Parks Manager's Notes for PAB: "What's Happening In Parks"

July 14, 2017

- North Vancouver Mall Annexation. The Inter-local agreement language was sent over to the City of Vancouver Yesterday. We're still on schedule for August 1st
- Our new interim County Manager is Jim Rumpeltes. I haven't met him yet but look forward to it. We may have him for 6 months or so until the permanent County Manager is hired.
- In the next few weeks, the county is switching to a new prefix from 360 to 564. This is in addition with going to a 10 digit phone number that I believe will affect everyone on the county. With the hundreds of park signs throughout our park system, this change will have a financial impact on us.
- FYI - The hands free driving law goes into effect on July 23rd.
- The Parking Fee program update – We have sold over 2,500 park passes to date and revenues are at $270,000.
- Possible trail from Harmony Sports to Pacific Park in BPA Right-of-way via new development in section 30.
- Jeremy and I stopped by Lacamas Park and Camp Currie yesterday to look at the Camas sewer line project. It's coming along well.
- Doug Keller and I have a CVTV interview next week to talk about parks maintenance. The video should air Late August
- We received the appraisal for the Berry Property on NW 11th and NW 149th Street, and plan to negotiate the purchase price next week with the seller.
