is provided for in this section.

⁴ Government facilities necessary to serve the area outside urban growth boundaries, including fire stations, ambulance dispatch facilities and storage yards, warehouses, or similar uses.

⁵ Limited to fire stations only.

⁶ Agriculture including: floriculture, horticulture, general farming, dairy, the raising, feeding and sale or production of poultry, livestock, furbearing animals, and honeybees including feedlot operations, animal sales yards, Christmas trees, nursery stock and floral vegetation and other agricultural activities and structures accessory to farming or animal husbandry.

⁷ Additional surface mining and associated activities subject to zone change to add the surface mining overlay district, Section 40.250.022.

⁸ Commercial uses supporting resource uses, such as packing, first stage processing and processing which provides value added to resource products. Chippers, pole yards, log sorting and storage, temporary structures for debarking, accessory uses including but not limited to scaling and weigh operations, temporary crew quarters, storage and maintenance facilities, disposal areas, saw mills producing ten thousand (10,000) board feet per day or less, and other uses involved in the harvesting of forest products.

⁹ See Table 40.260.250-1.

¹⁰ Once a property has been developed as a public facility, a docket is required to change the comprehensive plan designation from the current zone to the Public Facilities zone.

1 ¹¹A new cemetery, subordinate to a church in existence as of January 1,
2 2019, may be permitted subject to the approval of a conditional use permit.

3
4 **Section 6. Amendatory.** Sec. 2 (Attachment A) of Ord 1995-09-10 and codified as CCC
5 40.370.010, and most recently amended by Sec. 12 of Ord. 2012-07-03, are each hereby amended
6 as follows:

7 **40.370.010 Sewerage Regulations**

8 A. Purpose.

9 The purpose of this section is to further the public health by providing clear rules for when
10 connection to public sewer is required or prohibited. Nothing in this section shall be construed
11 to permit violation of regulations for on-site sewage disposal systems promulgated by the
12 Washington Department of Health or local governments.

13 B. Definitions.

14 1. "Public sewer" means extension of a public sewer system operated by a public entity or,
15 where such extension is impractical, connection to an alternative public sewer system
16 operated by the designated public sewer purveyor.

17 2. "UGA" means an urban growth area designated in the comprehensive plan.

18 C. New Structures within UGA and Rural Centers Served by Public Sewer – Public Sewer
19 Connection Required – Exceptions.

20 Inside UGAs and rural centers served by public sewer, connection to public sewer is required
21 as a condition of building permit issuance for any new structure which has the potential to
22 increase sewage effluent, or additions to existing structures which have the potential to
23 increase sewage effluent, unless the responsible official determines, using a Type I review
24 process, that the new structure or addition is for single-family detached residential use, or a
25 nonresidential use for which an on-site sewage disposal system can be approved by the Clark
26 County Health Department and:

27 1. Such use does not generate hazardous/dangerous waste, as defined by applicable
28 federal, state or local law; and

29 2. Extension of public sewer is impractical based upon the following criteria:

30 a. Public sewer would have to be extended more than three hundred (300) feet to the
31 property line; or

32 b. Necessary permission cannot be obtained from intervening landowner(s); or

33 c. Intervening property contains natural or manmade obstructions, such as deep
34 canyons, elevation changes, and solid rock impediments, which make public sewer
35 extension prohibitively expensive or undesirable; and

36 3. A covenant to the county is recorded which commits the current and future property
37 owner(s) to connect to public sewer within twelve (12) months of sewer becoming
38 available. The covenant shall also contain a provision that commits the current and

1 future property owner(s) to participate in a future local improvement district if this is the
2 method used to extend sewer.

3 *(Amended: Ord. 2008-06-02; Ord. 2011-08-08; Ord. 2012-07-03)*

4 D. Land Divisions within UGA – Public Sewer Connection Required – Exceptions.

5 Inside UGAs, connection to public sewers is required as a condition of approval of new land
6 divisions, whether by plat, short plat or site plan application, unless the following exception
7 applies:

8 1. A two (2) lot land division where one (1) of the lots is, or will be, developed in a use that
9 generates no sewage effluent. Any plat approved under this exception shall record a
10 covenant prohibiting the installation of plumbing fixtures for any use on the designated
11 lot unless the lot connects to sewer.

12 2. Short plats approved under Section [40.200.050\(B\)](#).

13 *(Amended: Ord. 2008-06-02)*

14 E. Public Sewer Connection Prohibited Outside UGAs – Exceptions.

15 For proposed structures or other developments outside of a UGA, connection to public sewer
16 is prohibited except as follows:

17 1. In response to documented health hazards; or

18 2. To provide public sewer to regional park facilities ~~K—12 public schools or to uses within~~
19 ~~the urban reserve district otherwise required to be served by public sewer; or~~

20 ~~3. Where the county has contractually committed to permit public sewer connection.~~

21 ~~—If sewer is extended, the maximum number of permitted hookups should be specified at~~
22 ~~the time of extension and no additional development exceeding this number should be~~
23 ~~permitted.~~

24 3. Pursuant to RCW 36.70A.213, to provide public sewer to a school and any associated
25 recreational facilities in a rural area that serves students from a rural and urban area;
26 provided the school district, the county, the public sewer provider and any affected cities
27 determine that the proposed site is suitable and the school and any associated
28 recreational facilities cannot reasonably be collocated on an existing school site; or
29

30 4. Upon a request for service to the public sewer provider, an intervening property pursuant
31 to 40.370.010(E)(3) may be served by public sewer if, pursuant to RCW 36.70A.213(3)
32 and 40.370.010(C)(2)(a), the property is within 300 feet of a sewer extension to serve a
33 school; and provided the school district, the county, the public sewer provider and any
34 affected cities agree to the request.

35 F. Period of Validity.

36 A Type I decision under this section shall be valid for a period of one (1) year if not associated
37 with any other action. When such a decision is made in conjunction with another application

1 (e.g., short plat, plat or site plan), the decision shall be valid for the same period as the
2 decision on the related application.

3 **Section 7. New.** A new section CCC 40.550.030 is hereby adopted that creates a process and
4 criteria for review of proposed development agreements.

5 **40.550.030 Development Agreements**

6 **A. Purpose.** The purposes of this Section include one or more of the following, as
7 appropriate in the circumstances:

- 8 1. Create a procedure for application, review, consideration, and conditioning of certain
9 development projects according to the extent to which they advance the
10 Comprehensive Plan's goals and policies.
- 11 2. Subject to the provisions of CCC 40.550.030.D.1.c, provide certainty to a developer
12 that a project may proceed to be developed per the development standards, zoning
13 ordinances, regulations, and other code provisions in effect at the time of the
14 approval.
- 15 3. Provide assurance that currently allowed uses for a property may be maintained for a
16 specified period of time in exchange for specific consideration which advances the
17 Comprehensive Plan's goals and policies.
- 18 4. Provide a consistent process and criteria for review of proposed development
19 agreements.

20 **B. Applicability.**

- 21 1. This Section applies to development agreements authorized pursuant to RCW
22 36.70B.170 through 36.70B.210 between Clark County and any person having
23 ownership or control of real property located within Clark County's jurisdiction.
- 24 2. The provisions of this Section do not apply to or affect the validity of any contract
25 rezone, concomitant agreement, annexation agreement, or other agreement in
26 existence on or before the effective date of this Section, or adopted under separate
27 authority, even though such agreements may also relate to development standards,
28 mitigation and other regulatory requirements.
- 29 3. The county is authorized, but not required, to accept, review and approve a proposed
30 development agreement. This process is voluntary on the part of both the applicant
31 and the County. The decision to approve a development agreement is discretionary
32 with the Clark County Council.
- 33 4. Neither application nor approval of a development agreement vests a project to
34 development standards, zoning ordinances, regulations, and other code provisions,
35 except as specified in the development agreement.

- 1 5. Development agreements or amendments thereto shall terminate 10 years from the
2 date of recordation, unless otherwise specified, in the terms of the development
3 agreement.
- 4 6. Development agreements provide flexibility and creativity to some or all of the
5 development standards set forth in CCC Title 40, such as, permitted uses, residential
6 densities, nonresidential densities, building sizes, payment of impact fees, affordable
7 housing, parks and open space provisions, phasing, review procedures, vesting of
8 applicable standards, and any other appropriate development requirement.

9 **C. Types of Development Agreements.**

- 10 1. **Project Development Agreement.** A project development agreement shall relate to
11 a specific development proposal that is or would be subject to a Type II or III process
12 defined in Chapter 40.510 CCC. The applicant shall submit a detailed site design
13 with the identification of specific uses and activity. The level of detail shall be such
14 that the project can be reviewed to determine the appropriate level of mitigation
15 related to, but not limited to, transportation, stormwater and critical areas.
- 16 2. **Non-Project Development Agreement.** A non-project development agreement shall
17 address a conceptual development that involves a legislative decision associated
18 with a Type IV process defined in Chapter 40.510 CCC.

19 **D. Development Standards.**

- 20 1. **Project Development Agreement.**
- 21 a. A development agreement may set forth the development standards, zoning
22 ordinances, regulations, code provisions that shall apply to and govern the
23 project, for the duration specified in the agreement.
- 24 b. In order to encourage innovative land use management and provide flexibility to
25 achieve public benefits, a development agreement adopted pursuant to this
26 Section may impose development standards that differ from, but are consistent
27 with, the development standards of the Clark County Code that would otherwise
28 apply to a proposed development. Development standards imposed by the
29 development agreement must be consistent with the comprehensive plan, and
30 adequately address public health, safety, welfare and environmental
31 requirements.
- 32 c. Subsequently adopted standards which differ from those in the development
33 agreement shall apply to the subject site only if necessary to address a serious
34 threat to public health and safety or if the development agreement specifies a
35 time period or phase after which certain identified standards may be modified.

1 Building permit applications shall be subject to the building codes in effect when
2 the building permit application is deemed complete.

- 3 2. Non-Project Development Agreement. A non-project development agreement may
4 allow one or more of the following: permitted land use types associated with the
5 zoning, innovative land use types that advance the Comprehensive Plan's goals and
6 policies, or existing legally established uses in effect at the time the agreement is
7 approved.
8

9 **E Development Agreement Application.**

- 10 1. The applicant shall submit a form provided by the County to initiate a development
11 agreement. The application form for proceeding with a development agreement may
12 include a draft development agreement, but must include a narrative that details:
13 a. The proposed development or Type IV non-project proposal;
14 b. The need to deviate from the Clark County Code;
15 c. The specific consideration that the applicant will provide to the County
16 pursuant to the DA; and
17 d. How the development agreement would be consistent with state law,
18 development standards, zoning ordinances, regulations and other code
19 provisions and would comply with the Clark County Comprehensive Plan's
20 Goals and Policies.

21 **F Contents of a Development Agreement.**

- 22 1. A project development agreement shall be recordable pursuant to Washington State
23 Law and include the following:
24 a. A site plan depicting boundaries and project elements, such as: location, acreage
25 and range of densities for residential development, if applicable; location and
26 range of types of uses of nonresidential development; if applicable; location and
27 size of critical areas and buffers, if any; perimeter buffers, if any; location and
28 acreage of active and passive recreational areas, if any; and motorized and non-
29 motorized circulation routes, including route connections to streets and
30 pedestrian and bicycle routes servicing and/or abutting the site;
31 b. The identification of consideration provided by the developer that furthers the
32 goals and policies of the Clark County 20-year Comprehensive Growth
33 Management Plan in exchange for implementing the agreement;
34 c. The expected build-out period and, if applicable, the phasing of development;
35 d. The duration of the agreement, which must comply with CCC 40.550.030.B.5;

- 1 e. Provisions for the termination of the development agreement, which must comply
- 2 with CCC 40.550.030.B.5;
- 3 f. If environmental review is required under the State Environmental Policy Act,
- 4 measures to mitigate significant adverse impacts including, but not limited to any
- 5 impacts to public services and facilities;
- 6 g. A traffic impact study consistent with the requirements of CCC 40.350.020.D;
- 7 h. A title report containing proof of ownership;
- 8 i. If the applicant is not the owner of the property, a written and notarized statement
- 9 by the owner authorizing the applicant to submit and negotiate the application on
- 10 the owner's behalf, and for the County to process, review, negotiate, and
- 11 consider the application for approval;
- 12 j. Identification of whether the development agreement runs with the land;
- 13 k. Provisions acknowledging that at the time a specific development application is
- 14 submitted, all development regulations in effect at the time of submittal shall be
- 15 applicable; and
- 16 l. Cost recovery provisions and timelines for processing, administering, and
- 17 monitoring compliance with any required permits and approvals.
- 18 2. A non-project development agreement shall be recordable pursuant to Washington
- 19 State Law and include the following:
- 20 a. A map depicting boundaries of the area subject to the development agreement;
- 21 b. The identification of consideration provided by the developer that furthers the
- 22 goals and policies of the Clark County 20-year Comprehensive Growth
- 23 Management Plan in exchange for implementing the agreement;
- 24 c. The listing of use types or specific uses that shall be permitted or prohibited
- 25 pursuant to the development agreement, and their phasing, if applicable, and
- 26 build-out periods;
- 27 d. The duration of the agreement, which must comply with CCC 40.550.030.B.5;
- 28 e. Provisions for the termination of the agreement, which must comply with CCC
- 29 40.550.030.B.5;
- 30 f. A map depicting the location of specific public amenities, infrastructure
- 31 improvements or other public benefits that shall be provided through
- 32 implementation of the agreement;
- 33 g. A traffic impact study consistent with the requirements of CCC 40.350.020.D;
- 34 h. A title report containing proof of ownership;
- 35 i. If the applicant is not the owner of the property, a written and notarized statement
- 36 by the owner authorizing the applicant to submit and negotiate the application on

1 the owner's behalf, and for the County to process, review, negotiate, and
2 consider the application for approval;

3 j. Identification of whether the development agreement runs with the land; and

4 k. Provisions acknowledging that at the time a specific development application is
5 submitted, all development regulations in effect at the time of submittal shall be
6 applicable.

7 **G Review Criteria.**

8 1. The County Manager or designee(s) shall negotiate acceptable terms and conditions
9 of the proposed development agreement, subject to initial authorization by the Clark
10 County Council and to final approval of the development agreement by the Clark
11 County Council.

12 2. A development agreement must conform to the existing Clark County 20-year
13 Comprehensive Growth Management Plan. The agreement must not allow for use
14 types or densities currently not permitted by the existing zoning ordinance or existing
15 legally established uses.

16 3. A development agreement must advance the goals and policies of the existing Clark
17 County 20-year Comprehensive Growth Management Plan. Examples of compliance
18 with this requirement include, but are not limited to, demonstration of one or more of
19 the following:

20 a. Promoting vitality of an area designated as a Regional, Countywide or Local
21 Center;

22 b. Preserving resource lands;

23 c. Promoting community sustainability through complete, compact and connected
24 communities;

25 d. Dedicating lands for public facilities or services; and

26 e. Constructing of public improvements.

27 **H. Procedures.**

28 1. Preliminary Review.

29 a. Preliminary review is required for all development agreement applications. To
30 initiate preliminary review, an applicant shall submit a completed development
31 agreement application, pursuant to CCC 40.550.030.E, to the Permit Center,
32 along with the required preliminary review fee. The required preliminary review fee
33 shall be twenty percent of the total fee cost established in CCC 6.110A.010. The
34 Land Use Division of the Community Development Department shall determine
35 whether the application is fully complete.

- b. Within twenty-one (21) calendar days after acceptance of a fully complete development agreement application, the County Manager or designee(s) shall collect a cursory assessment from each of the Departments of Community Development, Community Planning, and Public Works.
 - c. Upon receipt of the cursory assessments, or no later than seven (7) days after receipt of the cursory assessments the County Manager or designee(s) shall schedule a public meeting with the Council to occur no less than ten (10) days after the deadline for collection of the cursory assessments. The County Manager or designee(s) shall provide all materials contemporaneously with scheduling the public meeting.
 - d. The preliminary review procedures, required by this section, may be waived by Clark County Council when the County requests a development agreement to be executed.
2. Initial Authorization by the Clark County Council.
- a. The Clark County Council shall hold a public meeting in accordance with the rules and procedures adopted by the Council. The County Manager shall present the preliminary departmental assessments and a recommendation whether the County should proceed to negotiate the proposed development agreement.
 - b. The Clark County Council may direct the County Manager to proceed with negotiating the terms of the draft development agreement, or it may deny the development agreement application.
3. Negotiation and Recommendation.
- a. The applicant shall submit all the materials required by Section 40.550.030.F, along with a final review fee, to initiate negotiations. The required final review fee shall be the total fee established in CCC 6.110A.010, less the fee paid at preliminary review.
 - b. The County Manager may appoint a designee to conduct negotiations on behalf of the County and provide a recommendation to the County Manager.
 - c. The draft development agreement shall be forwarded to each affected department which shall review and comment to the County Manager regarding the policy and financial implication of the proposal.
 - d. After negotiating the terms of a proposed project development agreement, or an amendment thereto, the County Manager shall forward the proposal with a recommendation to the Clark County Council for its review and potential approval by action in a public hearing.

1 e. After negotiating the terms of a proposed non-project development agreement,
2 the County Manager shall forward the proposed development agreement with a
3 recommendation to the Planning Commission. The Planning Commission shall
4 consider the proposed development agreement in a public hearing and shall
5 recommend that the County Council approve or deny the proposal. The County
6 Manager shall forward a proposed amendment of an approved non-project
7 agreement, with a recommendation, to the Planning Commission for consideration
8 in a public hearing if the proposed amendment includes a request to amend the
9 Comprehensive Plan. In that case, the Planning Commission shall recommend
10 that the County Council approve or deny the proposed amendment; otherwise, the
11 Planning Commission shall not hear and make a recommendation on the
12 proposed amendment.

13 4. Final Consideration by Clark County Council.

14 a. The Clark County Council shall consider a proposed development agreement in a
15 public hearing and the Council shall adopt a resolution authorizing the County
16 Manager to enter into the development agreement or may deny the proposed
17 development agreement.

18 b. The County Manager will designate in writing the department responsible for
19 administering and monitoring compliance with the approved Development
20 Agreement.

21 I. **Effect.**

- 22 1. A development agreement pursuant to Chapter 36.70B RCW and this Section shall:
23 Bind the parties and their successors, including a city that assumes jurisdiction
24 through incorporation or annexation of the area covering the property subject to the
25 development agreement;
- 26 2. Upon approval of a development agreement pursuant to CCC 40.550.030.H and its
27 execution by all the parties to the agreement, the County shall record the agreement
28 with the Clark County Auditor. On the date of recordation, or any later date specified
29 in the agreement, the development agreement will take effect.

30 J. **Amendment.**

- 31 1. Any revision to an approved development agreement must be by written
32 amendment, made during the term of the development agreement, duly authorized
33 by the Council pursuant to the procedures set forth in Section 40.550.030.H.2-4, and
34 signed by the parties.

