Did you know? Sunnyside Neighborhood Association is NOT an HOA!

Neighborhood residents have formed our neighborhood association and Clark County's Neighborhood Relations Coordinator works with us as a liaison for information to be shared with citizens. HOA's are established by a developer and pertain to a specific subdivision or project. Everyone in Clark County is in a neighborhood association, though many are inactive because no volunteers have stepped forward to operate them. Volunteers regularly receive information from Clark County so their members can be better informed on issues such as annexation plans, new housing or business development, etc.

MEETING AGENDA

Special Guest: Julie Olson, Councilmember
Clark County Public Works & Planning Staff

Have you noticed all the new apartments and homes being built?
Have you wondered if our schools and other infrastructure will be able to handle all the people who will occupy them?
Will our already congested roads get more crowded?

Clark County Councilmember Julie Olson will attend our May 9 meeting to discuss these issues and how the County is working to address them. She has asked for staff from Community Planning and Public Works to join her to help answer your questions. **Hope to see you there on Wednesday, May 9!!**

Thanks to all who participated in the Orchards Highland Park cleanup in April! We even got some ivy pulled out. We hope to have another cleanup within 2 weeks of our next meeting. We also have begun the process of adopting 94th Avenue between 107th St. and 76th St. as a cleanup project. This will be discussed further at our meeting on May 9. Thanks go to Troy Maxey, our newest addition to the Leadership Team of Judy, Mary, Jim and Melissa, for initiating this.

Whether you own or rent your home, all are welcome!
