Oct. 20, 2015

Chief Jerry Green
Clark County Fire District #6
8800 N.E. Hazel Dell Ave.
Vancouver, WA 98665

Dear Chief Green,

The EMS District 2 board has learned the chief officers of the three fire districts within the EMS district have met, and District 6 offered to take the lead in reviewing system-wide EMS data in the future. We greatly appreciate District 6's commitment and Capt. Mike Hollingsworth's willingness to extend his expertise for the benefit of the entire EMS district.

We are confident in Capt. Hollingsworth's ability to serve as a liaison between the city of Vancouver and EMS district members about the system-wide performance.

Please consider this letter his formal appointment in that role on behalf of EMS District 2.

Yours truly,

David Madore
Chair, EMS District 2

CC: Joe Molina, City of Vancouver Fire Chief