1
2 **Section 8. Severability.**

3
4 If any section, sentence, clause, or phrase of this ordinance is held invalid or unconstitutional by
5 a court of competent jurisdiction or the Growth Management Hearings Board, such invalidity or
6 unconstitutionality shall not affect the validity or unconstitutionality of any other section,
7 sentence, clause, or phrase of this ordinance.
8

9 **Section 9. Effective Date.**

10 This ordinance shall go into effect on February 28, 2020, ten (10) days after its adoption as
11 provided by law, except for school and traffic impact fees, which will take effect on March 18,
12 2020.
13

14 **Section 10. Instructions to Clerk.**

15 The Clerk to the council shall:

- 16
17 1. Transmit a copy of this ordinance to the Washington State Department of Commerce
18 within ten (10) days of its adoption pursuant to RCW 36.70A.106.
19 ~~2. Transmit a copy of the adopted ordinance to Code Publishing, Inc., forthwith to update~~
20 ~~the electronic version of the Clark County Code.~~
21 3. Transmit a copy of the adopted ordinance to the Clark County Geographic Information
22 Systems (Megen Britell and Jesse Manley).
23 4. Transmit a copy of the adopted ordinance to the Community Development Department
24 (Dan Young and Susie Davidson).
25 5. Transmit a copy of the adopted ordinance to the Community Planning Department
26 (Sha'ron Lumbantobing).
27 6. Transmit a copy of the adopted ordinance to the Public Works Department (Ahmad
28 Qayoumi and Rob Klug).
29 7. Record a copy of this ordinance with the Clark County Auditor.
30 8. Cause notice of adoption of this ordinance to be published forthwith pursuant to RCW
31 36.70A.290 and Clark County Code 1.02.140.

BARGAIN AND SALE DEED

CL 4263

THE GRANTOR, CLARK COUNTY, a political subdivision of the State of Washington, for and in consideration of Three Hundred Five Thousand and No/100 Dollars (\$305,000.00), in hand paid bargains, sells, and conveys to **DAVID WILLIAM GROTH and CHERYL IRENE GROTH, as Co-Trustees of the David and Cheryl Groth Trust and STEVEN WAUGH and REGAN WAUGH, husband and wife**, Grantees the following described real estate, situated in the County of Clark, State of Washington:

That fractional Southwest quarter of the Northwest quarter (also known as Government Lot 2) in Section 7, Township 4 North, Range 1 East of the Willamette Meridian, Clark County, Washington.

Except that portion lying within the right of way of NW 71st Avenue.

Also except that portion conveyed to Paul E. Schurman, et ux, by deed recorded under Auditor's File No. G 594638, records of Clark County, Washington.

Also except that portion conveyed to Paul E. Schurman, et ux, by deed recorded under Auditor's File No. G 559832, records of Clark County, Washington.

"SUBJECT TO the encumbrances, exceptions, easements, restrictions and reservations set forth in **EXHIBIT "A"**, which is attached hereto and made a part hereof by this reference."

The Grantor for itself and for its successors in interest does by these presents expressly limit the covenants of the deed to those herein expressed, and excludes all covenants arising or to arise by statutory or other implications.

COMPREHENSIVE PLAN TEXT AMENDMENT

Chapter 14 Procedural Guidelines

Special Implementation Procedures

The comprehensive plan map contemplates one land use method to assure the adequacy of public facilities needed to support urban development within urban growth areas. That method is to apply an Urban Holding District combined with urban zoning.

Urban Holding

When development polices require a legislative action prior to urban development occurring, the county applies the Urban Holding Plan Map and Zoning Overlay with a specific underlying urban zone. In these cases, identified criteria are established that must be met in order to remove the urban holding zoning and authorize the underlying urban zone. Under certain circumstances a Master Plan or Sub-Area Plan which includes how and when an area develops and with what uses, may be required. In most cases, city plan policies may require annexation prior to development.

Battle Ground, Camas, La Center, Ridgefield, Washougal, Yacolt and Woodland Urban Growth Areas

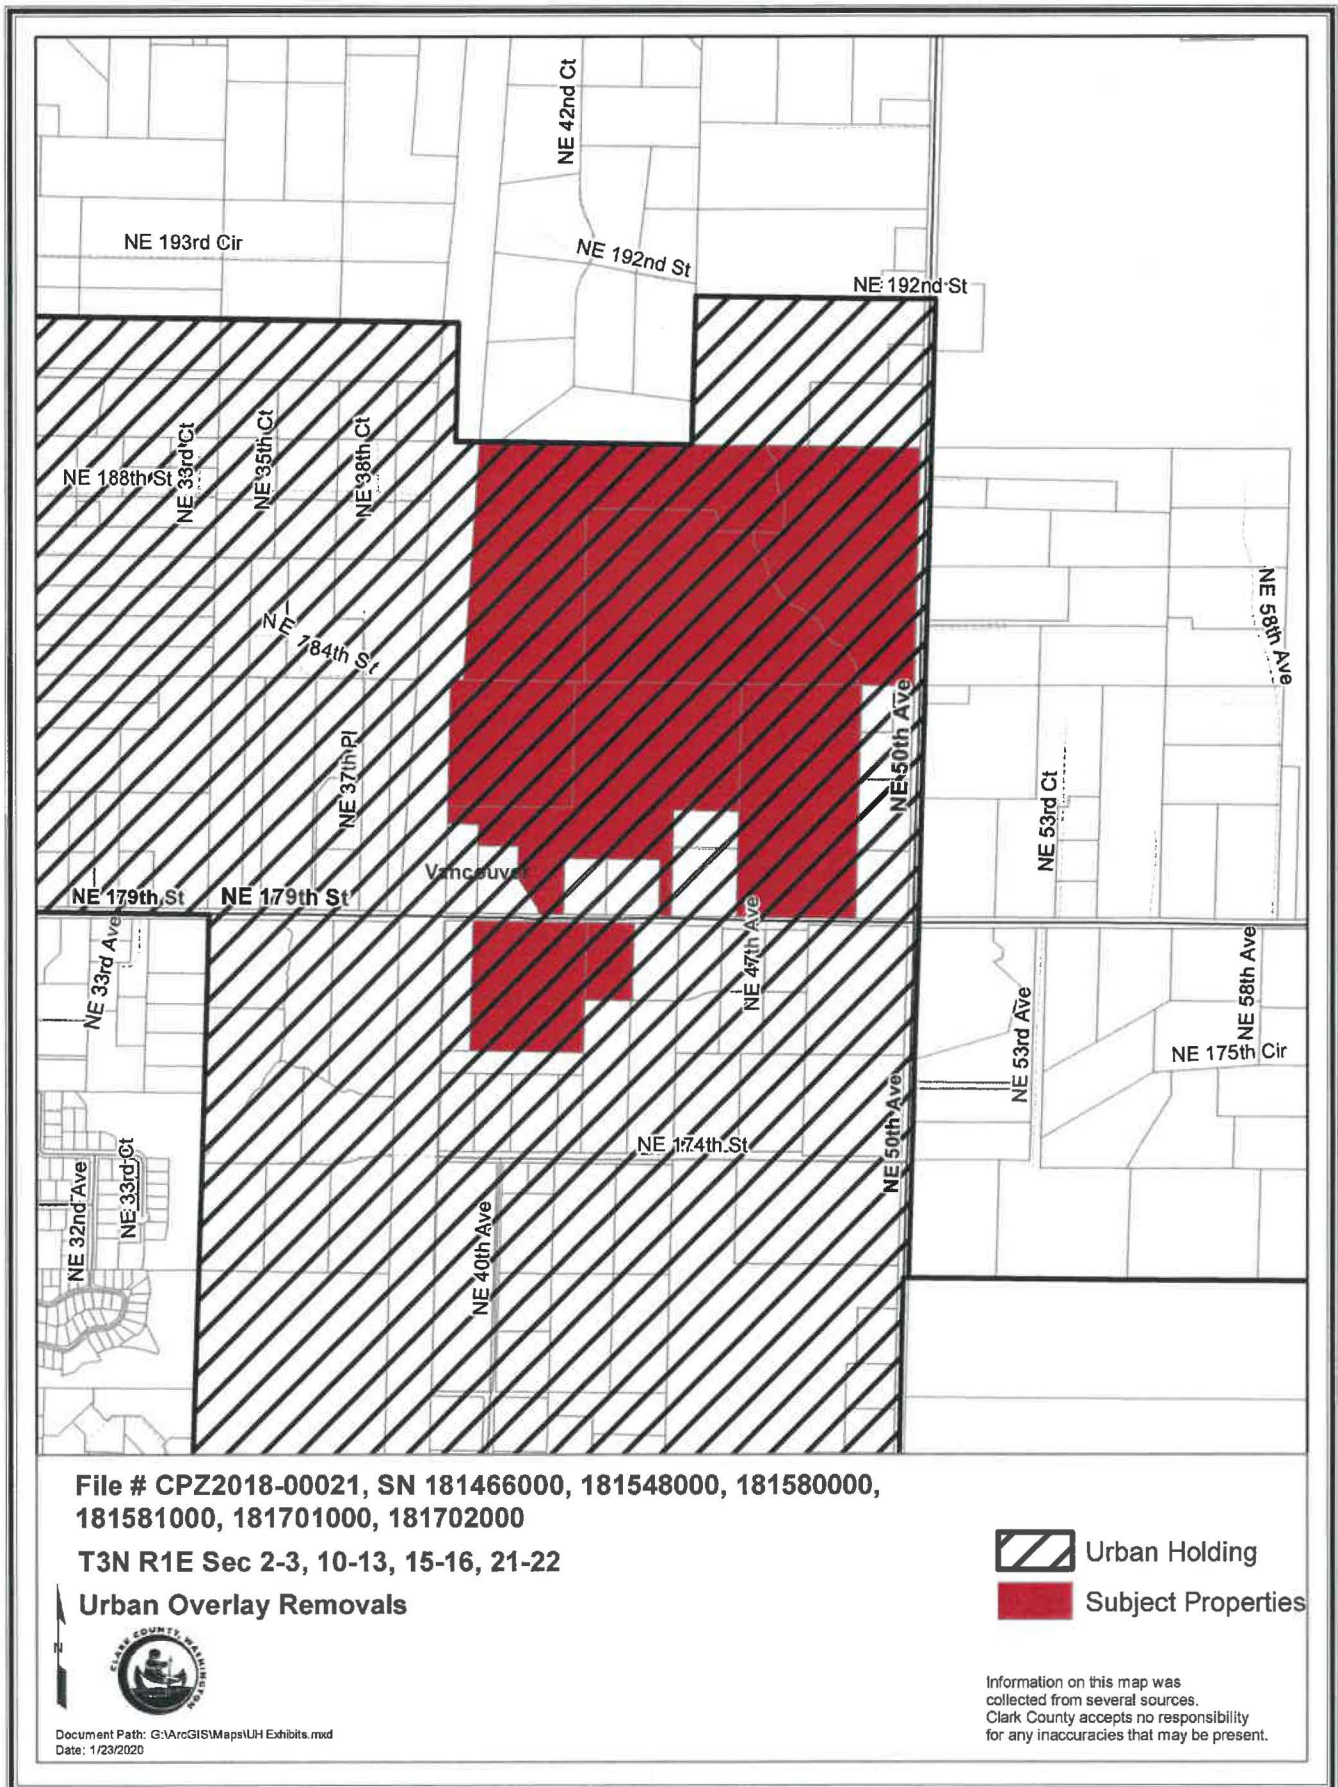

These areas may only undergo urban development following annexation, or consistent with an Intergovernmental Agreement which responds to a significant opportunity for a major employer if immediate annexation is not geographically feasible.

Vancouver Urban Growth Area

The Vancouver Urban Growth Area is divided into larger sub-areas. Each of these areas has unique circumstances as described below that shall be met in order to remove the Urban Holding Overlay and authorize an urban zone which is consistent with the Comprehensive Plan. The county will remove the UH overlay to appropriate areas sufficient in size that the county can collect transportation related data, analyze the cumulative transportation impacts and address mitigation to these impacts. ~~The urban holding overlay designation may be removed pursuant to Clark County Code 40.560.010 upon satisfaction of the following:~~

- ~~1. **Mill Creek:** The area is bordered by NE 179th Street to the north, NE 50 Avenue to the east, NE 163rd Street to the south, and NE 34th Avenue to the west. Determination that the completion of localized critical links and intersection improvements are reasonably funded as shown on the county 6 Year Transportation Improvement Plan or through a development agreement.~~

~~**West Fairgrounds and East Fairgrounds:** Determination that the completion of localized critical links and intersection improvements are reasonably funded as shown on the county 6 year Transportation Improvement Plan or through a development agreement.~~

RESOLUTION NO. 2020-01-07

A Resolution of the Clark County Council authorizing entry into a First Amended and Restated Development Agreement among Clark County and the following owners and developers of real property in the vicinity of NE 179th Street:

MILL CREEK JV LLC (hereinafter referred to as "Holt" or "Developer"), WILFRED N ZILKE FAMILY TRUST (hereinafter referred to as "Zilke Trust"), WILFORD ZILKE AND MARJORIE ZILKE, husband and wife (hereinafter referred to as Zilke), GARY WEBB TRUST hereinafter referred to as "Webb"), and BIRCHWOOD FARMS LLC, (hereinafter referred to as "Birchwood Farms"), collectively referred to as "Property Owners."

WHEREAS, Property Owners own and seek to develop certain parcels of real property in the vicinity of NE 179th Street and Interstate 5, which is currently subject to an urban holding overlay pursuant to Clark County's 20-Year Comprehensive Growth Management Plan 2015-2035; and

WHEREAS, Clark County's Comprehensive Plan requires that prior to lifting the urban holding designation in the 179th Street/I-5 Interchange Area, the Council must determine that the completion of localized critical links and intersection improvements are reasonably funded, as shown on the County's 6-Year Transportation Improvement Plan or through a development agreement; and

WHEREAS, Clark County intends to fund the necessary improvements, in part, by entering into development agreements that will become effective upon the Council's adoption of a future ordinance finding that the relevant localized critical links and intersection improvements are reasonably funded and amending the Comprehensive Plan to remove the urban holding overlay; and

WHEREAS, RCW 36.70B.170 through .210 authorize the County to enter into development agreements with persons or entities having ownership or control of real property within the County; and

WHEREAS, on August 20, 2019, the Clark County Council selected a financing option to reasonably fund localized critical links and intersection improvements and authorized entry into a Development Agreement (the "DA") among Clark County and Property Owners (collectively "Parties") regarding certain real property in the vicinity of NE 179th Street, which property is located in Clark County, Washington; and

WHEREAS, Subsequent to the Clark County Council's August 20, 2019 authorization of the DA, Birchwood Farms refused to execute the DA and requested that it be amended to make Holt solely responsible for the \$2.9 Million TIF pre-payment obligations set forth in the DA; and

WHEREAS, the Clark County Council approves of amending the DA to make Holt solely responsible for the \$2.9 Million pre-payment obligations set forth in the DA, provided that Holt must post a security bond that is acceptable to the County from a reputable bonding company to secure the full prepayment obligation; and

WHEREAS, the Clark County Council approves of further amending the DA to make other corrections and clarifications necessary to memorialize the intent of the Parties; and

WHEREAS, the Clark County Council finds that the Introduction to the DA should be amended to read as follows:

This Development Agreement (this "Agreement") is entered into by and between CLARK COUNTY, a political subdivision of the State of Washington (the "County") and MILL CREEK JV LLC (hereinafter referred to as "Holt" or "Developer," which terms include any successor to, or assignee of, Mill Creek JV LLC), WILFRED N

ZILKE FAMILY TRUST (hereinafter referred to as "Zilke Trust"), WILFORD ZILKE AND MARJORIE ZILKE, husband and wife (hereinafter referred to as Zilke), GARY WEBB TRUST (hereinafter referred to as "Webb"), and BIRCHWOOD FARMS LLC, (hereinafter collectively referred to as "Birchwood Farms"). "Holt", or the "Developer," which terms also include any successor in interest to the Property during the term of this Agreement. Holt, the Zilke Trust, Zilke, Webb, and Birchwood Farms, and their successors and assignees may be referred to individually as a "Property Owner" and collectively as "Property Owners." The County and the Property Owners are the "Parties."

WHEREAS, the Clark County Council finds that Recital B should be amended to read as follows:

B. WHEREAS, Holt, owns or has under contract to purchase from Zilke Trust, Zilke, Webb and Birchwood Farms, controls certain parcels of real property in unincorporated Clark County Washington with the following tax identification numbers: 181466000, 181548000, 181580000, 181581000, 181701000, and 181702000, 986050146, and 98605146, and which are more particularly described in Exhibit A and incorporated by reference herein (together, the "Property"); and,

WHEREAS, the Clark County Council finds that Section 1 should be amended to read as follows:

1. This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract among between the Parties Holt and the County upon the later of (1) the date ten days after the day of the County's approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170, or (2) the date on which a fully executed version is recorded with the County Auditor (the "Effective Date").

WHEREAS, the Clark County Council finds that Section 8(e) should be amended to read as follows:

- e. Regardless of the schedule provided for in provisions of Sections 8.b, 8.c, and 8.d above, Holt agrees that by December 31, 2023, if the combined amount of TIF and Surcharge paid by Holt is less than \$2,900,000, then Holt shall, on or before December 31st, 2023, pay to the County the difference between what Holt has paid in combined TIF and Surcharge and \$2,900,000 (the "Gap Amount"). The Gap Amount shall be applied in the future to subsequent preliminary plat, final plat or building permit applications on the Property as pre-paid TIF or prepaid Surcharge. Nothing in this Agreement limits to \$2,900,000 Holt's total obligations to pay TIF, Surcharge, or combined TIF

and Surcharge that may arise from the Property's future development approvals.

WHEREAS, the Clark County Council finds that Section 8(h) should be amended to read as follows:

- h. Subject to the provisions of Section 8(e), nothing herein shall prevent Holt from applying for and receiving preliminary plat approval for more lots earlier in time than provided for in subsection 8(b) above. Provided, however, that if Holt does apply for and receive preliminary plat approval for more than 150 lots prior to August 15th 2020; 300 lots prior to August 15th, 2021, 450 lots prior to August 15th 2022, or 541 lots prior to August 15th 2023, Holt shall pay the per lot fee identified in subsection 8(b) by the dates and for the number of lots set forth in sub-paragraphs 1-4 below:

(1) August 15th 2020, based upon 150 lots if 150 lots or more have received preliminary plat approval;

(2) August 15th 2021, based upon 300 lots if 300 lots or more have received preliminary plat approval;

(3) August 15th 2022, based upon 450 lots if 450 lots or more have received preliminary plat approval; and

(4) August 15th, 2023 based upon 541 lots if 541 lots have received preliminary plat approval.

The amount of TIF owed under section 8(b) that has not been paid for a lot receiving preliminary plat approval pursuant to this subsection shall be paid at the time of final plat approval for that lot. Within 30 days of the full execution of this Agreement, Holt shall post security in the form of a bond from a reputable bonding company or some other form of security acceptable to the County and Holt (the "Security"). The amount of the Security shall be 2.9 million dollars which, in addition to securing Holt's payment of TIFs or Surcharge payments as provided for in this Section 8, shall also cover any and all losses, penalties, fees, expenses, and/or interest incurred by the County as a result of Holt's nonperformance of its obligations as provided for in this Section 8.

WHEREAS, the Clark County Council finds that the DA should amended to include Section 8(i), to read as follows:

- i. Party to this Agreement other than Holt, or a successor or assignee of Holt, shall have any obligation under this Agreement that is expressly stated herein as an obligation of Holt. Only Holt, among the Property Owners, is bound by the terms of Section 8: the County shall not seek to enforce, whether through lawsuit, liens, judgments or foreclosure, any of Holt's obligations under this Agreement against Zilke, the Zilke Trust, Birchwood Farms or Webb, or its respective portions of the Property, while that Party remains the owner of that portion No of Property;

WHEREAS, the Clark County Council finds that the DA should amended to include Section 8(j), to read as follows:

- j. Lots created and approved on the Property in excess of 541 lots are not subject to the pre-payment provisions of Section 8: Holt shall pay TIF and Surcharge, in the total amount of \$9,550 for each lot in excess of 541 lots, at the time of building permit issuance.

