On the Agenda...

You've likely seen the construction going on at the Fire Station on 134th Street... new buildings and a tower. Come find out all the details of the new Fire Station and Training Center from **Clark County Fire District 6 Assistant Chief Shawn Newberry**.

It may be an 'off' year for some voting, but the **2019 NSCNA Board Elections** are happening at our October meeting. Please join us as Board Officer positions from Districts 1, 3, 5, and 7, are up for election. For specific information about District Boundaries, please see: <http://bit.ly/nscna-map>

Our representative from the **Clark County Sheriff's Office, Deputy Fisk**, is set to join us to answer questions you might have about crime and safety in the neighborhood. *Please remember, Deputy appearances are always subject to required enforcement duties.*
