

living in the time of COVID-19

OPEN

with CARE

WE KEEP YOU SAFER BY:

Limiting the number of customers in the store, so we can keep at least 6 feet of distance between people

Asking employees and customers who are sick to stay home

Cleaning and sanitizing high-touch surfaces often

Requiring employees to wear face coverings and asking customers to do the same

*We provide exemptions from the mask /face covering requirement for employees who cannot wear them under state and federal disabilities laws.

These actions are required by the State of Washington and are in place to protect our employees and our customers.
