DESIRED DATE: December 20 (scheduled)  
SCHEDULED DATE OF WORK SESSION: \_\_\_\_\_

4. **TIMING CONSIDERATIONS:** Councilor request

5. **DESIRED RESULTS:** Clark County currently does not allow cannabis sales in the unincorporated county. Councilors want a broadly based data oriented information worksession on cannabis and its impact on the health, safety, welfare and economy of the county.

6. **IMPACTS (COMMUNITY/FINANCIAL/STAFF/OTHER):** In previous policy making efforts, the Sheriff, Health and Community Services staff provided data that lead Council to conclude the law, justice, health and human services impacts of widening access to cannabis outweighed potential excise tax generation and/or potential improvements in access for customer groups.

7. **POLICY IMPLICATIONS:** Review of data does not have a policy implication.

8. **ISSUES TO BE CONSIDERED:**

The worksession agenda is likely to include a review of:

State law highlights  
Conflict between state and federal law  
Availability in neighboring communities  
Volume of use estimates and demand  
Black markets and legal markets  
State licenses within Clark County  
County code violations

2016-17 excise tax distributions  
Impacts on local law enforcement  
Health impacts

Marijuana and substance abuse disorders  
County election results for I-502