WHEREAS, the Clark County Council finds that Section 10 should be amended to read as follows:

- a. Failure by either any pParty at any time to require performance by the another pParty of any of the provisions hereof shall in no way affect the pParties' rights hereunder to enforce the same, nor shall any waiver by the any pParty of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.
- b. This Agreement shall be construed with, and governed by, the laws of the State of Washington. The pParties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.
- c. If any portion of this Agreement shall be invalid or unenforceable to any extent, the validity of the remaining provisions shall not be affected thereby.
- d. This Agreement is assignable, and except as provided in Section 8, shall run with the land and be binding upon and inure to the benefit of the Parties, their respective heirs, successors and assigns. This Agreement shall be recorded.
- e. The recitals contained herein are agreed to state binding obligations of the Parties, as their terms provide.

WHEREAS, the Clark County Council finds that certain grammatical, formatting and scrivener's errors should be corrected throughout the DA which are reflected in *Exhibit 1* and *Exhibit 2* of this Resolution; and

WHEREAS, for ease of future reference to and implementation of the Development Agreement, as amended, the Parties desire to restate the amended agreement; and

WHEREAS, the previously approved DA, with track changes reflecting the amendments described herein, is attached hereto as *Exhibit 1*; and

WHEREAS, the FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT AMONG CLARK COUNTY, MILL CREEK JV LLC, WILFRED N ZILKE FAMILY TRUST, WILFORD ZILKE AND MARJORIE ZILKE, GARY WEBB TRUST, AND BIRCHWOOD FARMS LLC (hereinafter "Amended Development Agreement" is attached hereto as *Exhibit 2*; and

WHEREAS, the Bond Agreement securing Holt's \$2.9 Million pre-payment obligations set forth in the Amended Development Agreement is attached hereto as *Exhibit 3*; and

WHEREAS, the Council considered this matter at a duly-advertised public hearing; and

WHEREAS, the Council concluded that approval of the amendments to the DA, and the approval and adoption of the proposed Amended Developer Agreement set forth in *Exhibit 2* and the Bond Agreement set forth in *Exhibit 3* will further the public health,

////

////

safety, and welfare of Clark County; now therefore,

THE CLARK COUNTY COUNCIL HEREBY RESOLVES AS FOLLOWS:

1. The Clark County Council approves the amendments to the DA set forth above;
2. The Clark County Council approves the restatement of the amended DA, as set forth in *Exhibit 2* hereto, the FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT AMONG CLARK COUNTY, MILL CREEK JV LLC, WILFRED N ZILKE FAMILY TRUST, WILFORD ZILKE AND MARJORIE ZILKE, GARY WEBB TRUST, AND BIRCHWOOD FARMS LLC, portions of which will become effective upon the Council's future adoption of an ordinance finding that the relevant localized critical links and intersection improvements are reasonably funded, and that the Urban Holding overlays are removed from Developers' property.
3. The Clark County Council approves the Bond Agreement securing Holt's \$2.9 Million pre-payment obligations set forth in the Amended Development Agreement is attached hereto as *Exhibit 3*.
4. Instructions to the Clerk. The Clerk of the Council shall:
 - a. Record a copy of this resolution with the Clark County Auditor;
 - b. Cause notice of adoption of this resolution to be published forthwith pursuant to RCW 36. 70A.290;
 - c. Transmit a copy of this resolution to Clark County Geographic Information Systems (Bob Pool, GIS Coordinator), to Community Planning (Oliver Orjiako, Director), to Community Development (Dan Young, Director) and to Public Works (Ahmad Qayoumi, Director).

ADOPTED this 21st day of January, 2020.

**AMENDED AND RESTATED
DEVELOPMENT AGREEMENT**

This Development Agreement (this "Agreement") is entered into by and between CLARK COUNTY, a political subdivision of the State of Washington (the "County") and MILL CREEK JV LLC (hereinafter referred to as "Holt" or "Developer," which terms include any successor to, or assignee of, Mill Creek JV LLC), WILFRED N ZILKE FAMILY TRUST (hereinafter referred to as "Zilke Trust"), WILFORD ZILKE AND MARJORIE ZIELKE, husband and wife (hereinafter referred to as Zilke), GARY WEBB TRUST hereinafter referred to as "Webb"), and BIRCHWOOD FARMS LLC, (hereinafter referred to as "Birchwood Farms"). Holt, the Zilke Trust, Zilke, Webb, and Birchwood Farms, and their assignees and successors in interest to the subject property may be referred to as the "Property Owners." The County and the Property Owners are the "Parties."

RECITALS

A. WHEREAS, the County has land use planning and permitting authority over unincorporated lands within its boundaries, and

B. WHEREAS, Holt, owns or has under contract to purchase from Zilke Trust, Zilke, Webb and Birchwood Farms, certain parcels of real property in unincorporated Clark County Washington with the following tax identification numbers: 181466000, 181548000, 181580000, 181581000, 181701000, 181702000, 986050146, and 98605147, and which are more particularly described in Exhibit A and incorporated by reference herein (together, the "Property"); and,

C. WHEREAS, the Property is subject to a comprehensive plan overlay designation of Urban Holding (UH), and a zoning overlay designation of Urban Holding-10 (UH-10), with underlying plan and zoning designations of Urban Low Density Residential (UL), and Single Family Residential (R1-7.5), respectively; and

D. WHEREAS, Holt and the County would like to further plan for the development of the Property with a unique and innovative design and a wide range of residential densities, advance

D. WHEREAS, Holt and the County would like to further plan for the development of the Property with a unique and innovative design and a wide range of residential densities, advance funding for transportation improvements, predictable infrastructure and regulations, and parks, trails and open spaces; and,

E. WHEREAS, This Agreement addresses the Comprehensive Plan criteria to lift the UH overlay from the Property and includes the Developer's agreement to satisfy the criteria. The County's approval of this Agreement represents the County Council's determination for the Property that the completion of localized critical links and intersection improvements are reasonably funded. In order for Developer to facilitate the items identified in this Agreement, Developer desires to obtain removal of the UH overlay designation and zoning from the Property so that development may occur thereon. In this regard, the removal of the UH overlay from the Property via a County ordinance will be processed concurrently with the approval of this Agreement; and,

F. WHEREAS, Holt and the County want to enable the Property to develop in a manner consistent with the Master Plan attached hereto as Exhibit B and incorporated by reference herein; and under the land use and development standards currently applicable to the Property (unless otherwise provided for in the Master Plan) and to allow for substantial environmental review to occur prior to development of the Property, including analysis of transportation impacts, recognizing that the State Environmental Policy Act encourages advanced environmental review and discourages piecemeal review; and,

G. WHEREAS, the County has the authority to enter into Development Agreements pursuant to RCW 36.70B.170 which provides, in part:

The Legislature finds that the lack of certainty of the approval of development projects can result in a waste of public and private resources escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies and regulations, and subject to conditions of approval, all is set forth in a development agreement, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic cost of development; and,

H. WHEREAS, for purposes of this Agreement, "Development Standards" includes, but is not limited to all of the standards listed in RCW 36.70B.170(3) and,

I. WHEREAS, the County and Holt wish to provide long-term predictability to both Holt and the County on various development issues through the implementation of this Agreement and its attendant Master Plan; and,

J. WHEREAS, Holt, the County, and others have collaborated over a number of years through a public-private partnership, to facilitate the implementation of the Comprehensive Plan

through the improvement of transportation infrastructure in the area of the 179th Street interchange with Interstate 5 (“179th Interchange Area”). This is an area which faces challenges to development and to fully implementing the Comprehensive Plan, because of congestion and a lack of capacity on existing local roadways and intersections, lack of access to underdeveloped properties, and resulting traffic safety problems. Each Party has dedicated significant resources to planning for that area, which provides a gateway to development of currently underutilized land in the 179th Interchange Area. It is necessary for the Parties to complete certain planning efforts in the area, so that public and private funding will be available to complete the needed infrastructure, and that development of the infrastructure can go forward. Completion of certain intersections and other transportation links in the area will further implement the Comprehensive Plan and allow certain properties to develop, thereby generating further resources for more transportation improvements, and addressing the continuing harm to the public because of the problems and challenges listed above. This Agreement will document the completion of planning relevant to the subject property, Holt’s contributions to the completion of certain infrastructure in the area, and the County’s assurances that Holt may proceed as set forth herein.

K. WHEREAS, Holt’s traffic engineer has prepared trip generation and distribution information based upon the expected development of the Property in accordance with the Master Plan (Exhibit B), and a copy of the trip generation estimates is attached hereto and incorporated herein as Exhibit E; and

L. WHEREAS, this Agreement addresses the Comprehensive Plan criteria to remove the UH plan and zoning overlays from the Property and includes Holt’s agreement to satisfy the criteria through the construction of or reasonable funding of the mitigation measures, including the critical links and intersections, identified in Exhibit D.

NOW, THEREFORE, based on the foregoing Recitals, the Parties agree as follows:

1. Development Agreement: Effective Date.

This Agreement is a Development Agreement to be implemented in accordance with RCW 36.70B.170 through RCW 36.70B.210. It shall become a contract among the Parties upon the later of (1) the date ten days after the day of the County’s approval by ordinance or resolution following a public hearing as provided for in RCW 36.70B.170, or (2) the date on which a fully executed version is recorded with the County Auditor (the “Effective Date”).

2. Duration of Agreement

- a. This Agreement shall take effect upon the Effective Date and shall terminate ten years thereafter; provided that, the ten-year period of effectiveness specified in this Agreement shall be tolled pending any appeals of this Agreement or of any county, state or federal land use decisions entitling Holt to commence or complete development of the Property.

- b. In recognition of the need for the Clark County Council (“Council”) to make a formal determination that the improvements needed to create transportation capacity sufficient to accommodate the trips generated by the Master Plan, including the critical links and intersections as provided for in the Comprehensive Plan, are reasonably funded; and in recognition that removal of the current Urban Holding overlays must occur before development of the Property may occur; and recognizing that at the time this matter comes before the Council the final funding package for the critical links and intersections may not yet be adopted, the Parties agree that the County shall remove the Urban Holding designations from the Property upon the effective date of the Council’s adoption of an ordinance determining that the improvements needed to create transportation capacity sufficient to accommodate the trips generated by the Master Plan, including the critical links and intersections in the 179th Interchange Area, are reasonably funded within six years, as required by the Comprehensive Plan; provided, however, that the County has no obligation to adopt such an ordinance.

3. Vesting

- a. Except as set forth in Section 3.b, below, any land use application submitted with respect to the Property during the term of this Agreement, shall be vested to the zoning and land use regulations applicable to the Property on the Effective Date.
- b. Section 3.a, above, does not apply to the following applications for development permits:
 - i. Subject to Section 3.b.iv, below, an application for development of the Property that would generate more trips than indicated in Section 7 of this Agreement is governed by zoning and land use regulations and any other Development Standards in accordance with the Clark County Code in effect when the fully complete application is submitted;
 - ii. Subject to Section 3.b.iv, below, an application for a building permit is governed by the state or local building codes in effect when a fully complete application for a building permit is submitted;
 - iii. A critical area review in connection with a development application must be done in conjunction with that application and all applicable critical area regulations in effect when the fully complete application is submitted govern the application;
 - iv. An application for development is subject to stormwater regulations pursuant to the National Pollution Discharge Elimination System under the Federal Clean Water Act and Washington State law (NPDES) that are in effect at the time specified by the NPDES Phase I Municipal Stormwater Permit (“Stormwater Permit”) issued to Clark County, if any, or at the date of final engineering approval by the County.

- c. Any land use approvals granted under the pendency of this Agreement shall expire on the dates provided for in the applicable development regulations of the County in effect at the time of this Agreement, or at the expiration of this Agreement, whichever date occurs later in time; except that approvals governed by the regulations described by section 3.b above shall expire on the dates provided for in the regulations in effect at the times set forth in section 3.b, or at the date specified in the Stormwater Permit, if applicable. Pursuant to RCW 36.70B.170(4), the County reserves the authority to impose new or different regulations to the extent required by a serious threat to public health and safety.

4. Conceptual Master Plan

- a. Attached as Exhibit B and incorporated by reference herein, is a master plan for the Property (the "Master Plan"). A detailed demonstration of how the Master Plan satisfies certain criteria provided for in CCC 40.520.080 is attached hereto as Exhibit C. The design of the Master Plan is unique and innovative through its "front loading" of transportation mitigation, its blending and transitioning of density both within and outside of the Property, its provisions for trails and open space (in excess of 15% of the Property area) and the trails' and open space's relationship to, protection of and integration with existing critical areas on the Property. The Master Plan provides for a variety of housing types and lot sizes. The Master Plan will provide the Parties with predictability regarding certain aspects of the future development of the Property, including access locations on to public streets and any associated offsite improvements related to transportation. The County finds and agrees that the Master Plan satisfies the provisions of CCC 40.520.080.C.4.d and CCC 40.520.080.D.1-3; provided that Holt must submit architectural plans that are acceptable to the County pursuant to CCC 40.510.050-1.9.c(2)(m) in conjunction with an application for PUD approval as set forth in subsection (b).
- b. Holt shall submit an application for a PUD that complies with the PUD ordinance's application requirements. Holt's application for preliminary plat approval and PUD approval may be filed and the County will process such applications upon execution of this Agreement. No public hearing or decision shall be made on any applications until the County removes the Urban Holding designation from the Property. Concurrently with the County's review of any preliminary plat applications and PUD applications, Holt may submit engineering plans to the County and the County shall review those plans in its normal course.
- c. If a preliminary plat is approved with design or conditions that are different from the concurrently submitted and reviewed final engineering plans, then Holt shall resubmit engineering plans that conform to the preliminary plat approvals. Any costs associated with such changes shall be the responsibility of Holt. While the County agrees to allow concurrent review of land use applications and final engineering, nothing herein shall be construed to require the County to provide expedited review

that is different from the county's usual timelines for an application for land use or engineering review.

- d. No final engineering approval shall be granted until the Urban Holding designation has been removed from the Property and a preliminary plat application has been approved. The application shall be processed as a Type III land use application and reviewed by the County. The application shall be substantially similar to the Master Plan. Any aspects of a land use application relating to the Property that are not substantially similar to the Master Plan shall be reviewed under the applicable regulations as if no Master Plan had been approved. Architectural submittals under CCC 40.510.050-1.9.c(2)(m) shall be submitted and reviewed in conjunction with the application for a PUD. Any approval criteria not addressed and found satisfied in this Agreement shall be addressed during the PUD application and decision process.
- e. Except as set forth in Section 3, above, future development of the Property is subject to the applicable provisions of the Clark County Code as of the Effective Date, and must be generally consistent with the Master Plan.

5. **Effect on Fees or Charges**

As provided for in RCW 36.70B.180, and except for those development standards described in Section 3.b, above, during the term of this Agreement, the development standards to which the Property is subject pursuant to this Agreement shall not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning ordinance or development standard or regulation adopted after the Effective Date. Provided, however, that the vesting granted by this Agreement shall not apply to impact fees, taxes, or permit application fees, which shall be determined or calculated consistent with the County's provisions applicable on the date such fee, charge or tax is triggered. As provided for in Ch. 36.70B RCW, the County reserves the right to impose new standards or changes in development regulations to the extent required by a serious threat to public health and safety.

6. **SEPA**

Pursuant to the State Environmental Policy Act (SEPA), piecemeal environmental review is to be discouraged. As such, the Parties wish for SEPA review to be accomplished as part of the Agreement for as many of the Property's potential adverse environmental impacts as can be reasonably analyzed, based upon current information contained within the SEPA checklist submitted with this Agreement, including, but not limited to, the traffic study, GIS data as to the general presence of wetlands on some portions of the Property and off site storm water impacts. This review is done under the Consolidated Review provisions of SEPA. The SEPA checklist attendant with this Agreement identifies various potential adverse impacts including transportation, parks, wetlands sewer, water and storm water. The Checklist also identifies a variety of technical reports or information that provides a basis for

the proposed mitigation or partial mitigation of these impacts. It is the intent of this Agreement and its attendant SEPA process, to have the County issue a Threshold Determination (as that term is utilized in RCW 43.21C) on the identified conceptually proposed impacts of the development of the Property. Uses and impacts that are identified at future stages of the development, i.e., preliminary plat approval or PUD approval, that have been previously analyzed through this or other SEPA processes, shall not be re-analyzed as long as the future identified adverse impacts are substantially similar to and of the same or less intensity as those previously analyzed under this or other SEPA processes. Any probable significant adverse environmental impacts of the Property's future proposed development that have not been analyzed under the SEPA process attendant with this Agreement or previously through some other lawful SEPA process, shall be undertaken at the time of such future development.

7. Transportation

Kittelson and Associates Transportation Engineers and the County have analyzed the transportation impacts of the full development (based upon the Master Plan in Exhibit B) of the Property as identified in the traffic study. Based upon the Master Plan, the Property at full development will increase the existing number of PM peak hour trips on the transportation system by 657 PM peak hour and 6346 average daily trips. Based upon Kittelson's and the County's analysis, the future development of the Property shall be conditioned upon the construction of, or the reasonable funding within six years of, the critical links and intersections provided for in the Comprehensive Plan and the other mitigation measures provided for in Exhibit D, which is attached hereto and incorporated by reference herein. The Property shall be vested during the term of this Agreement with 657 PM peak hour, 498 AM peak hour and 6346 average daily trips and no additional off site transportation mitigation or analysis will be required during the term of this Agreement; provided, however, that in the event Holt proposes uses or intensities of uses that would cause the total number of PM Peak or Average Daily trips to exceed the number of trips analyzed as part of this Agreement, then the County may require, and Holt shall provide, additional transportation analysis and lawful mitigation for those increased trips. The transportation vesting provided for in this Section shall be subject to the mitigation measures and the timing provided for in Exhibit D. Some of the transportation improvements may be on the County's Transportation Capital Facility Plan. Holt or successor in interest to the Property, upon construction of such qualifying transportation improvement, shall be eligible to apply for Transportation Impact Fee Credits, but only if such improvements are eligible for Credits under the County's applicable Capital Facilities Plan and Transportation Impact Fee programs.

8. Advance Payment Of TIF/Surcharge

- a. To increase the County's ability to fund and construct certain transportation improvements in the area which will provide systemic benefits in excess of the impacts that will be created through the implementation of the Master Plan, Holt

agrees to accelerate the manner in which Holt or a successor in interest to the Property would pay Transportation Impact Fees (“TIFs”). Holt shall pay TIFs associated with the Property based upon the TIF rate applicable at the time this Agreement becomes effective. In addition to the payment of TIF, Holt shall also pay the Surcharge as described below. Instead of paying TIFs at the time of individual building permits, (as is currently provided for by the County’s code), Holt, or its successor in interest agrees to the following permit application and TIF payment schedule.

