SUBJECT: Award of Bid #2626 – Annual Plant Materials

This bid shall result in an annual requirements contract to provide plants of various sizes and grades to be used for various capital road projects in Clark County

Purchasing received four responses to Bid #2626. The bids were checked for accuracy, content, and compliance to specifications.

Upon review of the bids, it was found that not one of the bidders could supply all the plant material.

Part VI Bid Specification allows for a multiple supplier award and therefore Purchasing and Environmental Service recommend the Annual Plant Material Bid be awarded as follows:

1. Award all plant material except the two species (see spreadsheet), the bidder could not supply, to the lowest responsible bidder Watershed Garden Works of Longview, WA - in the total bid amount of \$11,169.27 including Washington State Sales Tax.
2. Award the two remaining plant species (see spreadsheet), to the lowest responsible bidder Beaverlake Nursery of Beaver Creek, OR - in the total bid amount of \$11,211.27 including Washington State Sales Tax.
