Plaintiff,

Defendant

Case No(s).

**Motion to Remove Fines from
Collections, Extend Due Date,
and Authorize Community
Restitution
(Infractions Only)**

I am the Defendant on the above matters, and I do not have the financial ability to pay my fines by the due date. I request that my fines be removed from collections (if applicable), that my failure to pay be reported to Department of Licensing as adjudicated, and that the court:

grant me an additional _____ months to pay my fines. I understand I must pay my fines in full or arrange a payment plan by this date. I understand a payment plan may include additional fees and interest. I understand if I do not pay or arrange a payment plan by this date, the court may refer my fines to collections and report my failure to pay to the Department of Licensing.

grant me an additional _____ months to pay my fines and that I be allowed to work off fines through community restitution. I understand I must either work off or pay my fines in full by the due date the court will set if my request is approved. I understand I must contact **Clark County District Court Customer Service** on the ground floor of the Clark County Courthouse to enroll in the community restitution program if my request is approved. I understand if I do not work off or pay all fines in full by this date, the court may refer my fines to collections and report my failure to pay to the Department of Licensing.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