- b.** Holt shall submit a fully complete application, (or if deemed incomplete, submit materials to achieve fully complete status within 28 days of the determination that the application is not fully complete), for preliminary plat approval for at least 150 lots prior to February 15th, 2020. Assuming Holt receives preliminary plat approval and no appeal is filed, Holt shall pay within 30 days of receiving said preliminary plat approval the sum of \$3025 for each lot receiving preliminary plat approval. Holt shall submit a fully complete application, (or if deemed incomplete, submit materials to achieve fully complete status within 28 days of the determination that the application is not fully complete), for preliminary plat approval for at least 150 additional lots prior to February 15th, 2021. Assuming Holt receives preliminary plat approval and no appeal is filed, Holt shall pay within 30 days of receiving said preliminary plat approval the sum of \$3025 for each lot receiving preliminary plat approval. Holt shall submit a fully complete application, (or if deemed incomplete, submit materials to achieve fully complete status within 28 days of the determination that the application is not fully complete), for preliminary plat approval for at least 150 additional lots prior to February 15th, 2022. Assuming Holt receives preliminary plat approval and no appeal is filed, Holt shall pay within 30 days of receiving said preliminary plat approval the sum of \$3025 for each lot receiving preliminary plat approval. Holt shall submit a fully complete application, (or if deemed incomplete, submit materials to achieve fully complete status within 28 days of the determination that the application is not fully complete), for preliminary plat approval for at least 91 additional lots prior to February 15th, 2023. Assuming Holt receives preliminary plat approval and no appeal is filed, Holt shall pay within 30 days of receiving said preliminary plat approval the sum of \$3025 for each lot receiving preliminary plat approval.
- c.** Holt shall submit an application for final plat approval for at least 150 lots prior to November 1st, 2020. Assuming Holt receives final plat approval, Holt shall pay \$3025 for each lot receiving final plat approval. Holt shall submit an application for final plat approval for at least 150 additional lots prior to November 1st, 2021. Assuming Holt receives final plat approval, Holt shall pay \$3025 for each lot receiving final plat approval. Holt shall submit an application for final plat approval for at least 150 additional lots prior to November 1st, 2022. Assuming Holt receives final plat approval, Holt shall pay \$3025 for each lot receiving final plat approval. Holt shall submit an application for final plat approval for at least 91 additional lots

prior to November 1st, 2023. Assuming Holt receives final plat approval, Holt shall pay \$3025 for each lot receiving final plat approval

- d. In addition to the TIF, each building permit for each lot developed upon the Property, shall pay an additional surcharge (the "Surcharge") in the amount of \$3,500 per lot. The Surcharge shall be paid at the time of the issuance of the building permit.
- e. Regardless of the provisions of Sections 8.b, 8.c, and 8.d above, Holt agrees that by December 31, 2023, if the combined amount of TIF and Surcharge paid by Holt is less than \$2,900,000, then Holt shall, on or before December 31st, 2023, pay to the County the difference between what Holt has paid in combined TIF and Surcharge and \$2,900,000 (the "Gap Amount"). The Gap Amount shall be applied in the future to subsequent preliminary plat, final plat or building permit applications on the Property as pre-paid TIF or prepaid Surcharge. Nothing in this Agreement limits to \$2,900,000 Holt's total obligations to pay TIF, Surcharge, or combined TIF and Surcharge that may arise from the Property's future development approvals.
- f. Notwithstanding any other provision of Section 8 of this Agreement relating to the timing of the submission of a preliminary plat application or the submission of a final plat application, Holt shall not have to submit any of the applications referenced in Section 8 of this Agreement, provided Holt makes the payment that otherwise would be due if such application had been submitted and approved by the dates set forth in Section 8. Nothing in this paragraph shall be construed to alter the dates upon which such payments shall be made to the County as provided for in this Agreement, regardless of whether Holt submits any land use applications.
- g. If Developer fails to timely make any payment due pursuant to Section 8 of this Agreement, Developer may not submit, and County may not accept or process, any further land use or permit application relating to development of the Property until all payments then due in accordance with Section 8 have been fully made.
- h. Subject to the provisions of Section 8(e), nothing herein shall prevent Holt from applying for and receiving preliminary plat approval for more lots earlier in time than provided for in subsection 8(b) above. Provided, however, that if Holt does apply for and receive preliminary plat approval for more than 150 lots prior to August 15th 2020; 300 lots prior to August 15th, 2021, 450 lots prior to August 15th 2022, or 541 lots prior to August 15th 2023, Holt shall pay the per lot fee identified in subsection 8(b) by the dates and for the number of lots set forth in sub-paragraphs 1-4 below:
 - (1) August 15th 2020, based upon 150 lots if 150 lots or more have received preliminary plat approval;
 - (2) August 15th 2021, based upon 300 lots if 300 lots or more have received preliminary plat approval;

(3) August 15th 2022, based upon 450 lots if 450 lots or more have received preliminary plat approval; and

(4) August 15th, 2023 based upon 541 lots if 541 lots have received preliminary plat approval.

The amount of TIF owed under section 8(b) that has not been paid for a lot receiving preliminary plat approval pursuant to this subsection shall be paid at the time of final plat approval for that lot.. Within 30 days of the full execution of this Agreement, Holt shall post security in the form of a bond from a reputable bonding company or some other form of security acceptable to the County and Holt (the "Security"). The amount of the Security shall be 2.9 million dollars which, in addition to securing Holt's payment of TIFs or Surcharge payments as provided for in this Section 8, shall also cover any and all losses, penalties, fees, expenses, and/or interest incurred by the County as a result of Holt's nonperformance of its obligations as provided for in this Section 8.

- i. No Party to this Agreement other than Holt, or a successor or assignee of Holt, shall have any obligation under this Agreement that is expressly stated herein as an obligation of Holt. Only Holt, among the Property Owners, is bound by the terms of Section 8; the County shall not seek to enforce, whether through liens, judgments or foreclosure, any of Holt's obligations under this Agreement against Zilke, the Zilke Trust, Birchwood Farms or Webb, or its respective portions of the Property, while that Party remains the owner of that portion of Property,
- j. Lots created and approved on the Property in excess of 541 lots are not subject to the pre-payment provisions of Section 8; Holt shall pay TIF and Surcharge, in the total amount of \$9,550 for each lot in excess of 541 lots, at the time of building permit issuance.

9. Amendment

The Parties may agree to any amendments to this Agreement to facilitate necessary infrastructure improvements and other matters; provided, however, that this Agreement may only be amended by mutual, written agreement of the Parties that is approved by the Clark County Councilors pursuant to a Type IV legislative process as set forth in the Clark County Code.

10. Miscellaneous

- a. Failure by any Party at any time to require performance by another Party of any of the provisions hereof shall in no way affect the Parties' rights hereunder to enforce the same, nor shall any waiver by any Party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this non-waiver clause.

- b. This Agreement shall be construed with, and governed by, the laws of the State of Washington. The Parties agree to venue in the Superior Court for Clark County, State of Washington, to resolve any disputes that may arise under this Agreement.
- c. If any portion of this Agreement shall be invalid or unenforceable to any extent, the validity of the remaining provisions shall not be affected thereby.
- d. This Agreement is assignable, and, except as provided in Section 8, shall run with the land and be binding upon and inure to the benefit of the Parties, their respective heirs, successors and assigns. This Agreement shall be recorded.
- e. The recitals contained herein are agreed to state binding obligations of the Parties, as their terms provide.

Grantor:

RENAISSANCE CUSTOM HOMES LLC, an Oregon limited liability company

Grantee:

GARY F. WEBB TRUST, Gary F. Webb, Trustee

Legal Description:

That portion of the Northwest quarter of the Northeast quarter of Section 13, Township 3 North, Range 1 East of the Willamette Meridian, Clark County, Washington, *continued on Exhibit A.*

Assessor's Tax Parcel ID Number(s):

181701-000; 181702-000

NON-MERGER DEED IN LIEU OF FORECLOSURE

Title to the real property herein described is vested in fee simple in Renaissance Custom Homes LLC, an Oregon limited liability company and ("Grantor"), subject to the lien of a Deed of Trust dated March 19, 2008 and recorded April 4, 2005, 2008 in the Records of Clark County, Washington, in Auditor's File No. 3968416 ("Deed of Trust"). The beneficiary of the Deed of Trust is Gary F. Webb Trust ("Grantee"). The Deed of Trust secures certain obligations owed by Grantor to Grantee pursuant to a Real Estate Sales Agreement (as amended from time to time), a Promissory Note, and a Personal Guarantee of Randy Sebastian (together with the Deed of Trust, the "Agreements").

Under the Agreements, \$883,716.48 is due and payable; together with \$18,648.17 in property taxes paid by Webb Trust; attorney fees and costs; accrued interest to date, and other costs and expenses to which Grantee is entitled thereunder.

The Deed of Trust is in default and subject to immediate foreclosure. Grantor is unable to pay the indebtedness and desires to avoid foreclosure proceedings. Grantor therefore desires to give an absolute deed of conveyance of said property and satisfaction of the indebtedness secured by said Deed of Trust.

Grantee agrees to accept such conveyance upon the terms and conditions hereinafter stated.

NOW, THEREFORE, in consideration of the cancellation of the debt and all evidence of indebtedness secured by said Deed of Trust, Grantor does hereby grant, bargain, sell and convey to Grantee all of the real property located in Clark County, Washington, described on Exhibit A hereto, SUBJECT TO a Residential Lease Agreement dated April 28, 2006 between The Management Group, Inc. as agent for Lessor and Charles and Jill Holt as Lessees; and any and all liens and encumbrances of record.

Grantor covenants that:

This deed is absolute in legal effect and form, conveys fee simple title to the premises herein described to Grantee, terminates Grantor's redemption rights to the real property (if any) or other right or interest of Grantor or anyone claiming through or under Grantor, and does not operate as a mortgage, trust, conveyance or security of any kind;

Grantor surrenders possession of the real property to Grantee;

Grantor warrants and hereby agrees to forever defend the title to the real property against all claims and demands of all persons, other than the liens and encumbrances of record;

This deed does not effect a merger of the fee ownership of the real property and the lien of the Deed of Trust described above, whether Grantee is now or hereafter may be the owner or holder of such lien or security interest. The ownership of the real property and the liens of the Deed of Trust, together with any other liens and security interests now or hereafter owned

or held by Grantee, shall hereafter remain separate and distinct. This deed does not preclude Grantee from continuing or instituting any action, suit or proceeding to foreclose the Deed of Trust or other security interest should Grantee deem it appropriate; provided, however, that by accepting this deed, Grantee covenants and agrees that Grantee shall forever forbear from taking any action whatsoever to collect against Grantor or Randy Sebastian on the Agreements or any other obligation secured by the Deed of Trust;

In executing this deed, Grantor is not acting under any misapprehension as to the effect thereof, nor under any duress, undue influence or misrepresentations by Grantee, its agents or attorneys;

The true and actual consideration for this transfer, stated in terms of dollars, is none. The consideration consists of the release of Grantor's liability under the Agreements described above.

IN WITNESS WHEREOF, Grantor has executed this deed as of this 29 day of December, 2008.

PERSONAL REPRESENTATIVE'S DEED

1. **GRANTOR.** The undersigned, WILFRED N. ZILKE, is the duly appointed, qualified and acting personal representative of the Estate of H. MARJORIE ZILKE, Deceased.

2. **ESTATE.** H. MAJORIE ZILKE died on the 5th day of April, 1995. The Last Will and Testament of H. MARJORIE ZILKE dated September 4, 1990, was admitted to probate on May 5, 1995 and Grantor was appointed personal representative in the State of Washington, Superior Court of Clark County in Cause No. 95-4-00389-4.

3. **NONINTERVENTION POWERS.** By Order of Solvency entered in said probate proceedings on June 23, 1995, Grantor was authorized to settle the estate without further court intervention or supervision.

4. **DESCRIBED REAL PROPERTY.** Included among the property of the Estate of H. MARJORIE ZILKE, was the decedent's interest in real property located in Clark County, Washington and legally described as the easterly 20.35 acres being situate in Clark County, Washington, more particularly described as follows:

See Exhibit "A" annexed hereto and hereby incorporated herein.

5. **CONVEYANCE.** Grantor, Estate of H. MARJORIE ZILKE, hereby conveys and quitclaims to the WILFRED N. ZILKE FAMILY TRUST, the real property herein described representing the estate's interest in the described real property together with all after-acquired title of the Grantor therein.

DATED this 27th day of October, 1996.

Wilfred N. Zilke
WILFRED N. ZILKE, Personal Representative
of the Estate of H. Marjorie Zilke, Deceased,
and not in his individual capacity.

141

STATE OF WASHINGTON)
 : ss.
County of Clark

On this 29th day of October, 1998, before me, the undersigned, a Notary Public in and for the State of Washington, duly commissioned and sworn, personally appeared WILFRED N. ZILKE, to me known to be the person who signed as Personal Representative of the Estate of H. MARJORIE ZILKE, Deceased, and who executed the within and foregoing instrument and acknowledged said instrument to be his free and voluntary act and deed for the uses and purposes therein mentioned; and on oath stated that he was authorized to execute the said instrument as Personal Representative of said Estate.

IN WITNESS WHEREOF I have hereunto set my hand and official seal the day and year first above written.

Debra L. Martian
NOTARY PUBLIC for Washington,
residing at Vancouver therein
My Commission Expires: 9/21/2000

EXHIBIT "A"

The East 20.35 acres of the following described Tract:

Tract Description

The Southeast Quarter of the Southeast Quarter of Section 12, Township 3 North, Range 1 East of the Willamette Meridian, Clark County Washington.
Excepting therefrom the East 330 Feet of said Tract;
Excepting therefrom that portion of said Tract lying within N.E. 179th Street;
Excepting therefrom that portion of said Tract conveyed to Donald J. Orange et ux, by deed recorded under Auditor's File No. 8405220011 records of Clark County Washington.

(end Tract Description)

Said 20.35 acres being the East 20.35 acres of that certain parcel conveyed to Wilfred N. Zilke and H. Marjorie Zilke by deed recorded under Auditor's file No. 8306140153 records of Clark County Washington.

All vital records are considered as received. Changes must be made by affidavit. An item may be changed by affidavit only once. Subsequent changes must be made by court order.

Birth Certificates

1. Only a parent, legal guardian or the adult (18 or older) may change the birth certificate.
2. All changes must be established by documentary proof submitted with the affidavit. The proof(s) must match exactly the asserted true fact(s). For example, if the affidavit says the name is Mary Ann Doe, then the proof must show the name to be Mary Ann Doe, Mary A. Doe or M.A. Doe does not prove the name is Mary Ann Doe.
3. The proof(s) for names must be for a minor's years old, while proof(s) for dates, places, or ages must have been established within five years of birth.
5. Examples of acceptable documents of proof:

Hospital Certificate	Marriage Record	School Record
U.S. Census Record	Medical Record	Voter's Registration Card
Hospital Records	Military Record	if it bears an effective date
Insurance Records	Your Child's Birth Record	
6. Surname changes require a certified copy of a court ordered name change, except for minor spelling changes may be made with an affidavit and documentary proof.
7. Parents may change their child's given name with only their signature until the child's 18th birthday.

Death Certificates

1. Only the informant, the funeral director, or executor/administrator (if evidence confirming such position is presented) may change the non-medical information.
2. The medical information (cause of death) may be changed only by the attending physician or the coroner/medical examiner.
3. Routine changes will normally be made only during the first year after death. Other changes will be made only for legally important reasons (property, inheritance, etc.) and must be approved by the State Registrar.

Marriage/Dissolution (Divorce) Certificates

1. Personal fact (minor spelling changes in name, date of birth or residence) may be changed by affidavit plus proof by the person. See description of proofs in outline above.
2. Following the date of marriage or dissolution, the officiant (marriage) or clerk of court (dissolution) must sign the affidavit.

Exhibit C

MILL CREEK MASTER PLAN NARRATIVE

Background

The Master Plan for the Mill Creek Planned Unit Development consists of Parcels #181466-000, 181581-000, 181548-000, 181701-000, 181702-000 and 181580-000 and is located in the general vicinity of NE 179th Street and NE 50th Avenue. All of the master Plan's parcels are zoned R1-7.5. The total area of the Master Plan is approximately 144 acres. A mix of home types and lot sizes are proposed. The proposed residences include attached and detached homes with lot sizes primarily in three categories: 2,000 to 5,000 square feet; 6000 – 8,000 square feet; and 8,001 to 12,000 square feet.

The proposed Master Plan contains approximately 28 acres of active and passive recreational areas, which comprise approximately 23% of the net site area. The open space areas will be owned and maintained by a Home Owner's Association. Street trees, street lighting, trails and parks will be present throughout the project. The above project design elements were incorporated into the project by the Applicant to further the goals of the County's PUD ordinance and to demonstrate compliance with it.

The Master Plan property is well over six acres in size and zoned R1-7.5; thus eligible to utilize the County's PUD provisions. The proposed residential uses for the Master Plan are uses permitted in the R1-7.5 zone. No structures in the Master Plan will exceed the building heights allowed in the R1-7.5 zone and the Master Plan proposes approximately twenty-eight acres of open space. This exceeds the minimum open space requirement of twelve percent by several percent.

The open spaces is comprised of both active and passive recreational areas. While storm water facilities will be generally located along the wetland areas, they will not be used to count toward the open space requirements of the PUD, unless they are incorporated into the overall PUD design and not fenced. The active park areas will include many of the features identified in the PUD code. All open spaces will be conveyed to a home owners association that will be created prior to the recording of the first final plat approval. All streets within the Master Plan will provide street trees and street lighting as required by the PUD code.

The following demonstrates in more detail how the proposed Master Plan attendant to the Development Agreement satisfies the PUD approval criteria. Reference to the Master Plan and its tables and pod locations in conjunction with this narrative is essential to understanding how the proposed project complies with the applicable PUD criteria. The Master Plan does not seek a density bonus even though allowed under the County's PUD code.

Analysis

Prior to preliminary approval of the proposed PUD, the Hearing Examiner or the responsible official must find that the following three (3) conditions exist:

- 1. Alternate designs proposed will provide a plan equal or superior to the standard being varied.*

Exhibit C

All of the parcels in the master Plan are zoned R1-7.5. If the property is developed under its current zoning, without the use of a PUD, the project would consist of several hundred units with a fairly uniform lot size of approximately 7500 square feet. The proposed Master Plan, utilizing the PUD standards, allows for a variety of housing types; including attached and detached homes. If the project utilizes the County's PUD standards as depicted in the Master Plan, the project will include a broad range of densities, home styles, home sizes and lot sizes. Development of the project as a PUD, consistent with the Master Plan, will provide homes to a larger demographic and create a more socially and architecturally diverse neighborhood. The critical areas will be preserved in open space tracts which will contain trails, viewing, and seating areas.

The parks and opens spaces will be combination of active and passive recreation opportunities that will be constructed concurrently within phases of the PUD as it is developed. The PUD's total open space and park area will exceed twenty (20) acres in size. This minimum amount of open space far exceeds the County's PUD requirement of twelve percent (12%) open space.

The active park areas will include a broad range of elements designed to support use and enjoyment by people all ages. These elements will include nature play, picnic areas and other elements that provides multiple active recreational opportunities. Features such as Botchy Ball, active soft and hard scape play areas and other recreational amenities will be included in the PUD. Passive recreation areas will include trails and pathways that connect the residents with the natural resources, way points, interpretative features, benches and viewing locations throughout the PUD. Parks and open spaces will be connected by trails, paths and multi modal routes and will strive to achieve connectivity to future routes outside of the community. Holt will engage and seek input to its final parks and open space plan with the Clark County Parks department as part of the PUD approval process. The timing of parks and open space development and dedication shall be determined at the time of PUD approval.

