**DEPARTMENT:** District Court Corrections

**DATE:** March 14, 2017

**REQUESTED ACTION:**

Approval by the Board of County Councilors to name Decision Points Authors LLC as the sole-source vendor for development of a customized *Decision Points* curriculum with a DUI emphasis.

Consent  Hearing  County Manager

---

## BACKGROUND

District Court was awarded a grant from Washington Traffic Safety Committee (WTSC). Acceptance of this grant was approved by the Board of County Councilors on October 6, 2016. This grant funding is part of the WTSC's Target Zero Plan, which has a bold vision to eliminate traffic deaths and serious injuries on the State's roads by 2030. To support the Target Zero Plan, WTSC established the Washington Impaired Driving Advisory Council (WIDAC) in 2009. In alignment with Target Zero, the WIDAC provides a comprehensive strategy for preventing and reducing impaired driving behaviors. To support WIDAC strategies, the WTSC has made available the state impaired driving grant funding for the 2015-2017 Biennium. The State's source of funding comes through a grant with the USDOT National Highway Traffic Safety Administration (NHTSA).

This WTSC grant included funding for the development of a customized, DUI focused program based on the *Decision Points* curriculum. District Court is requesting approval to contract with *Decision Points Authors LLC* for development of an evidence-based cognitive-behavioral program that will provide a facilitator certification workshop for our staff and train them to deliver *Decision Points* workshops to higher risk DUI offenders. The total agreement amount is \$49,500 and the term will be effective 3/7/17 through 9/30/17.

The Department has provided a letter from the contractor regarding the fact that there are no other similar program resource options targeted to this population or provided in a similar manner. The authors (Taymans, Bush, Robinson, and Swisher) are the sole-source providers for the *Decision Points* program and training; and there are no other distributors of this product.

This Resolution waives the competitive bid negotiation requirements of RCW 39.04.270 due to a sole-source purchase. The Resolution has been approved by the Prosecuting Attorney's Office.

participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, the department or agency with which this agreement originated may pursue available remedies, including suspension and/or debarment.

3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definition and Coverage sections of 49 CFR Part 29.
