

Recreational Water Safety Pool Questionnaire

Complete one questionnaire for each pool that will be included in this project.

GENERAL POOL INFORMATION:

- New Modification Addition
 Outdoor Indoor

Dimensions: length _____ width _____ Depth range: shallow _____ deep _____
 Surface area ≤ 5 ft. deep: _____ square feet Surface area > 5 ft. deep: _____ square feet
 Pool surface construction material: _____ Color of the pool surface: _____

WALKING SURFACES:

Construction material: _____ Type of non-slip finish provided: _____
 Deck drainage method: _____ Rate of slope for deck: _____
 Are pool depth markings (with "feet" or "ft") provided on the deck AND the pool walls? Yes No

STEPS:

For each set of stairs note on the following:

Step riser height in inches _____ " Step riser tread in inches _____ " Surface area of first step _____ "

Check if the following requirements are met.

- The steps are uniform.
 The stairs are marked in a contrasting color to ensure visibility.

INLETS AND OUTLETS:

CCPH will be requiring images of the main drain pipes before they are covered.

Check if the following requirements are met.

- The inlets are submerged.
 The skimmers are installed with equalizer lines or an alternative method to prevent air lock.
 Two or more hydraulically balanced main drains are provided with a minimum spacing of 3 feet.
 All main drain pipes are the same diameter.
 The make-up water is protected from backflow.

EMERGENCY EQUIPMENT AND CONTROL OF BATHERS:

Check that the following emergency equipment will be provided and accessible during all hours the pool is open:

For all facilities:

- Pool rules sign meeting minimum requirements (Signage requirements can be provided upon request)
- Phone or emergency call box
- First aid kit
- An emergency blanket

For non-lifeguarded pools:

- Solid 12 foot or longer reaching pole with attached double crook life hook
- Life buoy (ring), with a rope the length of the width of the pool or 50 feet

For lifeguarded pools:

- Rescue tube or buoy
- Backboard
- Lifeguard chairs

COMMENTS CONCERNING FACILITY:
