Clark County Council

Rules of Procedure

Revised August 22, 2017

I. General Provisions

- A. On Jan. 1, 2015, the Clark County charter separated the legislative and executive powers into two branches of county government. The charter vests the county's legislative process not reserved to the people or executive branch in the Clark County Council. See Article 2 of the charter.
- B. Except as otherwise provided by the charter or RCWs, these rules of procedures will govern the conduct of business of the county council.

II. County Council

Clark County will be governed by the Clark County Council. The council has five (5) members. How they are elected is determined in accordance with Washington law and the Clark County charter. The council will comply with the Washington Open Public Meetings Act.

III. Chair and Vice-Chair

- A. The councilor elected countywide will be council chair. The council annually will elect one (1) of its members as vice-chair, and she or he will act in the absence of the chair.
- B. The chair will preside over and ensure orderly, efficient council meetings. The chair, or his or her designee, will be the county's spokesperson to: articulate council policies, visions, strategies and plans; represent the county before the governor, state legislature and other state and federal agencies; meet and greet important visitors; supervise constituent response processes for the council as a whole; and serve as the county's lead representative at dedications, ceremonial activities and other public events. In cases of the chair's absence, the vice-chair will preside at council meetings.
- C. The council chair will serve on all boards and commissions that require representation by two (2) or more councilors. Otherwise, the council will vote to appoint its members to serve on such boards or commissions.
- D. If a vacancy occurs in the office of the council chair or vice-chair, the remaining councilors will elect a replacement following the procedures of Washington Constitution Art. II, Section 15.
- E. The chair will authorize and oversee an online tool by which staff records and tracks details of constituent complaints or concerns voiced to council members. Councilors have equal access to the site, but can request a verbal explanation of a resolution.

IV. Regular Meetings

- A. The council's regular meeting days are set in Clark County Code Chapter 2.04.
- B. Council meetings will formally convene at 10 a.m. every Tuesday, except the first Tuesday of each month when the council will convene at 6 p.m. All meetings will be held in the sixth-floor Hearing Room of the Public Service Center in Vancouver, unless otherwise noted.
- C. The council will meet in Council Time typically at 1:30 p.m. Wednesday. Council Time allows councilors and staff to discuss pending matters of county business in a less

formal setting. Minutes of Council Time will be taken by the county manager or his designee via audio recording and uploaded to the county website at the conclusion of the meeting. Executive sessions, if needed, generally will be scheduled near the end of meetings, but may be scheduled at any other time during these meetings.

V. Special Meetings

Special council meetings may be requested by any councilor. The request will be addressed to the council chair and specify the time, place and reason for such meeting. After receiving the chair's approval, the Clerk to the Council will immediately, but no later than 24 hours prior to the meeting, transmit written notice of the meeting to each councilor. The clerk also will disseminate notice of the meeting, placing it on the county website and emailing it, on request, in accordance with RCW 42.30.080.

VI. Quorum

A quorum is necessary for the transaction of council business. A majority of three (3) councilors will constitute a quorum and is the minimum number of votes required to take any action, regardless of the number of councilors present; provided passage of emergency ordinances and council-initiated charter amendments are subject to the charter voting requirements.

VII. Agenda, Conduct of Regular Meetings and Special Board Hearings

- A. All Tuesday Clark County Council meeting agendas will provide for the following order of business:
 - a. Special recognition, if applicable
 - b. Pledge of Allegiance
 - c. Invocation
 - d. Bid awards, if applicable
 - e. Public testimony on Consent and Separate Business items
 - f. Consent Agenda
 - g. Separate Business
 - h. Open public comment
 - i. Public hearing matters, if applicable
 - j. Councilor communications
 - k. Adjourn
- B. The county manager, or his or her designee, is responsible for reviewing the council meeting agenda prior to posting. Any councilor may request an item be removed from a consent agenda for discussion. The council will consider that item as a separate item of business. Approval of a consent agenda is by a simple majority voice vote of the council.
- C. Agendas for regular and special council meetings will be posted in the sixth-floor Hearing Room, placed on the county website at www.clark.wa.gov and emailed on request at least four (4) calendar days before the meeting.
- D. The county manager has authority to place ordinances, resolutions and/or staff reports on the meeting agenda after review of the proposed items with the budget director during their weekly review on Wednesday preceding the next regular meeting. A councilor seeking to put an item on a meeting agenda will take the item to the council

chair with the support of at least one other councilor. All ordinances will be reviewed and signed by the Prosecuting Attorney, or designee, prior to action by the council.

- E. The form, enactment, amendment and repeal of council ordinances; the nature and passage of council resolutions; and the nature and passage of council motions shall conform to Section 8.1 through Section 8.6 of the county charter.
- F. All matters coming before the county council involving county funds will be presented in compliance with current budget guidelines and include a fiscal note.
- G. No motion will be debated unless seconded. When a motion is seconded, the council chair will say so, and councilors will proceed to act on it.
- H. A councilor proposing an amendment has the right to begin debate on that amendment.
- I. County appointed officials, elected officials or staff may address the council at the request of any councilor or recognition by the council chair.
- J. During a meeting's open public comment period, any individual or spokesperson for a group can address the council for three (3) minutes on any matter germane to county business and not specifically on the hearing or meeting agenda. The chair can request additional time for the speaker or a councilor can ask the chair for more time for a speaker or for conversation. Speakers should sign in on a sheet provided at the back of the hearing room. Similarly, any individual or spokesperson wishing to speak on a matter specifically on a hearing agenda may do so by signing in on a sheet provided at the back of the hearing room. The council chair will call on each person at the appropriate time and in the order in which they signed the sheet.
- K. Persons addressing the council will not make statements or remarks that concern: private activities, lifestyles or beliefs of others, including individual county employees or elected officials; topics unrelated to the business of the county; or professional duties and performance of county employees or employees of its elected officials. Persons addressing the council will refrain from conduct, statements or remarks that are uncivil, rude, vulgar, profane or otherwise disruptive to conducting council business. The chair may ask any person making such prohibited statements or remarks or engaging in such conduct to leave the meeting.
- L. Courtesy, professionalism and respect will be maintained at all times during county council meetings.
- M. Council rules may be suspended by a motion for a particular purpose by a majority vote of the entire council. If three (3) or four (4) members are present, at least three (3) votes are required to adopt such a motion.