Park areas with typical improvements are proposed in the interior of the project. Sidewalks and trails will link the open space and park areas to the various neighborhoods within the community.

- 2. Through lot size, setbacks, building orientation, and screening, the proposed PUD shall provide a gradual transition adjacent to lower density neighborhoods or nonresidential uses.*

The Master Plan was designed to preserve critical areas and be compatible with the adjacent parcels' zoning. The lower density portions of the Master Plan are located along the perimeter of the site. The Master Plan generally transitions from lower density on the perimeter to higher density in the interior and along the critical areas and arterials. In general, the density standards on the Master Plan's perimeter are consistent with the adjoining parcels' zoning or there is a major roadway (50th Avenue or 179th Street) located between the Master Plan and neighboring parcels. A more detailed description of the how the Master Plan furthers the goals and complies with the approval criteria of the PUD ordinance is contained below. A minimum ten foot (10') rear yard setback will apply to all lots on the perimeter of the PUD. Again, viewing the Master Plan concurrently with review of this narrative is essential to understanding how the Master Plan complies with the PUD criteria.

The Master Plan has frontage on both NE 179th Street and NE 50th Avenue. The parcels south of NE 179th Street are surrounded by R1-7.5 zoning which requires a minimum lot size of 7500 square feet. Under the R1-7.5 zoning standards, if critical areas exist within a proposed subdivision, the density transfer

Exhibit C

provisions of Clark County's Code allows lot sizes in the 6000 square foot range. B pod standards are proposed for these southern parcels, which are equivalent to the surrounding parcels zoning and could be achieved without the use of a PUD.

Some of the Master Plan is located to the north of NE 179th St. and is adjacent to NE 179 Street and NE 50th Avenue. There are 10 parcels (all zoned R1-7.5) that are not part of the Master Plan and which are located between the Master Plan and the surrounding roads. B and C pods are proposed for the portions of the Master Plan that abut these parcels; thus this portion of the Master Plan will be equivalent or slightly less dense than the surrounding parcels and will serve as a transition to the higher densities in the interior of the Master Plan.

The existing zoning on the west side of the Master Plan is R1-7.5, except for the R1-10 zoned property on the northwest side of the Master Plan. B pods are proposed along the entire west side of the proposed Master Plan. As discussed earlier, the B pod densities are equivalent to R1-7.5 zoning. The nearby R1-10 zoned parcels do carry a lower density, but they are separated from the Master Plan by a 250 foot wide BPA right of way that will act as a buffer along those properties. The BPA right of way continues to the south to NE 179 St. and serves as a substantial buffer for the entire west side of the Master Plan.

The property to the east of the Master Plan, across NE 50th Avenue is outside of the Urban Growth Boundary (UGB) and zoned R-5. Densities within an urban zoned project cannot be consistent with properties outside of the UGB and comply with urban zoning standards. An A pod is proposed along the road frontage of NE 50th Ave., a designated Minor Arterial, as it's appropriate to site higher densities along higher volume roadways. Landscape buffers will be provided as well as street trees and landscape strips along the road frontage which will serve as a buffer to the roadway.

The properties on the west half of the north side of the Master Plan are zoned R-5 and not in the UGB. B pods are proposed adjacent to the parcels with R-5 zoning. As discussed above, there will be less similarity in lot size and densities in this area because of the UGB. A road is proposed along the north boundary of the property on the east and west sides of the central critical area that runs through the Master Plan. Along with the buffer of space that the street provides, landscape buffers street trees and landscape strips along the road frontage will provide additional buffering to the properties to the north.

The properties on the east half of the north side of the Master Plan are zoned R1-20. Approximately one half of the R1-20 zoning will abut the stream corridor and the associated buffer that lies within the Master Plan in this area. A street is proposed along the project boundary for the remaining area. Along with the buffer of space that the street provides, landscape buffers street trees and landscape strips along the road frontage will provide additional buffering to the properties to the north. The density of the Master Plan in this area will follow a logical transition from the R1-20 zoning lying north of the Master Plan to the street and then then to the larger C pods and finally to the higher densities in the interior of the Master Plan.

- 3. The applicant proposes design features that may include, but are not limited to, designs centered on protected natural areas, front porches/recessed garages, pedestrian-friendly orientation, benches/gazebos, water features, recreational areas, stormwater systems designed as features, and affordable housing.*

Exhibit C

There are two stream corridors within the Master Plan that generally have a north to south orientation. Both areas contain critical areas and will be preserved and protected in open space tracts. Trails are proposed in the outer edges of these open space areas, as well as benches and sitting areas. All homes within the Master Plan will have direct pedestrian access to sidewalks with ultimate connections to the trail system and to transit opportunities along 179th Street. This will provide for both active and passive recreation and opportunities for educational signage relating to the natural environment. These trails will be linked to the internal network of trails and sidewalks which will also connect to the more active park areas. The design and location of the proposed trail crossing on 179th Street will be determined at the time of the development of the first phase of the PUDs development that is adjacent to 179th Street in the general location of the trail crossing as depicted on the Master Plan. The County's approval shall be required for such crossing. Three more active park areas are proposed within the Master Plan which will have either nature play elements or play structures.

Conclusion

Under the Code, the purpose of a PUD is to provide flexibility in design and creative site planning. While increased density is allowed, the Master Plan does not create more density for the proposed project than would otherwise be allowed under the R1-7.5 zoning. The Master Plan complies or has obligations to comply with all of the provisions of CCC 40.520.080(A), (B) and (C). The Master Plan as designed satisfies the approval criteria provided for in CCC 40.520.080(D)(1), because it provides a much superior design than could be achieved through a non PUD project utilizing the property's R1-7.5 zoning. This superior design includes a much broader range of lot sizes, transitions of density, a broader range of housing types and far more active and passive open spaces than would be required with a standard R1-7.5 subdivision.

The Master Plan as designed satisfies the approval criteria provided for in CCC 40.520.080(D)(2), because the Master Plan contains a variety lot sizes and areas of densities that are logically placed to achieve a compatible transition from the surrounding properties to the more dense areas of the Master Plan. Moreover, the Master Plan utilizes transmission corridors, natural areas and roads to further buffer surrounding development.

The Master Plan as designed satisfies the approval criteria provided for in CCC 40.520.080(D)(3) because the Master Plan includes design features such as trails, protected natural areas, pedestrian friendly orientation, benches/gazebos, and recreational areas.

Exhibit D – Mitigation Measures

Development of the Mill Creek PUD is predicated on several planned transportation improvements being constructed or reasonably funded within six years involving the NE 179th Street corridor between I-5 and NE 15th Avenue to the west to which the PUD applicant will be contributing financially. Assumed improvements include:

1. Completion of NE 10th Avenue between NE 154th Street and NE 164th Street (currently under construction by Clark County)
2. Reconfiguration of the I-5 Northbound off-ramp/NE 179th Street intersection to provide:
 - two northbound left-turn lanes and two northbound right-turn lanes; and
 - two westbound through lanes and a separate westbound right-turn lane to the I-5 northbound on-ramp
3. Widening and completion of NE 15th Avenue between NE 179th Street and NE 10th Avenue to an ultimate improvement width (providing two westbound and two eastbound through travel lanes between the I-5 Northbound off-ramp/NE 179th Street intersection and NE 15th Avenue);
4. Construction of a new multi-lane roundabout on NE 179th Street approximately midway between NE 15th Avenue and the I-5 Northbound off-ramp;
5. Construction of a new multi-lane roundabout on NE 179th Street at NE 15th Avenue (replacing the existing traffic signal);
6. Construction of NE 15th Avenue between the new roundabout on NE 179th Street at NE 15th Avenue and NE 10th Avenue (allowing for termination of the existing NE 10th Avenue connection to NE 179th Street); and
7. Termination of Union Road at NE 179th Street through provision of alternative access for properties along Union Road south of NE 179th Street.

The following improvements at the proposed roadway connections to NE 50th Avenue and NE 179th Street are required for implementation in conjunction with site development:

1. A stop sign will be installed on each of the new public site roadway approaches to NE 50th Avenue and NE 179th Street. The stop signs should be installed in accordance with Clark County standards and the *Manual on Uniform Traffic Control Devices (MUTCD)*.
2. Left-turn lanes will be provided on NE 179th Avenue at each of the three site public roadway connections to NE 179th Avenue. The turn lanes should provide at least 50 feet of storage.
 - Provision of an eastbound left-turn lane at the central site access on NE 179th Street (Intersection B) may require off-site right-of-way acquisition to accommodate the

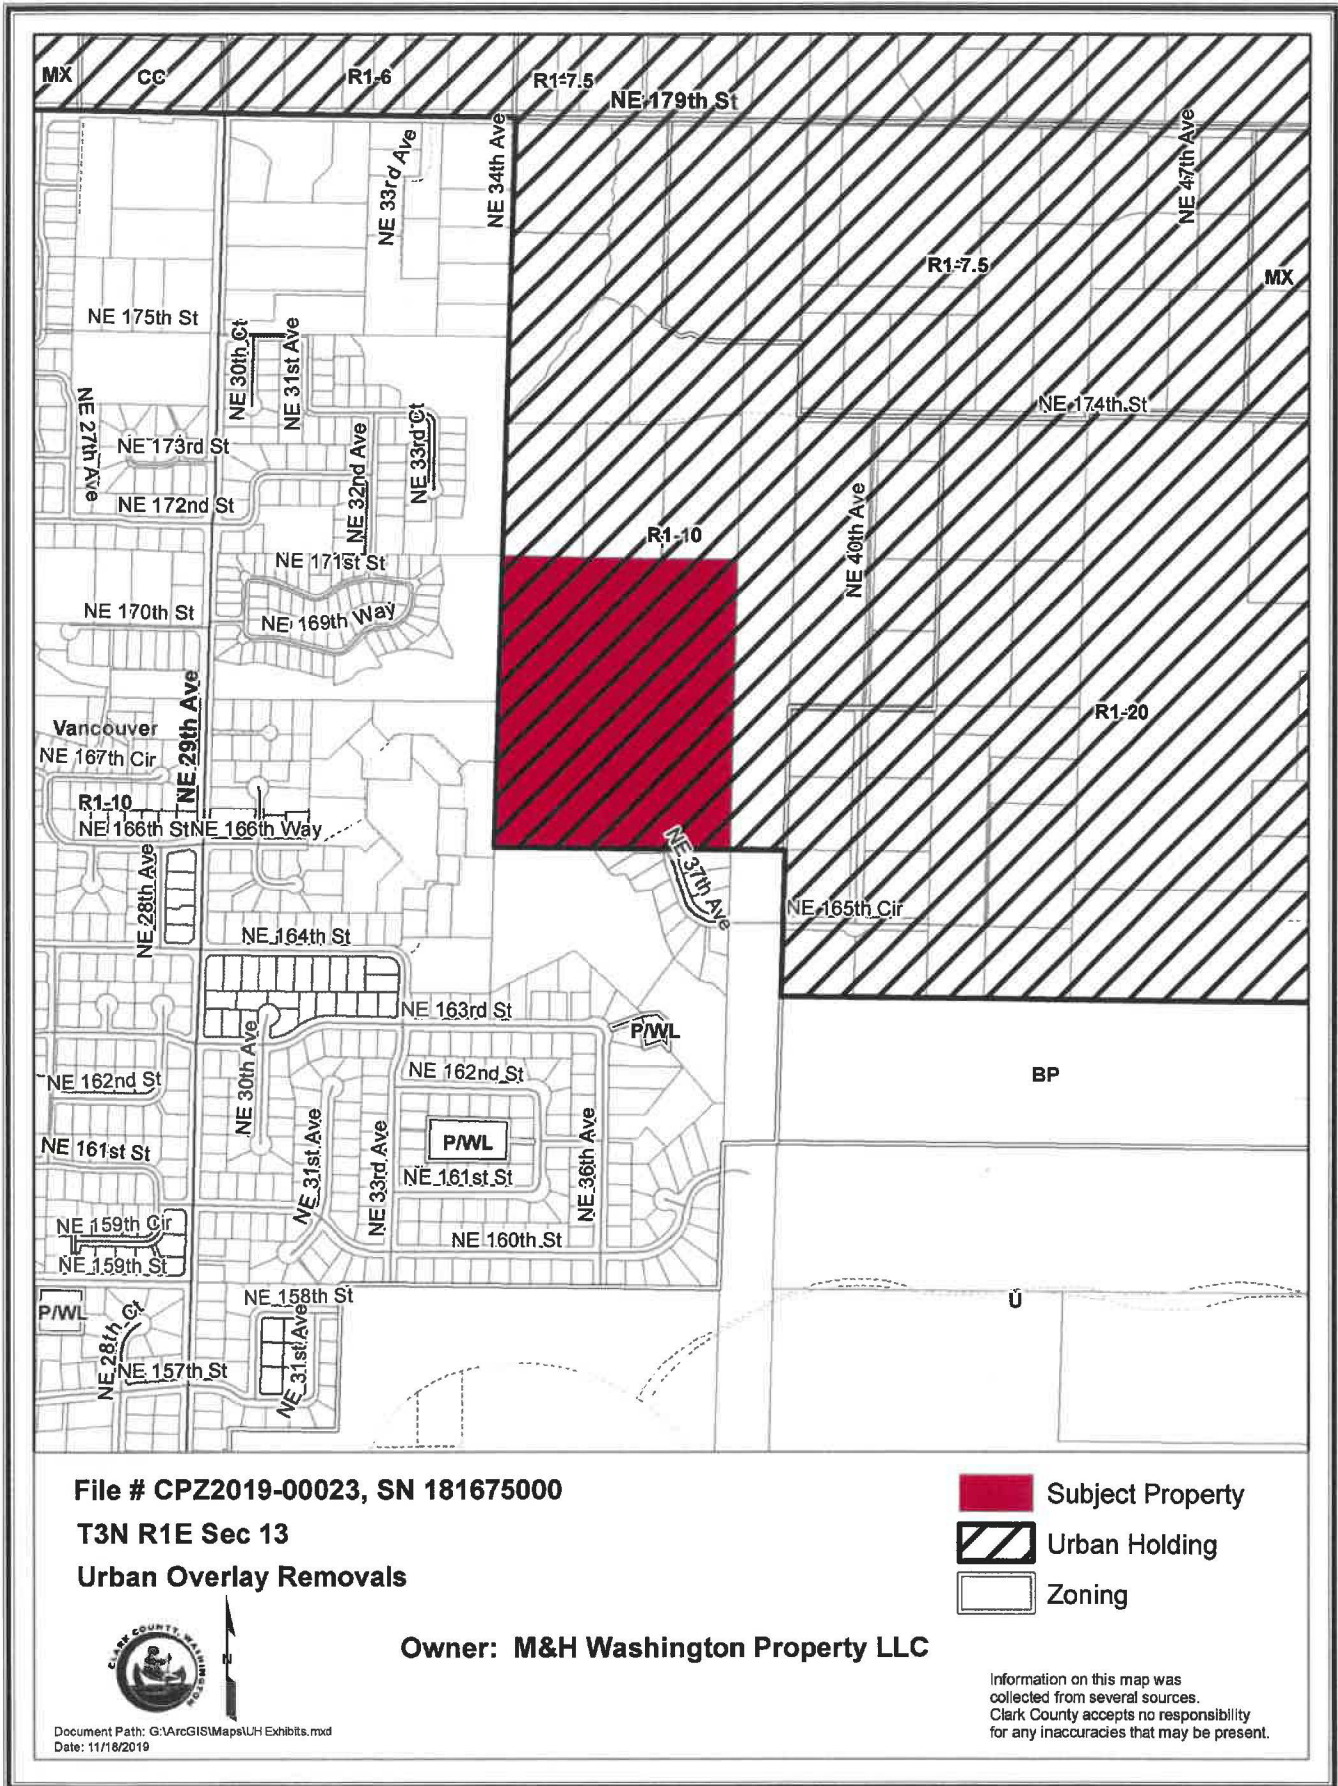

associated roadway widening and tapers along NE 179th Street. If provision of an eastbound left-turn lane is not possible at the time of site development, it may be necessary to restrict the access to right-turns only on an interim basis.

3. While not yet necessitated based on projected 2020 build-out traffic volumes, provision of a northbound left-turn lane at the NE 50th Avenue intersection is required with site development if the NE 50th Avenue frontage widening provides sufficient width to make the improvement.

Exhibit E – Trip Generation Estimates

RESOLUTION NO. 2019- 10-01

A Resolution of the Clark County Council authorizing entry into a First Amended and Restated Development Agreement among Clark County and the following owners and developers of real property in the vicinity of NE 179th Street:

M & H WASHINGTON PROPERTY, LLC, a Washington limited liability company, and HINTON DEVELOPMENT CORP, a Washington corporation (collectively hereinafter referred to as “Developers”);

WHEREAS, Developers own and seek to develop certain parcels of real property in the vicinity of NE 179th Street and Interstate 5, much of which is currently subject to an urban holding overlay pursuant to Clark County’s 20-Year Comprehensive Growth Management Plan 2015-2035; and

WHEREAS, Clark County’s Compressive Plan requires that prior to lifting the urban holding designation in the 179th Street/I-5 Interchange Area, the Council must determine that the completion of localized critical links and intersection improvements are reasonably funded, as shown on the County’s 6-Year Transportation Improvement Plan or through a development agreement; and

WHEREAS, Clark County intends to fund the necessary improvements, in part, by entering into development agreements that will become effective upon the Council’s adoption of a future ordinance finding that the relevant localized critical links and intersection improvements are reasonably funded and amending the Comprehensive Plan to remove the urban holding overlay; and

WHEREAS, RCW 36.70B.170 through .210 authorize the County to enter into development agreements with persons or entities having ownership or control of real property within the County; and

WHEREAS, on August 20, 2019, the Clark County Council selected a financing option to reasonably fund localized critical links and intersection improvements and authorized entry into a Development Agreement (the “DA”) among Developers and Clark County, regarding certain real property owned by Developers in the vicinity of NE 179th Street, which property is located in Clark County, Washington; and

WHEREAS, Section 6.3.c of the DA approved on August 20, 2019 misstated as \$900,000 the amount of a payment that Developers agreed to pay to Clark County, and Council finds that the parties intended for the payment to be \$600,000, that Section 6.3.c should be amended to read as follows:

c. In addition to the TIF, Developer shall pay an additional surcharge in the amount of \$3,500 per lot (the “Surcharge”) for each building permit for each lot developed on the Property. Developer shall pay the Surcharge at the time of the issuance of the building permit. Developer anticipates building permits following the approvals of each phase as provided for in paragraph 6.3(b) above. Regardless of the schedule provided for in Section 6.3.a above, Developer agrees that by December 31, 2023, if the combined amount of TIF and Surcharge paid by Developer is less than \$600,000.00, then Developer shall, on or before December 31, 2023, pay to the County the difference between what Developer has paid in combined TIF and Surcharge and \$600,000.00 (the “Gap Amount”). The Gap Amount will be applied in the future to subsequent preliminary plat, final plat, or building permit applications on the Property as pre-paid TIF or prepaid Surcharge. Nothing in this Agreement limits to \$600,000.00 Developer’s total obligations to pay combined TIF and Surcharge that may arise from the Property’s future development approvals.

and,

WHEREAS, for ease of future reference to and implementation of the DA as amended, the parties desire to restate the amended agreement, and Clark County Council hereby adopts the following new section as a Recital in the agreement:

Q. Clark County Council approved a prior version of this Agreement in an open public hearing on August 20, 2019; however, that version of the Agreement contained misstatements in Section 6.3.c, and it was never executed by the Parties. Those misstatements are corrected by

amendment of Section 6.3.c, which was approved by the County Council in open public meeting on October 1, 2019. The initially approved Agreement has not been amended in any other respect as of that date, except for the correction of scrivener's errors and the addition of this Recital. The Parties have adequately reviewed this FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT, and agree that its terms reflect their intent.

