	ix. Policy 5.6.5 A proportionate share of funding for growth related roadway projects shall be obtained from Traffic Impact Fees.		
	<b>d. Chapter 6 Housing</b>		
	i. Policy 2.4.7 Encourage the creation of housing that is energy efficient, resource efficient and has high indoor air quality.		
	ii. Policy 2.7.3 Encourage housing that is created using the principles of Universal Design.		
	3) New Strategies from Aging Readiness Plan 1. Preserve and expand rental housing for seniors with incomes below 60 percent (established federal guidelines) of the area's median income. 2. Weatherize homes to reduce energy costs. Provide information, education and assistance to moderate income households who do not qualify for the federal weatherization assistance program but cannot afford the initial weatherization investment. 3. Encourage a not-for-profit organization or community land trust to purchase homes, remodel using universal design principles, then resell the homes at affordable costs. To ensure that homes will remain affordable, the organization or trust could employ resale-restricted principles of shared equity ownership. 4. Develop a Clark County Universal Design Information Guide to assist homeowners in increasing the ease and flexibility of their home. 5. Incorporate universal design principles in Clark County's building code review process. 6. Facilitate the development of Accessory dwelling units (ADU's) – by exempting

	the Secretary of the Interior's Standards for Rehabilitation, in consultation with the Clark County Historic Preservation Commission.		
	xiv. Policy 8.3.2 Identify, on a regular basis, County-owned properties that may be historically significant. Listing in the Clark County Heritage Register should be considered for county properties when appropriate.		
	xv. Goal Devise and implement strategies and incentives that encourage historic preservation.		
	xvi. Policy 8.4.1 Continue to utilize the Clark County Historic Preservation Commission as the authority and advisor to the County Planning Commission, the Board of County Councilors and other county agencies in matters of historic preservation.		
	xvii. Policy 8.4.2 Expand the variety of incentives available to property owners to encourage historic preservation. Although many cultural resources are in private ownership, public agencies can offer incentives for their preservation and maintenance.		
	xviii. Policy 8.4.3 Develop methods to link cultural resource preservation with local economic development strategies, such as rehabilitation of commercial buildings, neighborhood revitalization and tourism.		
<b>f. Chapter 11 Community Design Element</b>			
	i. Policy 11.2.1 Facilitate development and create standards to achieve the following: (a) Increased streetfront use, visual interest, and integration with adjacent buildings; (b) Improved pedestrian connections and proximity of uses within developments; (c) Enhanced sense of identity in neighborhoods and subareas; and (d) Publicly and/or privately owned gathering spaces facilitating interaction.		
	ii. Policy 11.2.3 Encourage the development of urban activity centers that foster community identity and reduce reliance on automobiles.

	iii. Policy 11.2.8 Promote improved public health by encouraging integrated land use and street patterns with sidewalk and recreational facilities that support walking or biking and provide easy access to healthy food.		
	iv. Policy 11.2.9 Encourage the development of age-friendly communities that have affordable and appropriate housing, supportive community features and services, and adequate mobility options, to facilitate personal independence and the engagement of residents in civic and social life.		
	<b>g. <u>Title 40 Clark County Unified Development Code Amendments</u></b>		
	Approve the proposed Title 40 code language as presented.		
	i. CCC 40.210 Resource and Rural Districts: Reduce minimum lot size in the Agriculture district from 20 acres to 10 acres, and reduce minimum lot size in the Forest district from 40 acres to 20 acres; the Forest 80 for minimum lot size of 80 acres will be retained.		
	<b>A:</b> CCC 40.210.010 includes proposed clustering requirements for resource lands <b>OR</b>		
	<b>B:</b> CCC 40.210.010 includes proposed land division for resource lands, to include clustering as an option.		
	ii. CCC 40.230.010 Commercial Business Mixed Use: Combine the three commercial zones into a single Comp Plan (C) designation. Change the zoning code for Neighborhood Commercial from C-1 to NC and for Community Commercial from C-2 to CC. Include each zone's locational criteria from the Comp Plan to the Unified Development Code.

	iii. CCC 40.230.090 Public Facilities Zone: Create a development code section for already developed public facilities.		
	iv. CCC 40.250.040 Resort Overlay: Add language regarding new resorts from the comprehensive plan.		
	v. CCC 40.250.090 Equestrian Overlay: Add previously approved language to the development code.		
	vi. CCC 40.250.100 Urban Reserve Overlay: Make it a true overlay and move to overlay section of the development code and also the Industrial Urban Reserve overlay will be removed.		
	vii. CCC 40.250.110 Urban Holding Overlay: Make it a true overlay and move to overlay section of the development code. Urban Holding 40 (UH-40) will be removed because there is no land designated urban holding that has a minimum lot size of 40 acres. Finally all references to Railroad Industrial Overlay will be removed because there is no place on the comprehensive plan map to implement this district.		
	viii. CCC 40.260.157 Parks: Expand the existing neighborhood parks code section to include development standards for community and regional parks as approved by the Parks Advisory Board at their February 12 meeting.		
	ix. CCC 40.560 Plan and Code Amendments: This amendment provides consistency between capital facility plans: Parks, Transportation and Schools. CCC 40.560.010 (M) includes a new amendment that prohibits the expansion of an urban growth area (UGA) into the 100-year floodplain of a river. RCW 5 36.70A.110(8)		
	x. CCC 40.620 Maintains consistency between county code and technical documents.
