Quality Schools Advisory Committee

Background:

- * 2006 - The county created the Quality Schools Advisory Committee to inform the 2007 Comp Plan update
 - * Quality education
 - * Impacts of growth and development
 - * Quality facilities
 - * Proactively respond to growth
- * 2007 - New Comprehensive Plan School Element adopted
- * 2007-2011 Focused on fees, legislative issues and capital projects

Quality Schools Advisory Committee

Purpose of reconvening the advisory committee allows the school districts:

- * A forum to jointly collaborate with elected officials and the community
- * To develop a joint understanding of school issues
- * To formulate recommendations on issues as a single entity

Quality Schools Advisory Committee

Benefits:

- * A collective understanding of issues affecting schools
- * Centralized focus to find solutions to complex issues
- * Creates a stronger community with quality schools
- * Develop and recommend policy/legislative issues

Quality Schools Advisory Committee

Composition of the new advisory committee:

- * Local government representatives (elected officials, superintendents, school board, utility, etc.)
- * Non-Profit and/or associations (BIA, CREDC, etc.)
- * Private interests/neighborhoods
- * Facilitator

Quality Schools Advisory Committee

Next Steps:

- * Develop a scope of work with the county manager.
- * Invite participants to a half-day facilitated meeting once a year (May or September) to outline school regional issues, develop recommendations and identify an implementation strategy.
- * Identify a facilitator.
- * Utilize an existing ESD112 work group for technical issues such as signage code.

Quality Schools Advisory Committee

- * Does the Board want to reconvene the Quality Schools Advisory Committee?
- * Does the Board want to amend Community Planning's work program to include the oversight of the committee?