WHEREAS, the FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT AMONG CLARK COUNTY, M & H WASHINGTON PROPERTY, LLC, AND HINTON DEVELOPMENT CORP. ("Amended Development Agreement", is attached hereto as *Exhibit A*;

WHEREAS, the Council considered this matter at a duly-advertised public hearing; and

WHEREAS, the Council concluded that approval of the amendments to the DA, and the approval and adoption of the proposed Amended Developer Agreement set forth in *Exhibit A* will further the public health, safety, and welfare of Clark County; now therefore,

THE BOARD OF COUNTY COUNCILORS OF CLARK COUNTY, STATE OF WASHINGTON, HEREBY RESOLVE AS FOLLOWS:

1. The Clark County Council approves the amendment to Section 6.3.c of the DA and the adoption of new Section Q of the Recitals of the DA, both as set forth above.

2. The Clark County Council approves the restatement of the amended DA, as set forth in *Exhibit A* hereto, the FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT AMONG CLARK COUNTY, M & H WASHINGTON PROPERTY, LLC, AND HINTON DEVELOPMENT CORP, portions of which will become effective upon the Council's future adoption of an ordinance finding that the relevant localized critical links and intersection improvements are

reasonably funded, and that the Urban Holding overlays are removed from Developers' property.

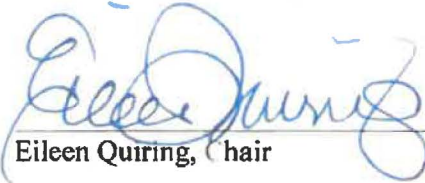

ADOPTED this 1st day of October, 2019.

**FIRST AMENDED AND RESTATED
DEVELOPMENT AGREEMENT**

This FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT (this "Agreement") is entered into by and among CLARK COUNTY, a political subdivision of the State of Washington (the "County") and M & H WASHINGTON PROPERTY, LLC ("Owner"), a Washington limited liability company, and HINTON DEVELOPMENT CORP. ("Hinton"), a Washington corporation on this 1st day of Oct, 2019. Owner and Hinton are together referred to as the "Developer", and those three terms include any successor in interest to the Property during the term of this Agreement.

RECITALS

FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT
AMONG CLARK COUNTY, M & H WASHINGTON PROPERTY, LLC, AND HINTON
DEVELOPMENT CORP.

A. Owner owns certain real property in unincorporated Clark County Washington (APN 181675000) totaling approximately 32.45 acres, which is more particularly described in Exhibit A, which attached hereto and incorporated by reference herein (together, the "Property"). Hinton has authority over and development control over the Property.

B. Clark County's 20-Year Comprehensive Growth Management Plan 2015-2035, as adopted by Ordinance No. 2016-06-12 and most recently amended by Ordinance No. 2019-02-02 ("Comprehensive Plan"), provides that an Urban Holding Overlay Plan Designation and Zone ("UH Overlay") may be applied to property with a specific underlying urban zone when development policies require a legislative action pursuant to the requirements of Clark County Code ("CCC") Section 40.560.010 prior to urban development thereon.

C. The Comprehensive Plan applies the UH Overlay to certain property located within the Vancouver Urban Growth Area within the 179th Street Corridor ("179th Street Corridor"). The Property is within this 179th Street Corridor and is subject to the UH Overlay and a zoning overlay designation of Urban Holding-10 ("UH-10"), with underlying plan and zoning designations of Urban Low Density Residential ("UL") and Single Family Residential ("R1-10"), respectively.

D. The Connecting Washington transportation funding package approved by the 2016 Washington Legislature is expected to provide money for the reconstruction of the Interstate 5/179th Interchange during the period from 2023 to 2025.

E. The 179th Street Corridor comprises an area lacking in and requiring said transportation improvements.

F. Other owners and developers of properties within the 179th Street Corridor ("Killian", "Wollam" and "Holt", collectively "179th Street Developers"), as specifically depicted and identified in the Exhibit F, attached hereto and incorporated herein, (the "Other 179th Street Developments"), have proposed development agreements and transportation improvement plans that would alleviate the transportation deficiencies within the Corridor and facilitate economic development, provided that the UH Overlay is removed to allow for the underlying urban use to be developed.

G. The County finds that approval and implementation of those development agreements related to the 179th Street Developments and removal of the UH Overlay would provide the private share contribution for the needed transportation improvements, including right-of-way and intersection and other improvements, thereby facilitating economic development within the area and its larger region.

H. CCC 40.560.010(I) provides that UH Overlay changes are processed through Type IV processes initiated by the County and consistent with the procedures and criteria under the Comprehensive Plan.

FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT
AMONG CLARK COUNTY, M & H WASHINGTON PROPERTY, LLC, AND HINTON
DEVELOPMENT CORP.

I. CCC 40.560.010.I.1 provides that plan map and rezone amendments removing the UH designation must be consistent with the procedures and criteria set forth in the Clark County 20-Year Comprehensive Growth Management Plan 2015-2035 ("Comprehensive Plan"). The Comprehensive Plan provides that to remove the UH overlay, the County must determine that the completion of localized critical links and intersection improvements are reasonably funded as shown on the County's 6-Year Transportation Improvement Plan or through a development agreement.

J. Pursuant to RCW 36.70B.170(1), any local government of the state of Washington is authorized to enter into a development agreement with any owner of real property within its jurisdiction setting forth the development standards that will apply to and govern and vest the development, use and mitigation of the development of the real property during the specified term of the agreement.

K. The County has determined that the proposed mitigation contained within this Agreement will satisfy the Comprehensive Plan criteria requiring reasonable funding for the completion of localized critical links and intersection improvements, and therefore the UH Overlay will be removed from this Property.

L. The Developer has also proposed a Conceptual Plan for development of the Property, as depicted on Exhibit B and specifically described in Exhibit C, which are both attached hereto and incorporated herein. The Conceptual Plan shows the proposed public trails within the development that enhances pedestrian access to, from and within the Property and external properties.

M. The Parties desire to provide long-term predictability to both Developer and the County on various development issues through the implementation of this Agreement and its attendant Conceptual Plan. The Parties desire to plan for the development of the Property with advance funding for transportation improvements and predictable infrastructure and regulations.

N. Developer, the County, and the other 179th Developers have collaborated over a number of years through a public-private partnership to facilitate the implementation of the Comprehensive Plan through the improvement of transportation infrastructure in the area of the 179th Street Corridor. This area faces challenges to development in order to fully implement the Comprehensive Plan, including lack of capacity on existing local roadways and intersections, lack of access to underdeveloped properties, and resulting traffic safety problems. Each Party has dedicated significant resources to planning for that area, which provides a gateway to development of currently underutilized land in the 179th Street Corridor. It is necessary for the Parties to complete certain planning efforts in the area, so that public and private funding will be available to complete the needed infrastructure, and that development of the infrastructure can go forward. Completion of certain intersections and other transportation links in the area will further implement the Comprehensive Plan and allow certain properties to develop, thereby generating further resources for more transportation improvements, and addressing the continuing harm to the public because of the problems and challenges listed above. This Agreement will document the completion of planning relevant to the subject Property,

FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT
AMONG CLARK COUNTY, M & H WASHINGTON PROPERTY, LLC, AND HINTON
DEVELOPMENT CORP.

Developer's contributions to the completion of certain infrastructure in the area, and the County's assurances that Developer may proceed as set forth herein.

O. Developer's traffic engineer has prepared trip generation and distribution information based on the expected development of the Property in accordance with the Conceptual Plan (Exhibits B and C), and a copy of the trip generation estimates is attached hereto and incorporated herein as Exhibit E.

P. This Agreement addresses the Comprehensive Plan criteria to remove the UH plan and zoning overlays from the Property and includes Developer's agreement to satisfy the criteria through the construction of or reasonable funding of the mitigation measures, including the critical links and intersections, identified in Exhibit D, which is attached hereto and incorporated herein.

Q. Clark County Council approved a prior version of this Agreement in an open public hearing on August 20, 2019; however, that version of the Agreement contained misstatements in Section 6.3.c, and it was never executed by the Parties. Those misstatements are corrected by amendment of Section 6.3.c, which was approved by the County Council in open public meeting on October 1, 2019. The initially approved Agreement has not been amended in any other respect as of that date, except for the correction of scrivener's errors and the addition of this Recital. The Parties have adequately reviewed this FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT, and agree that its terms reflect their intent.

AGREEMENT

NOW, THEREFORE, the Parties agree as follows:

Section 1. Development Agreement. This Agreement is a development agreement to be implemented under the authority of and in accordance with RCW 36.70B.170 – 210. It will become a contract between the Parties upon its approval by ordinance or resolution following a public hearing as provided in RCW 36.70B.170 and its execution by the Parties.

Section 2. Effective Date; Term of Agreement. The Effective Date of this Agreement is the later of the following: (1) the date ten (10) days after the day of the County's approval by ordinance or resolution determining that the completion of critical links and infrastructure improvements necessary for development of the Property are reasonably funded, following a public hearing as provided for in RCW 36.70B.170, or (2) the date on which a fully executed version is recorded with the County Auditor. This Agreement will take effect upon the Effective Date and will terminate ten (10) years thereafter, unless extended, or terminated by mutual written consent of the Parties.

Section 3. Conceptual Plan.

3.1 Purpose. The Conceptual Plan, attached hereto as Exhibits B and C, provides for design mitigation with additional pedestrian connections not required by County Code for ease of use for public transportation and additional consideration of trail design within the project. The Conceptual Plan will provide the Parties with predictability regarding certain

FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT
AMONG CLARK COUNTY, M & H WASHINGTON PROPERTY, LLC, AND HINTON
DEVELOPMENT CORP.

aspects of the future development of the Property, including public trails and walkways internal to the property and that can connect with offsite developments in the future..

3.2 Preliminary plat approval. Developer's application for preliminary plat approval may be filed and the County will process such applications upon execution of this agreement. No public hearing or decision will be made on any applications until the County removes the UH designation from the Property.

3.3 Engineering Plans. Concurrently with the County's review of any preliminary plat applications, Developer may submit engineering plans to the County and the County will review those plans in its normal course. If a preliminary plat is approved with design or conditions that are different from concurrently submitted and reviewed final engineering plans, then Developer will resubmit engineering plans that conform to the preliminary plat approvals. Any costs associated with such changes will be the responsibility of Developer. While the County agrees to allow concurrent review of land use applications and final engineering, nothing herein will be construed to require the County to provide expedited review that is different from the County's usual timelines for an application for land use or engineering review.

3.4 UH Designation Removal. No final engineering approval will be granted until the UH designation has been removed from the Property and a preliminary plat application has been approved. The application will be processed as a Type III land use application and reviewed by the County. Any approval criteria not addressed and found satisfied in this Agreement will be subject to the approval criteria in effect when the fully complete application is submitted, and will be addressed during the subdivision application and decision process.

3.5 Vesting. Except as set forth in this Agreement, future development of the Property is subject to the applicable provisions of the Clark County Code as of the Effective Date.

Section 4. Effect on Fees or Charges. As provided for in RCW 36.70B.180, during the term of this Agreement, the development standards provided for in this Agreement will not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning ordinance or development standard or regulation adopted after the effective date of this Agreement; provided, however, that except as set forth in Paragraph 6.3 of this Agreement, the vesting granted by this Agreement will not apply to impact fees, taxes, land use or permit application fees, building code provisions, or environmental regulations that do not vest according to Washington State Law, which will be vested, determined or calculated consistent with the County's provisions applicable on the date such fee, charge, or tax is triggered or according to the generally applicable rules for vesting of building code regulations and such environmental regulations. As provided for in RCW 36.70B, the County reserves the right to impose new standards or changes in development regulations to the extent required by a serious threat to public health and safety.

Section 5. Environmental Review. For the purposes of this Agreement, no additional SEPA review is required. Any required project-level SEPA review for development at the Property and subject to this Agreement will be submitted during the preliminary plat application process.

Section 6. Traffic.

6.1 Traffic Study. Kittelson and Associates Transportation Engineers and the County have analyzed the transportation impacts of the full development (based on the conceptual set of future uses and square footages) of the Property as identified in the traffic study and the Conceptual Plan. Based upon this set of uses, the Property at full development will increase the existing number of PM peak hour trips on the transportation system by 129 trips. The trip generation estimates are set forth, attached hereto and incorporated herein as Exhibit E.

6.2 Anticipated Impacts. Based upon Kittelson's analysis as approved by the County, the future development of the Property will be conditioned upon the mitigation measures and timing of construction as provided for in Exhibit D. The Property will be vested during the term of this Agreement with 129 PM peak hour and 1,290 average daily trips and no off-site transportation mitigation or analysis, other than provided for in this Agreement, will be required in conjunction with development of the Property during the term of this Agreement; provided however that in the event Hinton proposes uses or intensities of uses that would cause the total number of PM peak or average daily trips to exceed the number of trips set forth in this Section 6.2, the increased trips will be subject to review and required mitigation under the County's concurrency ordinance in effect when the application vests. In the case of increased trips, vesting will occur no sooner than the Developer submits a fully complete application to the County. Except when the Developer proposes increased trips, the transportation vesting provided for in this Section will be subject to the mitigation measures and the timing provided in Exhibit D. Some of the transportation improvements may be on the County's Transportation Capital Facility Plan. Hinton upon construction of qualifying transportation improvement, will be eligible to apply for TIF Credits, but only if such improvements are eligible for credits under the County's applicable Capital Facilities Plan and TIF programs.

6.3 Traffic Impact Fees; Advance Payment. To increase the County's ability to fund and construct certain transportation improvements in the area that will provide systemic benefits in excess of the impacts that will be created through the implementation of the Conceptual Master Plan, Developer agrees to accelerate the manner in which Developer or a successor in interest to the Property would pay Transportation Impact Fees ("TIFs"). Developer will pay TIFs associated with the Property based on the TIF rate applicable at the time this Agreement becomes effective. In addition to the payment of TIF, Developer will also pay the Surcharge as described below. Instead of paying TIFs as the time of individual building permits, as it currently provided for by the County's Code, Developer, or its successor in interest, agrees to the following permit application and TIF payment schedule.

a. Developer will submit a fully complete application for preliminary plat approval of approximately 129 lots prior to February 15, 2020 with a phasing plan. Assuming Developer receives preliminary plat approval and no appeal is filed, Developer will pay within 30 days of receiving preliminary plat approval the sum of \$3,025.00 for each lot receiving preliminary plat approval.

b. Developer will submit an application for final plat for Phase I approval for 50 lots prior to December 31, 2021. Developer shall submit a fully complete application for final plat for Phase II approval for 50 lots prior to December 31, 2022. Developer

shall submit a fully complete application for final plat for Phase III approval for 29 lots prior to July 15, 2023. If Developer submits an application for final plat approval for all lots, assuming Developer receives final plat approval, Developer will pay \$3,025.00 for each lot receiving final plat approval. Developer may alternatively submit an application for final plat approval for the lots in phases. If Developer submits an application for final plat approval for a certain amount of lots in multiple phases, assuming Developer receives final plat approval for those respective phases, Developer will pay \$3,025.00 for each lot receiving final plat approval in the respective phase.

c. In addition to the TIF, Developer shall pay an additional surcharge in the amount of \$3,500 per lot (the "Surcharge") for each building permit for each lot developed on the Property. Developer shall pay the Surcharge at the time of the issuance of the building permit. Developer anticipates building permits following the approvals of each phase as provided for in paragraph 6.3(b) above. Regardless of the schedule provided for in Section 6.3.a above, Developer agrees that by December 31, 2023, if the combined amount of TIF and Surcharge paid by Developer is less than \$600,000.00, then Developer shall, on or before December 31, 2023, pay to the County the difference between what Developer has paid in combined TIF and Surcharge and \$600,000.00 (the "Gap Amount"). The Gap Amount will be applied in the future to subsequent preliminary plat, final plat, or building permit applications on the Property as pre-paid TIF or prepaid Surcharge. Nothing in this Agreement limits to \$600,000.00 Developer's total obligations to pay combined TIF and Surcharge that may arise from the Property's future development approvals.

d. Notwithstanding any other provision of Section 6 of this Agreement relating to timing of the submission of a preliminary plat application or the submission of a final plat application, Developer need not submit any of the applications referenced in Section 6 of this Agreement, if Developer timely makes the payment that otherwise would be due if such application has been submitted and approved. Nothing in this paragraph will be construed to alter the dates upon which such TIF payments will be made to the County as provided for in Section 6 of this Agreement, regardless of whether Developer submits any land use applications.

e. If Developer fails to timely make any payment due pursuant to Section 6 of this Agreement, Developer may not submit, and County may not accept or process, any further land use or permit application relating to development of the Property until all payments then due in accordance with Section 6 have been fully made.

Section 7. Threat to Public Health. Nothing in this Section will preclude the County from requesting information on the potential adverse environmental impacts associated with a specific land use application that have not been previously analyzes as required under SEPA.

FIRST AMENDED AND RESTATED DEVELOPMENT AGREEMENT
AMONG CLARK COUNTY, M & H WASHINGTON PROPERTY, LLC, AND HINTON
DEVELOPMENT CORP.

MISCELLANEOUS PROVISIONS

Section 8. Recitals. The Recitals contained herein are agreed to be binding obligations of the Parties, as their terms provide.

Section 9. Counterparts. This Agreement may be executed in counterparts; however all signature pages will be recorded together, and the complete recorded Agreement, including Exhibits A-F, will constitute the final instrument.

Section 10. Amendments; Termination. The Parties may agree to any amendments to this Agreement to facilitate necessary infrastructure improvements and other matters; provided, however, that this Agreement may only be amended by mutual, written agreement of the Parties that is approved by the Clark County Councilors pursuant to a Type IV legislative process as set forth in the Clark County Code. This Agreement will terminate upon the mutual agreement of the Parties in writing, which will be recorded, or upon expiration of the Term, whichever first occurs.

Section 11. County's Reserved Authority. Notwithstanding anything in this Agreement to the contrary, the County will have the authority to impose new or different regulations to the extent required by a serious threat to public health and safety as required by RCW 36.70B; provided, however that traffic congestion is not a serious threat to public health and safety, and that such action will only be taken by legislative act of the Clark County Council after appropriate public process.

Section 12. Authorization. The persons executing this Agreement on behalf of County and Developer are authorized to do so and, upon execution by such parties, this Development Agreement will be a valid and binding obligation of such parties in accordance with its terms. Developer has obtained any and all consents required to enter into this Agreement and to consummate or cause to be consummated the transactions contemplated hereby.

Section 13. Run with the Land. This Agreement will run with the land and be binding on the Parties' successors and assigns, and will be recorded with the Clark County Auditor.

