DEPARTMENT: Public Works, Parks and Lands Division

DATE: April 21, 2020

REQUESTED ACTION: Authorize the submittal of a grant application to the Washington State Recreation and Conservation Office for the development of Kozy Kamp Neighborhood Park.

Consent Hearing County Manager

BACKGROUND

In 2001, Clark County accepted Tax Parcel No. 181962000 from Elwyn and Noralee Stanton. The five acre parcel, located at 17410 Northeast 29th Avenue, will be developed as a public neighborhood park.

Kozy Kamp Neighborhood Park is planned to include walking paths, a picnic shelter, benches, a berm with embankment slides, a playground, a half-court basketball court and a habitat garden. This park was identified as one of 35 community and neighborhood parks to be developed when voters created the Greater Clark Parks District in 2005. With 31 parks completed, Kozy Kamp Neighborhood Park is prioritized for development.

In addition to being a priority of the Greater Clark Parks District, the County Council approved the 2015 Parks, Recreation and Open Space (PROS) Plan and parks facilities plan which prioritizes the development of this recreation facility. Public Works intends to seek grants from the Washington State Recreation and Conservation Office to leverage county funds. The Recreation and Conservation Office requires the approved resolution be submitted, with the grant application, no later than May 1, 2020, to be eligible for the funding award(s).
