

Community Collaboration Resolution

WHEREAS, major transportation improvements are needed to better connect and unite our bi-state community, encourage additional freight throughput, add much needed cross-river traffic lanes, improve our interstate commerce, and improve our economic health; and

WHEREAS, ample evidence of broad citizen support is essential to the success of such major transportation projects; and

WHEREAS, endeavors, ideas, and projects are improved when differences are expressed interactively, scrutiny is welcomed, and collaboration is fostered; and

WHEREAS, a commitment by community leaders and citizens to work together with goodwill establish the necessary conditions for success; now, therefore;

BE IT ORDERED, RESOLVED AND DECREED BY THE BOARD OF COMMISSIONERS OF CLARK COUNTY AS FOLLOWS:

Section 1. In support of this Resolution, the Clark County Board of Commissioners adopts as its findings the recitals set forth above and the supporting references below.

Section 2. The Clark County Board of Commissioners hereby commits to collaborate with local and state leaders, working with goodwill to foster healthy communication to identify, optimize, and prioritize solutions consistent with the above findings.

Section 3. All other regional leaders are invited to join the Clark County Board of Commissioners in a coalition of goodwill dedicated to accomplishing these goals.