Section 14. Public Hearing. The Clark County Council has approved execution of this Agreement by resolution after a public hearing.

Section 15. Dispute Resolution. Should a disagreement arise between the Parties, the Parties agree to attempt to resolve the disagreement by first meeting and conferring. If such meeting proves unsuccessful to resolve the dispute, the disagreement may be resolved by a civil action.

Section 16. Venue. This Agreement will be construed in accordance with the laws of the State of Washington, and venue is in the Clark County Superior Court.

Section 17. Attorneys' Fees. If a suit, action, or other proceeding of any nature whatsoever (including any proceeding under the U. S. Bankruptcy Code) is instituted in connection with any controversy arising out of this Agreement or to interpret or enforce any rights or obligations hereunder, the prevailing party will be entitled to recover its reasonable attorney fees and costs. It is understood and agreed that to the extent that Clark County prevails in a suit, action or other proceeding relating to this Agreement it will be entitled to recover its reasonable attorney fees calculated on an hourly basis regardless of whether it is represented by in house counsel and/or outside counsel.

Section 18. Performance. Failure by any Party at any time to require performance by the other Parties of any of the provisions hereof will not affect the Parties' rights hereunder to enforce the same, nor will any waiver by a Party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this clause.

Section 19. Severability. If any portion of this Agreement will be invalid or unenforceable to any extent, the validity of the remaining provisions will not be affected thereby.

Section 20. Inconsistencies. If any provisions of the Clark County Code and land use regulations are deemed inconsistent with this Agreement, the provisions of this Agreement will prevail, excepting the County's reserved authority described above.

Section 21. Survival. Any promise or condition set forth in this Agreement, the full performance of which is not specifically required prior to the expiration or earlier termination but which by its terms is to survive the termination of this Agreement, will survive the expiration or earlier termination of this Agreement and will remain fully enforceable thereafter.

Section 23. No Benefit to Third Parties. The Parties are the only parties to this Agreement and are the only parties entitled to enforce its terms, except as otherwise specifically provided in this Agreement. There are no third-party beneficiaries.

Section 24. Entire Agreement. This Agreement, including its exhibits attached hereto, constitutes the entire agreement between the Parties as to the subject matter.

Section 25. Notices. All notices will be in writing and may be delivered by personal delivery, by overnight courier service, or by deposit in the United States Mail, postage prepaid, as certified mail, return receipt requested, and addressed as follows:

County: Attn. Shawn Hennessee, County Manager
 PO Box 5000

Notices will be deemed received by the addressee upon the earlier of actual delivery or refusal of a party to accept delivery thereof. The addresses to which notices are to be delivered may be changed by giving notice of such change in address in accordance with this notice provision.

Section 26. Interpretation of Agreement; Status of Parties. This Agreement is the result of arm's-length negotiations between the Parties and will not be construed against any Party by reason of its preparation of this Agreement. Nothing contained in this Agreement will be construed as creating the relationship of principal and agent, partners, joint venturers, or any other similar relationship between the Parties.

Section 27. Future Assurances. Each of the Parties will promptly execute and deliver such additional documents and will do such acts that are reasonably necessary, in connection with the performance of their respective obligations under this Agreement according to the Schedule so as to carry out the intent of this Agreement.

EXHIBIT A

Legal Description

The South half of the Southeast quarter of the Northwest quarter, and the North half of the Northeast quarter of the Southwest quarter of Section 13, Township 3 North, Range 1 East of the Willamette Meridian in the County of Clark and State of Washington.

Except that portion thereof acquired by the United States of America for purposes of the Bonneville Project;

Also Except County or Public Roads.

EXHIBIT B

------------------------------------	---	---	---------------------------------	--	--	--

EXHIBIT C

Conceptual Plan Narrative

- **The project contemplates up to 129 single family residential lots consistent with the Development Agreement and Exhibit E**
- **This project will conform to the Single Family Residential R1-10 zoning and the Mill Creek zoning overlay**
- **The United States Government, Bonneville Power Administration owns land immediately adjacent on the Property's eastern boundary**
- **Mill Creek runs in a northern direction through the southwest corner of the property then along the western boundary of the property**
- **The project contemplates a trail with a mid-development access point along the backyard of the lots parallel to Mill Creek as depicted on Exhibit B**
- **The trail will provide for additional connections to the north, but will terminate near the southern boundary of the property to not interfere with adjacent properties**
- **The primary access for the subdivision will be via a stubbed public street NW 37th Avenue**
- **The Development will provide for future connections via stubbed public streets and necessary dedications**

EXHIBIT D

Mitigation Measures and Timing of Construction

Development of the M & H Property presumes several planned transportation improvements will be constructed or deemed reasonably funded within six years along the NE 179th Street corridor which the Developer will be contributing financially towards. The assumed improvements include:

1. Completion of NE 10th Avenue between NE 154th Street and NE 164th Street (currently under construction by Clark County)
2. Reconfiguration of the I-5 Northbound off-ramp/NE 179th Street intersection to provide:
 - Two northbound left-turn lanes and two northbound right turn lanes; and
 - Two westbound through lanes and a separate westbound right-turn lane to the I-5 northbound on ramp
3. Widening and competition of the NE 15th Avenue between NE 179th Street and NE 10th Avenue to an ultimate improvement width (providing two westbound and two eastbound through travel lanes between the I-5 Northbound off-ramp/NE 179th Street intersection and NE 15th Avenue);
4. Construction of a new multi-lane roundabout on NE 179th Street approximately midway between NE 15th Avenue and the I-5 Northbound off-ramp;
5. Construction of a new multi-lane roundabout on NE 179th Street at NE 15th Avenue (replacing the existing traffic signal);
6. Construction of a new multi-lane roundabout on NE 179th Street at NE 15th Avenue and NE 10th Avenue (allowing for termination of the existing NE 10th Avenue connection to NE 179th Street); and
7. Termination of the Union Road at NE 179th Street through provision of alternative access for properties along Union Road south of NE 179th Street

The M & H Property is not adjacent to the NE 179th Street Corridor unlike the other developments subject to similar Development Agreements. However, in conjunction with the site development the project may be conditioned with other proportionate mitigation measures through the conditions of approval in the subdivision process.

Recommended Mitigations

Project	Phase	Recommended Mitigation on NE 179 th Street between NE Dalfel Road (North) and NE 15 th Avenue
Killian Pacific/Three Creeks Master Plan	80,000 Sq. Ft. Retail (DA Approved Phase 1)	No mitigation required; proceed as previously approved.
	Three Creeks North Phase 1 (up to 200 single family detached homes and 326 apartment units)	1) NE 15 th Avenue/NE 179 th Street intersection: construct an eastbound right-turn lane with a right-turn signal overlap While not required for concurrency, consider voluntary improvements to terminate Union Road connection to NE 179 th Street
	Phase 2 NE 179 th Street Commercial Center (DA Approved Phase 2)	1) Construction of a new multi-lane roundabout on NE 179 th Street (with separate southbound right-turn lane) approximately midway between NE 15 th Avenue and the I-5 Northbound off-ramp (NE 12 th Avenue) 2) Elimination of the existing NE 10 th Avenue connection to NE 179 th Street aligned with the I-5 Northbound off-ramp (Refer to Figure 4) 3) Temporary extension of NE 10 th Avenue to the new NE 12 th Avenue multi-lane roundabout (forming the north approach to the roundabout)
Mill Creek PUD	PUD Buildout (606 single family homes and 96 townhomes)	a. This change allows for re-routing the existing NE 10 th Avenue trips on an interim basis, creating capacity at the I-5 Northbound off-ramp/NE 179 th Street intersection b. In the alternative, the temporary NE 10 th Avenue extension would be unnecessary if NE 15 th Avenue is first extended from NE 179 th Street to NE 10 th Avenue. Should NE 15 th Avenue be constructed first, the north approach of the new NE 12 th Avenue roundabout would be operated as a local street connection to serve properties between the NE 15 th Avenue extension and NE 179 th Street.
Hinton Property	128 single family homes	4) Reconfiguration of the I-5 Northbound off-ramp/NE 179 th Street intersection to provide: a. two northbound left-turn lanes and two northbound right-turn lanes; and b. two westbound through lanes and a separate westbound right-turn lane to the I-5 northbound on-ramp
Wallam Property	220 single family homes	5) Widening of NE 179 th Street to provide two westbound and two eastbound through travel lanes between the I-5 Northbound off-ramp/NE 179 th Street intersection and the new NE 12 th Avenue roundabout. 6) Termination of Union Road south of NE 179 th Street through provision of alternative access for properties along Union Road south of NE 179 th Street. 7) Widening of NE 179 th Street between the new NE 12 th Avenue roundabout and NE 15 th Avenue to provide: a. two eastbound through travel lanes through the NE 12 th Avenue roundabout, with the second eastbound lane becoming an interim right-turn drop lane at NE 15 th Avenue; and b. one westbound through lane at NE 15 th Avenue that opens to two westbound through travel lanes approaching the NE 12 th Avenue roundabout. 8) Modification of the NE 15 th Avenue/NE 179 th Street intersection: construct a westbound left-turn lane

RESOLUTION NO. 2019-08-05

A Resolution of the Clark County Council selecting a financing plan for public infrastructure in the vicinity of NE 179th Street and authorizing entry into Developer Agreements between Clark County and the following owners and developers of real property in the vicinity of NE 179th Street (hereinafter referred to collectively as the “Developers”):

- (1) MILL CREEK JV, LLC; WILFRED N ZILKE FAMILY TRUST; WILFORD ZILKE AND MARJORIE ZIELKE, husband and wife; GARY WEBB TRUST; and BIRCHWOOD FARMS, LLC (hereinafter referred to as “Holt”);
- (2) ROMINGER HOMEPLACE, LLC , a Washington limited liability company, and BTMC, LLC, a Washington limited liability company (hereinafter referred to as the “Wollam”); and
- (3) M & H WASHINGTON PROPERTY, LLC, a Washington limited liability company, and HINTON DEVELOPMENT CORP, a Washington corporation (hereinafter referred to as “Hinton”);
- (4) THREE CREEKS-MUMFORD LLC, a Washington limited liability company; THREE CREEKS NORTH LLC, a Washington limited liability company; and THREE CREEKS INVESTORS LLC, a Washington limited liability company (hereinafter referred to collectively as “Killian”) regarding an amendment to previously approved development agreements with Killian.

1 **WHEREAS**, Developers own and seek to develop certain parcels of real property
2 in the vicinity of NE 179th Street and Interstate 5, much of which is currently subject to
3 an urban holding overlay pursuant to Clark County’s 20-Year Comprehensive Growth
4 Management Plan 2015-2035; and

5 **WHEREAS**, Clark County’s Comprehensive Plan requires that prior to lifting the
6 urban holding designation in the 179th Street/I-5 Interchange Area, the Council must
7 determine that the completion of localized critical links and intersection improvements
8 are reasonably funded, as shown on the County’s 6-Year Transportation Improvement
9 Plan or through a development agreement; and

10 **WHEREAS**, Clark County intends to fund the necessary improvements by
11 selecting a public financing option and entering into Developer Agreements with
12 Developers that will become effective upon the Council’s adoption of a future ordinance
13 finding that the relevant localized critical links and intersection improvements are
14 reasonably funded and amending the Comprehensive Plan to remove the urban holding
15 overlay for Developers’ property; and

16 **WHEREAS**, RCW 36.70B.170 through .210 authorize the County to enter into
17 Developer Agreements with persons or entities having ownership or control of real
18 property within the County; and

19 **WHEREAS**, the Developers own and intend to develop certain real property in
20 the vicinity of NE 179th Street, described in the proposed Development Agreements
21 attached hereto as *Exhibit A*, which property is located in Clark County, Washington; and

22 **WHEREAS**, at the direction of the Clark County Council, County staff has
23 worked with the Owners to prepare the proposed Developer Agreements, which detail an
24 exchange of valuable consideration; and

25 **WHEREAS**, at the direction of the Clark County Council, County staff has
26 prepared a range of public financing options to fund a portion of the localized critical
27 links and intersection improvements in the vicinity of NE 179th Street; and

28 **WHEREAS**, the Clark County Council prefers and selects the public financing
29 option number eight (8) set forth in *Exhibit B*, which will require future Council action to
30 implement; and

31 **WHEREAS**, the Council considered this matter at a duly-advertised public
32 hearing; and

33 **WHEREAS**, the Council concluded that approval of the proposed Developer
34 Agreements (set forth in *Exhibit A*) and public financing option number eight (8) (set
35 forth in *Exhibit B*) will further the public welfare; now therefore,

36 **THE BOARD OF COUNTY COUNCILORS OF CLARK COUNTY, STATE**
37 **OF WASHINGTON, HEREBY RESOLVE AS FOLLOWS:**

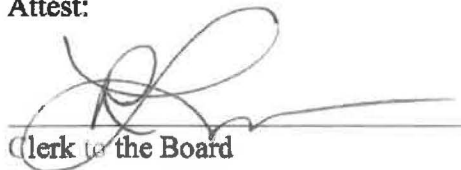

38 1. The Clark County Council approves the Developer Agreements set forth
39 in *Exhibit A* between Clark County, Washington, and Holt, Killian, Wollam, and Hinton,
40 the infrastructure financing portions of which will become effective upon the Council's
41 future adoption of an ordinance finding that the relevant localized critical links and
42 intersection improvements are reasonably funded, and amending the Comprehensive Plan
43 to remove the urban holding overlay for Developers' property.

44 2. The Clark County Council selects the public financing option number
45 eight (8) set forth in *Exhibit B*, which will require future Council action to implement.

ADOPTED this 20th day of August, 2019.

DEVELOPMENT AGREEMENT

This DEVELOPMENT AGREEMENT (this "Agreement") is entered into by and between CLARK COUNTY, a political subdivision of the State of Washington (the "County") and ROMINGER HOMEPLACE, LLC ("Owner"), a Washington limited liability company, and BTMC, LLC ("Wollam"), a Washington limited liability company,) on this 3rd day of Sept., 2019.

RECITALS

A. Owner owns certain parcels of real property in unincorporated Clark County Washington (APNs 182170000, 182164000 and 182168000) totaling approximately 38.64 acres, which are more particularly described in Exhibit A, which is attached hereto and incorporated by reference herein (together, the "Property"). Wollam has authority over and development control over the Property.

B. Clark County's 20-Year Comprehensive Growth Management Plan 2015-2035, as adopted by Ordinance No. 2016-06-12 and most recently amended by Interim Ordinance No. 2019-04-02 ("Comprehensive Plan"), provides that an Urban Holding Overlay Plan Designation and Zone ("UH Overlay") may be applied to property with a specific underlying urban zone when development policies require a legislative action pursuant to the requirements of Clark County Code ("CCC") Section 40.560.010 prior to urban development thereon.

C. The Comprehensive Plan applies the UH Overlay to certain property located within the Vancouver Urban Growth Area within the 179th Street Corridor ("179th Street Corridor"). The Property is within this 179th Street Corridor and is subject to the UH Overlay and a zoning overlay designation of Urban Holding-10 ("UH-10"), with underlying plan and zoning designations of Urban Medium Density Residential ("UM") and Residential ("R-12"), respectively.

D. The Connecting Washington transportation funding package approved by the 2016 Washington Legislature is expected to provide money for the reconstruction of the Interstate 5/179th Interchange during the period from 2023 to 2025.

E. The 179th Street Corridor comprises an area lacking in and requiring transportation improvements.

F. Other owners and developers of properties within the 179th Street Corridor (“Killian”, “Hinton”, and “Holt”, collectively “179th Street Developers”), as specifically depicted and identified in the attached Exhibit F attached hereto and incorporated herein (the “Other 179th Street Developments”), have proposed development agreements and transportation improvement plans that would alleviate the transportation deficiencies within the Corridor and facilitate economic development, provided that the UH Overlay is removed to allow for the underlying urban use to be developed.

G. The County finds that approval and implementation of development agreements related to the 179th Street Developments and removal of the UH Overlay would provide the private share contribution for the needed transportation improvements, including right-of-way and intersection and other improvements, thereby facilitating economic development within the area and its larger region.

H. CCC 40.560.010(I) provides that UH Overlay changes are processed through Type IV processes initiated by the County and consistent with the procedures and criteria under the Comprehensive Plan.

I. Clark County Code (“CCC”) 40.560.010.I.1 provides that plan map and rezone amendments removing the UH designation must be consistent with the procedures and criteria set forth in the Clark County 20-Year Comprehensive Growth Management Plan 2015-2035, (“Comprehensive Plan”). The Comprehensive Plan provides that to remove the UH overlay, the County must determine that the completion of localized critical links and intersection improvements are reasonably funded as shown on the County's 6-Year Transportation Improvement Plan or through a development agreement.

J. Pursuant to RCW 36.70B.170(1), any local government of the state of Washington is authorized to enter into a development agreement with any owner of real property within its jurisdiction setting forth the development standards that will apply to and govern and vest the development, use and mitigation of the development of the real property during the specified term of the agreement.

K. The County has determined that the proposed mitigation contained within this Agreement, will satisfy the Comprehensive Plan criteria requiring reasonable funding for the completion of localized critical links and intersection improvements, and therefore the UH Overlay will be removed from this Property.

L. The Developer has also proposed a Conceptual Plan for development of the Property, as depicted on Exhibit B and specifically described in Exhibit C, which are both attached hereto and incorporated herein. The Conceptual Plan shows proposed public trails within the development and enhanced pedestrian access to anticipated public transportation corridors and external properties.

M. The Parties desire to provide long-term predictability to both Developer and the County on various development issues through the implementation of this Agreement and its attendant Conceptual Plan. The Parties desire to plan for the development of the Property with advance funding for transportation improvements and predictable infrastructure and regulations.

N. Developer, the County, and the other 179th Developers have collaborated over a number of years through a public-private partnership, to facilitate the implementation of the Comprehensive Plan through the improvement of transportation infrastructure in the area of the 179th Street Corridor. This area faces challenges to development in order to fully implement the Comprehensive Plan, including lack of capacity on existing local roadways and intersections, lack of access to underdeveloped properties, and resulting traffic safety problems. Each Party has dedicated significant resources to planning for that area, which provides a gateway to development of currently underutilized land in the 179th Street Corridor. It is necessary for the Parties to complete certain planning efforts in the area, so that public and private funding will be available to complete the needed infrastructure, and that development of the infrastructure can go forward. Completion of certain intersections and other transportation links in the area will further implement the Comprehensive Plan and allow certain properties to develop, thereby generating further resources for more transportation improvements, and addressing the continuing harm to the public because of the problems and challenges listed above. This Agreement will document the completion of planning relevant to the subject Property, Developer's contributions to the completion of certain infrastructure in the area, and the County's assurances that Developer may proceed as set forth herein.

O. Developer's traffic engineer has prepared trip generation and distribution information based on the expected development of the Property in accordance with the Conceptual Plan (Exhibits B and C), and a copy of the trip generation estimates is attached hereto and incorporated herein as Exhibit E.

P. This Agreement addresses the Comprehensive Plan criteria to remove the UH plan and zoning overlays from the Property and includes Developer's agreement to satisfy the criteria through the construction of or reasonable funding of the mitigation measures, including the critical links and intersections, identified in Exhibit D, which is attached hereto and incorporated herein.