VIII. Work Sessions

The council may meet in work sessions as needed. Work session requests must be approved by at least three (3) councilors and scheduled by the county manager. Work sessions are to provide information that will update the council on pending issues, provide pertinent policy-making information, and/or provide a final review of matters to come before the council at a regular meeting or public hearing. Work sessions may be held any time, but typically are scheduled between 9 a.m. and noon on Wednesday.

Minutes for work sessions will be taken by the county manager or his designee via audio recording and uploaded to the county website at the conclusion of the session.

XIII. Appointments to Boards, Commissions and Task Forces

- A. The county manager will appoint members of boards, commissions and task forces as provided by Charter, and the appointments will be presented to the county council during a regular meeting. The council will confirm or reject the appointments by a majority vote within 30 calendar days. Failure of the council to act within 30 calendar days constitutes acceptance of the appointment.
- B. The council will have concurrent authority with the county manager to nominate members of the: Clark County Planning Commission, Clark County Historic Preservation Commission and Clark County Board of Equalization, and as authorized by statute.

EXHIBIT 1

Code of Ethical Conduct for Clark County Councilors

Preamble

The opportunity to serve the public as councilor confers a sacred trust on the office holder. Stewardship of the public trust requires councilors uphold the law and act in ways consistent with the highest standards of ethical conduct. The county council has adopted this code of ethics to promote the vitality of the democratic process in county government. In fulfilling the duties of public office, every councilor will be confronted with ethical dilemmas. The following principles are offered to encourage councilors to reflect in advance of decision making. Ultimately, the ethical course of action for a county councilor must be discerned by the dictates of individual conscience and commitment to the public interest.

Principles

1. A county councilor should be vigorously dedicated to the democratic ideals of honesty, openness and accountability in all public matters involving county government.

A councilor should exert a good-faith effort to communicate the full truth about county matters and avoid misleading others or gaining personal advantage. Accountability requires a councilor to accept responsibility for his or her conduct as well as the actions of the council. A commitment to the spirit of open government is characterized by the broadest possible provisions for public access and information sharing and qualified only by those instances when meetings and/or certain public records are shielded by state law. Councilors have an obligation to report suspected illegal misconduct by another elected official to the proper legal authorities.

2. Councilors should promote decorum, respect for others and civility in all relationships.

The honor of holding public office necessitates that councilors behave with courtesy and respect for the dignity of others in all public relationships, including with elected officials, employees, citizens, media and representatives of other governments. Councilors should affirm the value of services provided by government and maintain a constructive attitude about governmental affairs. Meetings of the council should afford a prime opportunity for councilors to promote and enhance respectful civic discourse.

3. Councilors should actively practice stewardship of the county's human, fiscal and material resources.

Councilors should conserve public resources and support the wisest and best use of those resources, consistent with the public interest and community need. Councilors should advocate for and encourage county employees to adopt practices that promote the most efficient, effective and ethical conduct in the delivery of county services.

4. Councilors should strive for excellence and continuous learning relative to personal development and all operations of county government.

Councilors, regardless of the length of tenure in office, should seek opportunities to develop skills and acquire knowledge to effectively perform the duties of public office. Councilors should dedicate the time necessary to adequately perform the duties of the office of councilor. As

members of the governing legislative body, councilors should advocate and appropriate resources that promote a work environment in which employees are given opportunities to enhance and expand their performance capabilities.

5. Councilors should perform the duties of public office with fairness and impartiality so to enhance public confidence in county government.

Councilors should engage in conduct that promotes county processes and practices that contribute to the perception of equality and impartiality. Councilors should support equal employment opportunity and vigorously oppose discrimination of any kind in county affairs.

6. Councilors should neither seek nor accept any favor from any source that may be offered to influence decision-making.

Councilors should decline to accept anything of value that could be construed by a reasonable and informed person as intended to influence any action of the councilor. Avoiding the appearance of impropriety sustains public trust in democracy and is a necessary standard for councilors to consider in determining an ethical course of action.

7. Violations subject to review and action.

Any councilor charged with violating this code shall be subject to review by an ad hoc Ethics Review Committee consisting of two councilors chosen by a majority of the council and one citizen chosen by the two councilors. The chosen citizen shall chair the review committee. The committee shall investigate the charges thoroughly by interviews; review of evidence presented and/or by use of a third-party investigator.

The Ethics Review Committee shall issue a finding to the full council. If the violation is substantiated by the committee, the council may consider such action as it deems appropriate, from public admonishment to a public resolution of censure with removal of the violator from all committees on which the person is representing the county.
