

## Surface Mining Advisory Forum

### Meeting Notes

December 19, 2019

Public Service Center, 6<sup>th</sup> Floor Conference Council Hearing Room

#### Clark County Staff and Public Attendees:

**Mitch Nickolds**, Code Administration Director

**Mike Boyer**, Code Enforcement Officer

**Ahmad Qayoumi**, Public Works Director

**Bo Storedahl**, Storedahl & Sons

**Maya Bunch**, Senior OA Administration

#### Discussion points:

##### I. Reviewed and discussed the EPA Site Reconnaissance Sampling Analysis Report

- (Available for review on the county website at <https://www.clark.wa.gov/community-development/yacolt-mountain-quarry>).
- Mitch Nickolds informed SMAC community that the EPA funded this report
- Questions and discussions on what explains the difference in each of the EPA test results
- Report seen as generally very good news, and received by public as such

##### II. Discussed SMAC communications and privacy concerns

- As communications with the County are subject to preservation and disclosure under public records laws we must produce them upon request. We will work on putting a public disclosure notice on the bottom of forms, emails and correspondences

##### III. Other

- SMAC community and public thankful for blast notifications received from operator
- Questions on terms of CUPs arose during discussion time. Nickolds advised that compliance matrix/guides will be created, and managed by the new Code Administration Department. This will serve as a reference guide, and will be posted and provided on County website when completed
- Next meeting scheduled tentatively for Thursday, February 20, 2020. The next meeting will be Livingston Quarry focused.
