DEPARTMENT: Public Works / Transportation and Lands Division/ Programming

DATE: April 25, 2017

REQUESTED ACTION: Approve Notice to Contractors to advertise for bids for the Highway 99 Pedestrian/Bicycle Improvements Project, CRP# 351322.

Consent Hearing County Manager

PUBLIC WORKS GOALS:

- Provide safe and efficient transportation systems in Clark County
- Create and maintain a vibrant system of parks, trails and green spaces
- Continue responsible stewardship of public funds
- Promote family-wage job creation and economic development to support a thriving community
- Maintain a healthy, desirable quality of life
- Increase partnerships and foster an engaged, informed community
- Cultivate a nimble, responsive work force
- Make Public Works a great place to work

BACKGROUND

This project will replace heaved and broken sidewalk along the west side of Highway 99 with a wider, disabled-accessible sidewalk between NE 63rd Street and NE 78th Street. A mid-block pedestrian crossing with a High-intensity Activated CrossWalk (HAWK) beacon will be constructed about 800 feet south of NE 78th Street. A buffered bicycle lane will be added on the west side of Highway 99, along with a bicycle repair station.

For the safety of workers and the traveling public, Clark County may temporarily close portions of one travel lane to through traffic at various times during construction, until October 2017.

The construction documents are complete. Board approval of the attached Notice to Contractors is needed to authorize advertisement of this project once funding approvals from the Washington State Department of Transportation and the Washington State Transportation Improvement Board are received. These approvals are expected in one to two weeks.

COUNCIL POLICY IMPLICATIONS

None. This project supports the Council's policy of investing in the county road system by providing safe and efficient transportation systems for all county residents.

ADMINISTRATIVE POLICY IMPLICATIONS

None. The project is included in the 2017-2022 Transportation Improvement Program (TIP), 2017 Annual Construction Program (Item #19) and 2017-2018 budget.

COMMUNITY OUTREACH

Outreach for the 2017-2022 TIP included two work sessions and a hearing with the BOCC and presentations to Clark County Planning Commission, Development and Engineering Advisory Board and Clark County Finance Committee, as well as neighborhood outreach and information on the county website. A SEPA review was also included in the Capital Facilities Plan approval process.

PW17-047

Project-specific outreach was conducted with adjoining property owners along with a presentation to the Hazel Dell-Salmon Creek Business Association in May 2016. An informational 'Heads Up' mailing was sent to property owners and tenants along the corridor. Additional outreach with property owners and tenants will be done once a contractor is selected.
