### NEW CONCEALED PISTOL LICENSE

Over the past year, the Clark County Sheriff's Office has worked to introduce a new concealed pistol license (CPL) to replace the old paper license that was typically laminated. As of March 1, 2018, we began issuing CPLs on hard plastic stock similar to a driver's license. As pictured below, the front of the license features a red stripe with the Washington State seal. The licensee's information, license number and expiration date also appears on the front with an image of the CCSO Sheriff's badge logo. The reverse side of the license displays, "CLARK COUNTY SHERIFF'S OFFICE" with our ORI and Sheriff Atkins' signature.

On Thursday, March 22, 2018, Governor Jay Inslee signed into law Engrossed House Bill No. 2519, relating to Concealed Pistol Licenses in Washington State. Senator Lynda Wilson of the 17th Legislative District was instrumental in securing an amendment to that bill which now allows law enforcement to include the licensee's photo onto the CPL.

The Clark County Sheriff's Office is now issuing the revised CPL, pictured below, which includes the licensee's photo (in place of the badge logo).