AGREEMENT

NOW, THEREFORE, the Parties agree as follows:

Section 1. Development Agreement. This Development Agreement is to be implemented under the authority of and in accordance with RCW 36.70B.170 – 210. It will become a contract between the Parties upon its approval by ordinance or resolution following a public hearing as provided in RCW 36.70B.170 and its execution by the Parties.

Section 2. Effective Date; Term of Agreement. The Effective Date of this Agreement is the later of the following: (1) the date ten (10) days after the day of the County's approval by ordinance or resolution determining that the completion of critical links and infrastructure improvements necessary for development of the Property are reasonably funded, following a public hearing as

provided for in RCW 36.70B.170, or (2) the date on which a fully executed version is recorded with the County Auditor. This Agreement will take effect upon the Effective Date and will terminate ten (10) years thereafter, unless extended or terminated by mutual written consent of the Parties.

Section 3. Conceptual Plan.

3.1 Purpose. The Conceptual Plan, attached hereto as Exhibits B and C, provides for design mitigation with additional pedestrian connections not required by the County Code for ease of use for public transportation and additional consideration of trail design within the project. The Conceptual Plan will provide the Parties with predictability regarding certain aspects of the future development of the Property, including access location on to public streets and external properties.

3.2 Preliminary plat approval. Developer's application for preliminary plat approval may be filed and the County will process such applications upon execution of this Agreement. No public hearing or decision will be made on any applications until the County removes the UH designation from the Property.

3.3 Engineering Plans. Concurrently with the County's review of any preliminary plat applications, Developer may submit engineering plans to the County and the County will review those plans in its normal course. If a preliminary plat is approved with design or conditions that are different from concurrently submitted and reviewed final engineering plans, then Developer will resubmit engineering plans that conform to the preliminary plat approvals. Any costs associated with such changes will be the responsibility of Developer. While the County agrees to allow concurrent review of land use applications and final engineering, nothing herein will be construed to require the County to provide expedited review that is different from the County's usual timelines for an application for land use or engineering review.

3.4 UH Designation Removal. No final engineering approval will be granted until the UH designation has been removed from the Property and a preliminary plat application has been approved. The application will be processed as a Type III land use application and reviewed by the County. Any approval criteria not addressed and found satisfied in this Agreement will be subject to the approval criteria in effect when the fully complete application is submitted, and will be addressed during the subdivision application and decision process.

3.5 Vesting. Except as set forth in this Agreement, future development of the Property is subject to the applicable provisions of the Clark County Code as of the Effective Date.

Section 4. Effect on Fees or Charges. As provided for in RCW 36.70B.180, during the term of this Agreement, the development standards provided for in this Agreement will not be subject to unilateral amendment, or amendment to zoning ordinances, development standards, or regulations, or a new zoning ordinance or development standard or regulation adopted after the effective date of this Agreement; provided, however, that except as set forth in Paragraph 6.3 of this Agreement, the vesting granted by this Agreement will not apply to impact fees, taxes, land use or permit application fees, building code provisions, or environmental regulations that do not vest according to Washington State law, which will be vested, determined or calculated consistent with the County's

provisions applicable on the date such fee, charge, or tax is triggered or according to the generally applicable rules for vesting of building code regulations and such environmental regulations. As provided for in RCW 36.70B, the County reserves the right to impose new standards or changes in development regulations to the extent required by a serious threat to public health and safety.

Section 5. Environmental Review. For the purposes of this Agreement, no additional SEPA review is required. Any required project-level SEPA review for development at the Property and subject to this Agreement will be submitted during the preliminary plat application process.

Section 6. Traffic.

6.1 Traffic Study. Kittelson and Associates Transportation Engineers and the County have analyzed the transportation impacts of the full development (based on the conceptual set of future uses and square footages) of the Property as identified in the traffic study and the Conceptual Plan. Based upon this set of uses, the Property at full development will increase the existing number of PM peak hour trips on the transportation system by 325 trips. The trip generation estimates are set forth, attached hereto, and incorporated herein as Exhibit E.

6.2 Anticipated Impacts. Based upon Kittelson's analysis as approved by the County, the future development of the Property will be conditioned upon the mitigation measures and timing of construction as provided for in Exhibit D.. The Property will be vested during the term of this Agreement with 325 PM peak hour and 3,250 average daily trips and no off-site transportation mitigation or analysis, other than that provided for in this Agreement, will be required in conjunction with development of the Property during the term of this Agreement; provided however that in the event Wollam proposes uses or intensities of uses that would cause the total number of PM peak or average daily trips to exceed the number of trips set forth in this Section 6.2, then the County shall require additional transportation analysis and lawful mitigation, according to the standards in effect for all of the proposed uses and/or intensities of uses, and for all of the trips . The transportation vesting provided for in this Section will be subject to the mitigation measures and the timing provided in Exhibit D. Some of the transportation improvements may be on the County's Transportation Capital Facility Plan. Wollam , upon construction of qualifying transportation improvement, will be eligible to apply for TIF Credits, but only if such improvements are eligible for credits under the County's applicable Capital Facilities Plan and TIF programs.

6.3 Traffic Impact Fees; Advance Payment. To increase the County's ability to fund and construct certain transportation improvements in the area that will provide systemic benefits in excess of the impacts that will be created through the implementation of the Conceptual Plan, Developer agrees to accelerate the manner in which Developer or a successor in interest to the Property would pay Transportation Impact Fees ("TIFs"). Developer will pay TIFs associated with the Property based on the TIF rate applicable at the time this Agreement becomes effective. In addition to the payment of TIF, Developer will also pay the Surcharge as described below. Instead of paying TIFs as the time of individual building permits, as it currently provided for by the County's Code, Developer, or its successor in interest, agrees to the following permit application and TIF payment schedule.

a. Developer shall submit a fully complete application for preliminary plat approval of approximately 325 lots prior to February 15, 2020 with a phasing Development Agreement: Rominger Homeplace LLC/BTMC, LLC (Wollam) – Clark County

plan. Assuming Developer receives preliminary plat approval and no appeal is filed, Developer will pay within 30 days of receiving preliminary plat approval the sum of \$3,025.00 for each lot receiving preliminary plat approval.

b. Developer shall submit a fully complete application for final plat Phase I approval for 125 lots prior to December 31, 2021. Developer shall submit a fully complete application for final plat Phase II approval for 100 lots prior to December 31, 2022. Developer shall submit a fully complete application for final plat Phase III approval for 100 lots by July 15, 2023. If Developer submits an application for final plat approval for all lots, assuming Developer receives final plat approval, Developer will pay \$3,025.00 for each lot receiving final plat approval. Developer may alternatively submit an application for final plat approval for the lots in phases. If Developer submits an application for final plat approval for a certain amount of lots in multiple phases, assuming Developer receives final plat approval for those respective phases, Developer will pay \$3,025.00 for each lot receiving final plat approval in the respective phase.

c. In addition to the TIF, Developer shall pay an additional surcharge in the amount of \$3,500.00 per lot (the "Surcharge") for each building permit for each lot developed on the Property. Developer shall pay the Surcharge at the time of the issuance of the building permit. Developer anticipates applying for building permits following the approvals of each phase as provided in paragraph 6.3(b) above. Regardless of the schedule provided for in Section 6.3.(a)-(b) above, Developer agrees that by December 31, 2023, if the combined amount of TIF and Surcharge already paid by Developer is less than \$1,400,000.00, then Developer shall, on or before December 31, 2023, pay to the County the difference between what Developer has paid in combined TIF and Surcharge and \$1,400,000.00 (the "Gap Amount"). The Gap Amount will be applied in the future to subsequent preliminary plat, final plat, or building permit applications on the Property as pre-paid TIF or prepaid Surcharge. Nothing in this Agreement limits to \$1,400,000.00 Developer's total obligations to pay combined TIF and Surcharge that may arise from the Property's future development approvals.

d. Notwithstanding any other provision of Section 6 of this Agreement relating to timing of the submission of a preliminary plat application or the submission of a final plat application, Developer need not submit any of the applications referenced in Section 6 of this Agreement, if Developer timely makes the payment that otherwise would be due if such application has been submitted and approved. Nothing in this paragraph will be construed to alter the dates upon which such TIF payments will be made to the County as provided for in Section 6 of this Agreement, regardless of whether Developer submits any land use applications.

e. If Developer fails to timely make any payment due pursuant to Section 6 of this Agreement, Developer may not submit, and County may not process, any further land use or permit application relating to development of the Property until all payments then due in accordance with Section 6 have been fully made.

Section 7. Threat to Public Health. Nothing in this Section will preclude the County from requesting information on the potential adverse environmental impacts associated with a specific land use application that have not been previously analyzed as required under SEPA.

MISCELLANEOUS PROVISIONS

Section 8. Recitals. The Recitals contained herein are agreed to be binding obligations on the Parties, as their terms provide.

Section 9. Counterparts. This Agreement may be executed in counterparts; however all signature pages will be recorded together, and the complete recorded Agreement, including Exhibits A-F, will constitute the final instrument.

Section 10. Amendments; Termination. The Parties may agree to any amendments to this Agreement to facilitate necessary infrastructure improvements and other matters; provided, however, that this Agreement may only be amended by mutual, written agreement of the Parties that is approved by the Clark County Council pursuant to a Type IV legislative process as set forth in the Clark County Code. This Agreement will terminate upon the mutual agreement of the Parties in writing, which will be recorded, or upon expiration of the Term, whichever first occurs.

Section 11. County's Reserved Authority. Notwithstanding anything in this Agreement to the contrary, the County will have the authority to impose new or different regulations to the extent required by a serious threat to public health and safety as required by RCW 36.70B; provided, however that traffic congestion is not a serious threat to public health and safety, and that such action will only be taken by legislative act of the Clark County Council after appropriate public process.

Section 12. Authorization. The persons executing this Agreement on behalf of County and Developer are authorized to do so and, upon execution by such parties, this Development Agreement will be a valid and binding obligation of such parties in accordance with its terms. Developer has obtained any and all consents required to enter into this Agreement and to consummate or cause to be consummated the transactions contemplated hereby.

Section 13. Run with the Land. This Agreement will run with the land and be binding on the Parties' successors and assigns, and will be recorded with the Clark County Auditor.

Section 14. Public Hearing. The Clark County Council has approved execution of this Agreement by resolution after a public hearing.

Section 15. Dispute Resolution. Should a disagreement arise between the Parties, the Parties agree to attempt to resolve the disagreement by first meeting and conferring. If such meeting proves unsuccessful to resolve the dispute, the disagreement may be resolved by a civil action.

Section 16. Venue. This Agreement will be construed in accordance with the laws of the State of Washington, and venue is in the Clark County Superior Court.

Section 17. Attorneys' Fees. If a suit, action, or other proceeding of any nature whatsoever (including any proceeding under the U. S. Bankruptcy Code) is instituted in connection with any

controversy arising out of this Agreement or to interpret or enforce any rights or obligations hereunder, the prevailing party will be entitled to recover its reasonable attorney fees and costs. . It is understood and agreed that to the extent Clark County prevails in a suit, action or other proceeding relating to this agreement, it will be entitled to recover it's reasonable attorney fees calculated on an hourly basis regardless of whether it is represented by in house counsel and/or outside counsel.

Section 18. Performance. Failure by any Party at any time to require performance by the other Parties of any of the provisions hereof will not affect the Parties' rights hereunder to enforce the same, nor will any waiver by a Party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this clause.

Section 19. Severability. If any portion of this Agreement will be invalid or unenforceable to any extent, the validity of the remaining provisions will not be affected thereby.

Section 20. Inconsistencies. If any provisions of the Clark County Code and land use regulations are deemed inconsistent with this Agreement, the provisions of this Agreement will prevail, excepting the County's reserved authority described above.

Section 21. Survival. Any promise or condition set forth in this Agreement, the full performance of which is not specifically required prior to the expiration or earlier termination but which by its terms is to survive the termination of this Agreement, will survive the expiration or earlier termination of this Agreement and will remain fully enforceable thereafter.

Section 23. No Benefit to Third Parties. The Parties are the only parties to this Agreement and are the only parties entitled to enforce its terms, except as otherwise specifically provided in this Agreement. There are no third-party beneficiaries.

Section 24. Entire Agreement. This Agreement, including its exhibits attached hereto, constitutes the entire agreement between the Parties as to the subject matter.

Section 25. Notices. All notices will be in writing and may be delivered by personal delivery, by overnight courier service, or by deposit in the United States Mail, postage prepaid, as certified mail, return receipt requested, and addressed as follows:

County: Attn. Shawn Hennessee, County Manager
PO Box 5000
Vancouver, WA 98666-5000

With a copy to: Christine Cook or

Vancouver, WA 98683

Notices will be deemed received by the addressee upon the earlier of actual delivery or refusal of a party to accept delivery thereof. The addresses to which notices are to be delivered may be changed by giving notice of such change in address in accordance with this notice provision.

Section 26. Interpretation of Agreement; Status of Parties. This Agreement is the result of arm's-length negotiations between the Parties and will not be construed against any Party by reason of its preparation of this Agreement. Nothing contained in this Agreement will be construed as creating the relationship of principal and agent, partners, joint ventures, or any other similar relationship between the Parties.

Section 27. Future Assurances. Each of the Parties will promptly execute and deliver such additional documents and will do such acts that are reasonably necessary, in connection with the performance of their respective obligations under this Agreement according to the Schedule so as to carry out the intent of this Agreement.

**DEVELOPMENT CONCEPT
NE 179TH STREET SUBDIVISION**

**WOLLAM & ASSOCIATES
CLARK COUNTY, WASHINGTON**

EXHIBIT C

Conceptual Plan Narrative

- The project contemplates approximately 325 single family residential lots consistent with the Development Agreement and Exhibit E
- This project will conform to the Urban Medium Residential R-12 zoning and Clark County Development Code with a mix of detached and attached single family housing products
- The Clark County Fairgrounds, Sunlight Supply Amphitheater, Fairgrounds Community Park, and Whipple Creek Regional Park are located either adjacent or in the nearby vicinity and the development contemplates a trail to connect with these existing amenities and provide potential for further continuation of additional of a trail off site.
- The project contemplates a trail running across in an west to east direction across the Property to connect with the Fairgrounds Property on the Property's eastern boundary
- The trail will have a dedicated pathway and will provide direct access to the NW 11th Avenue a public street
- The project also contemplates additional pedestrian pathways between the development and NW 179th Street which are currently not required by the Clark County Development Code
- The development will not take direct access onto NW 179th Street, but will take its access for the subdivision via two locations on NW 11th Avenue
- The Development will provide for future connections via stubbed public streets and necessary dedications

EXHIBIT D

Mitigation Measures and Timing of Construction

Development of the Wollam Property presumes several planned transportation improvements will be constructed or deemed reasonably funded within six years along the NE 179th Street corridor which the Developer will be contributing financially towards. The assumed improvements include:

1. Completion of NE 10th Avenue between NE 154th Street and NE 164th Street (currently under construction by Clark County)
2. Reconfiguration of the I-5 Northbound off-ramp/NE 179th Street intersection to provide:
 - Two northbound left-turn lanes and two northbound right turn lanes; and
 - Two westbound through lanes and a separate westbound right-turn lane to the I-5 northbound on ramp
3. Widening and competition of the NE 15th Avenue between NE 179th Street and NE 10th Avenue to an ultimate improvement width (providing two westbound and two eastbound through travel lanes between the I-5 Northbound off-ramp/NE 179th Street intersection and NE 15th Avenue);
4. Construction of a new multi-lane roundabout on NE 179th Street approximately midway between NE 15th Avenue and the I-5 Northbound off-ramp;
5. Construction of a new multi-lane roundabout on NE 179th Street at NE 15th Avenue (replacing the existing traffic signal);
6. Construction of a new multi-lane roundabout on NE 179th Street at NE 15th Avenue and NE 10th Avenue (allowing for termination of the existing NE 10th Avenue connection to NE 179th Street); and
7. Termination of the Union Road at NE 179th Street through provision of alternative access for properties along Union Road south of NE 179th Street

The following improvements will occur in conjunction with site development.

1. Frontage improvements along NE 179th Street to meet the specifications of the County's arterial atlas and road standards.
2. Frontage improvements along NW 11th Avenue to meet the specifications of the County's arterial atlas and road standards.
3. Other conditions of approval as conditioned as part of the subdivision approval process.

Recommended Mitigations

Project	Phase	Recommended Mitigation on NE 179 th Street between NE Delfel Road (North) and NE 15 th Avenue
Kilian Pacific/Three Creeks Master Plan	60,000 Sq. Ft. Retail (DA Approved Phase 1)	No mitigation required, proceed as previously approved.
	Three Creeks North Phase 1 (up to 200 single family detached homes and 326 apartment units)	1) NE 15 th Avenue/NE 179 th Street Intersection: construct an eastbound right-turn lane with a right-turn signal overlap While not required for concurrency, consider voluntary improvements to terminate Union Road connection to NE 179 th Street
	Phase 2 NE 179 th Street Commercial Center (DA Approved Phase 2)	1) Construction of a new multi-lane roundabout on NE 179 th Street (with separate southbound right-turn lane) approximately midway between NE 15 th Avenue and the I-5 Northbound off-ramp (NE 12 th Avenue) 2) Elimination of the existing NE 10 th Avenue connection to NE 179 th Street aligned with the I-5 Northbound off-ramp (Refer to Figure 4) 3) Temporary extension of NE 10 th Avenue to the new NE 12 th Avenue multi-lane roundabout (forming the north approach to the roundabout)
Mill Creek PUD	PUD Buildout (606 single family homes and 99 townhomes)	a. This change allows for re-routing the existing NE 10 th Avenue trips on an interim basis, creating capacity at the I-5 Northbound off-ramp/NE 179 th Street Intersection b. In the alternative, the temporary NE 10 th Avenue extension would be unnecessary if NE 15 th Avenue is first extended from NE 179 th Street to NE 10 th Avenue. Should NE 15 th Avenue be constructed first, the north approach of the new NE 12 th Avenue roundabout would be operated as a local street connection to serve properties between the NE 15 th Avenue extension and NE 179 th Street.
Hinton Property	129 single family homes	4) Reconfiguration of the I-5 Northbound off-ramp/NE 179 th Street intersection to provide: a. two northbound left-turn lanes and two northbound right-turn lanes; and b. two westbound through lanes and a separate westbound right-turn lane to the I-5 northbound on-ramp
Wolsten Property	220 single family homes	5) Widening of NE 179 th Street to provide two westbound and two eastbound through travel lanes between the I-5 Northbound off-ramp/NE 179 th Street intersection and the new NE 12 th Avenue roundabout
		6) Termination of Union Road south of NE 179 th Street through provision of alternative access for properties along Union Road south of NE 179 th Street 7) Widening of NE 179 th Street between the new NE 12 th Avenue roundabout and NE 15 th Avenue to provide: a. two eastbound through travel lanes through the NE 12 th Avenue roundabout, with the second eastbound lane becoming an interim right-turn drop lane at NE 15 th Avenue; and b. one westbound through lane at NE 15 th Avenue that opens to two westbound through travel lanes approaching the NE 12 th Avenue roundabout. 8) Modification of the NE 15 th Avenue/NE 179 th Street intersection: construct a westbound left-turn lane

2.1.2 Tenny Creek COMMONS

Tenny Creek Commons is envisioned as a compact neighborhood center emphasizing a variety of multifamily uses and supporting small scale retail uses. Redevelopment will be configured to use Tenny Creek as an amenity and provide enhanced environmental conditions.
