Dear Mr. Hennessee:

Re: Title VI Annual Report

WSDOT approves the Title VI report for calendar year 2019 from Clark County. Please post it on the county's website. The next annual report is due **Feb. 1, 2021**.

The report shows the County has made substantial progress over the last two years. One area I would like to comment on is that demographic data relating to populations covered by Title VI (and related regulations) applies throughout the life cycle of transportation-related services and projects. It applies when the County begins a planning process to the end of their life cycle (maintenance). Overlooked were the County's Title VI goals for 2020. Additional comments were included in the transmittal email.

I did notice the last update to the County's Title VI Plans shows Mark McCauley as the City Manager. Please provide an update **by March 13**.

WSDOT is committed to providing any assistance you may need with your Title VI Program implementation process. For assistance, please contact me at 206-440-4778 or at gleueg@wsdot.wa.gov.

Sincerely,

/s/ Gretchen Gleue
