(h) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in the foregoing, all as deemed necessary and advisable by the Board.

The Projects, or any portion or portions thereof, shall be acquired or made insofar as is practicable with available Bond Proceeds, together with any other money of the District legally available therefor, and in such order of time as shall be deemed necessary and advisable by the Board. Subject to Section 6 of this resolution, the Board shall allocate the Bond Proceeds, together with any other money of the District legally available therefor, between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects. The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be filed with the District.

Section 3. Calling of Election. The Auditor of Clark County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), is requested to call and conduct a special election in the District, in the manner provided by law, to be held therein on April 24, 2018, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

If the proposition is approved by the requisite number of voters, the District will be authorized to issue, sell and deliver the Bonds in the manner described in this resolution, spend the Bond Proceeds to pay costs of the Projects, and levy annual excess property taxes to pay and retire

the Bonds. The Bond Proceeds shall be used, either with or without additional money now available or hereafter available to the District, for capital purposes only, as permitted by law, which shall not include the replacement of equipment.

Section 4. Authorization to Issue the Bonds. The Bonds authorized may be issued as a single issue, as a part of a combined issue with other authorized bonds, or in more than one series, all as deemed necessary and advisable by the Board and as permitted by law. Further, the Bonds may be issued, as deemed necessary and advisable by the Board, as taxable bonds, tax-exempt bonds and/or any other type of bonds that are now or in the future may be authorized under applicable state and federal law.

Each series of the Bonds shall be issued as fully registered bonds; shall bear interest payable as permitted by law; shall mature within 21 years from the date of issuance of such series of the Bonds (but may mature at an earlier date or dates as fixed by the Board); shall be paid by annual property tax levies sufficient in amount to pay both principal and interest when due, which annual property tax levies shall be made in excess of regular property tax levies without limitation as to rate or amount but only in amounts sufficient to meet such payments of principal and interest as they come due; and shall be issued and sold in such manner, at such times and in such amounts as shall be required for the purpose for which each series of the Bonds are to be issued, all as deemed necessary and advisable by the Board and as permitted by law. The life of the Projects to be financed with the Bond Proceeds shall exceed the term of the respective series of Bonds that finance such Projects.

The Board hereby authorizes and directs the Secretary to the Board (the "Secretary") to determine for each series of Bonds whether such series should be sold by negotiated or competitive sale, and with respect to such series of Bonds that are to be sold by competitive sale, to: (a) specify a date and time of sale of such Bonds; (b) give notice of that sale; (c) determine any bid requirements and criteria for determining the award of the bid; (d) provide for the use of an electronic bidding mechanism if the Secretary deems electronic bidding to be beneficial to the District; and (e) specify other matters in his or her determination necessary, appropriate or desirable to carry out the sale of the Bonds. Notwithstanding the foregoing, the amount, date, denominations, interest rates, payment dates, final maturity, redemption rights, price, and other terms and conditions of the Bonds (or parameters with respect thereto) shall be hereafter fixed by one or more resolutions of the Board authorizing the issuance, sale and delivery of such series of Bonds, which resolutions may delegate to a District officer or employee the authority to fix any of the foregoing, all as deemed necessary and advisable by the Board and as permitted by law.

Pending the issuance of any series of the Bonds, the District may issue short-term obligations pursuant to chapter 39.50 RCW to pay for any portion of the costs of the Projects. Such obligations may be paid or refunded with the Bond Proceeds.

If the District receives voter approval to issue the Bonds in the manner described in this resolution, the Board authorizes and directs the Secretary and/or the District's Director of School Finance (the "Director of School Finance") to: (a) review and "deem final" (within the meaning of Rule 15c2-12 of the Securities and Exchange Commission), if necessary and upon such official's satisfaction, any preliminary official statement prepared in connection with the sale of each series of the Bonds by the District; (b) authorize the "deemed final" preliminary official

statement to be distributed prior to the date any underwriter or purchaser bids for, purchases, offers or sells each series of the Bonds; and (c) acknowledge in writing any action taken pursuant to clauses (a) and (b) of this paragraph.

Section 5. Intent to Reimburse. The Board declares that to the extent, prior to the date the Bonds, or other bonds or obligations (which includes the Bonds, or other bonds or obligations issued as tax-exempt bonds) are issued to pay costs of the Projects, the District makes capital expenditures for the Projects from money that is not (and is not reasonably expected to be) reserved, allocated on a long-term basis or otherwise set aside by the District under its existing and reasonably foreseeable budgetary and financial circumstances to pay costs of the Projects, those capital expenditures are intended to be reimbursed out of the Bond Proceeds, or proceeds of other bonds or obligations, issued in an amount not to exceed the principal amount of the Bonds provided by this resolution.

Section 6. Sufficiency of Bond Proceeds. If Bond Proceeds are more than sufficient to carry out and accomplish the Projects (the "Excess Bond Proceeds"), and state or local circumstances require, the District may use the Excess Bond Proceeds to: (a) acquire, construct, install, equip and make other capital improvements to the District's facilities; or (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020. In the event that the Bond Proceeds, together with any other money of the District legally available therefor, are insufficient to carry out and accomplish all of the Projects, the District shall use the Bond Proceeds and other available money for paying the cost of that portion of the Projects that is deemed by the Board most necessary and in the best interest of the District.

Section 7. Use of State Financing Assistance. It is anticipated that the District may receive money from the State of Washington as state financing assistance under chapter 28A.525 RCW with respect to the Projects (the "State Financing Assistance"). The State Financing Assistance shall be used, when and in such amounts as it may become available, to carry out and accomplish the Projects. If the State Financing Assistance is more than sufficient to carry out and accomplish the Projects (the "Excess State Financing Assistance"), and state or local circumstances require, the District may use the Excess State Financing Assistance to: (a) acquire, construct, install, equip and make other capital improvements to the District's facilities; (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District; or (c) provide for other purposes, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020.

Section 8. Alteration of Expenditures. If the Board shall subsequently determine that state or local circumstances, including, but not limited to, changed conditions or needs, regulatory considerations or incompatible development, should cause any alteration to the specific expenditures from the Bond Proceeds and/or the State Financing Assistance for the Projects, the District shall not be required to accomplish the Projects and may apply the Bond Proceeds and/or State Financing Assistance (or any portion thereof) to: (a) other portions of the Projects; (b) acquire, construct, install, equip and make other capital improvements to the District's facilities; or (c) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution after holding a public hearing thereon pursuant to RCW 28A.530.020.

Section 9. Form of Ballot Title. Pursuant to RCW 29A.36.071, the Clark County Prosecuting Attorney is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:
