

**CLARK COUNTY BOARD OF COMMISSIONERS
BOARD TIME
MINUTES OF AUGUST 20, 2014**

The Board of Commissioners convened at 1300 Franklin St, Vancouver, Washington 98660, Conference Room B.

Defense for the Spencer Case

Chris Cook, Prosecutor's Office, presented. The Prosecutor's Office recommended that the Board authorize the continued payment of attorneys' fees and costs to defend former employees Detective Sharon Krause and Sgt. Mike Davidson in an expected appeal by Clyde Ray Spencer of the federal district court's ruling overturning a jury verdict of \$9 million in favor of Spencer. If Krause and Davidson appealed, the county would not be obliged to pay for their legal representation. In an appeal by Spencer, the county's agreements with Krause and Davidson require that the county continue to provide their defense.

ACTION: Moved by Madore to **ACCEPT** the recommendation to provide defense representation. Barnes seconded the motion. Commissioners Mielke, Madore and Barnes voted aye. Motion carried.

La Center Comprehensive Plan

Chris Cook, Prosecutor's Office, presented. The Prosecutor's Office recommended that the Board authorize the county's continued participation in, and response to, further proceedings related to the favorable decision of the Western Washington Growth Management Hearings Board. The Growth Board had ruled that the City of La Center violated GMA when it adopted comprehensive plan provisions that were inconsistent with Clark County's Countywide Planning Policies. The city's new plan provisions would have allowed extension of sewer, an urban service, beyond the city's urban growth boundary to the county's rural area in anticipation of a casino being built there by the Cowlitz Tribe.

ACTION: Moved by Madore to **ACCEPT** the Prosecuting Attorney's advice to uphold the county wide planning policies and continue to represent the County in this matter. Mielke seconded the motion. Commissioners Mielke and Madore voted aye. Barnes voted nay. Motion carried.

After a lengthy discussion it was decided to not have an online survey due to Commissioner Madore's concerns regarding the legitimacy of a survey.

ACTION: Moved by Madore to **APPROVE** the request to hold a Public Hearing to revise the Fireworks Ordinance. The proposed changes to the ordinance would be that the current sale dates would remain the same and change the discharge dates to July 4 and December 31. Barnes seconded the motion.
